Archbishop of Cochabamba  
Casilia 129  
Cochabamba - Bolivia

**IMPRIMATUR:**

We have read Catalina's books and we are certain that their only objective is to lead us all on a journey of authentic spirituality that is based on the Gospel of Christ. The books highlight as well the special place the Blessed Virgin Mary, our Mother to whom we should offer our complete trust and love, as her children that we are, and our role model in how to love and follow Jesus Christ.

At the same time as they renew our love and devotion to the Holy Catholic Church, the books enlighten us on the actions that should characterize a truly committed Christian.

For these reasons, I authorize their printing and distribution, and recommend them as texts of meditation and spiritual orientation, so as to yield much fruit for Our Lord who is calling us to save many souls, showing them that He is a living God, full of love and mercy.

+ Mons. Rene Fernandez Apaza  
Archbishop of Cochabamba  
April 2, 1998

*The basis of the book title and cover design:*

The title of the book was given by the Blessed Mother to Catalina:

“Little children of Mine, I will continue to fill you with abundant graces. Let nothing disturb you. I love you deeply... a great deal more than you can imagine... Be silent; offer all suffering to Jesus for the sake of love and gratitude... Hurry with the book which shall be called ‘**Springs of Mercy**’.” [SM-92 ¶5]

And of the Sacred Heart of Jesus, She taught Catalina to pray:

“Heart of Jesus, spring of grace, light and holiness, pour into my heart those gifts that You possess in abundance...” [SM-107 ¶5]

And of the seven Sacraments She said:

“Jesus has made springs of grace for your brothers to drink of these fountains of Living Waters... the Sacraments...” [SM-36 ¶6]

Jesus told Catalina:

“My child, come to Me; I invite you to take refuge in My heart... I want you to be enriched with the waters from this “**Spring of Mercy**” which continuously runs and never dries up.” [SM-1 ¶1&3]

“For this, some must prepare to give testimony of what it represents in your life this becoming immersed, that surrendering to new “**springs**” each time when receiving My Body and Blood worthily...” [SM-50 ¶5]

“And do you think you would have loved Me in the same way and with the same intensity as you love Me today? You had to dig dry, arid and cracked wells in order to possess this “**Spring of living waters**” from which you drink today desiring ever more for the thirst of your soul...” [SM-70 ¶5]

## **Jesus:**

**Y**our souls are like a sheep that dies of hunger and weakness. There is no one but I who can restore your strength and satisfy your hunger. Eat of this Divine nourishment which today I want to give you and receive the effects that it produces in well disposed hearts. Renounce all earthly interests. Allow yourselves to be led by the two enormous wings of Charity and Mercy. Here I take you upon My wings.

My children, surrender to Me your heart, your understanding, your memory and your interior and exterior senses, in order that I may instruct you.

I am here in your hearts to teach you to love Me, to serve Me, to never be looking out for yourselves, to always walk on My pathways, and to teach you to love the cross, mortification and penance.

I want you to learn to scorn vainglory, the pleasures, the riches of the present century and give all your regard and love to the goods of the future. I want that you desire nothing but virtue, that you rejoice only with good works and that you place all your hope in Me.

## Prologue

“Springs of Mercy” marks the beginning of an extraordinary mystical experience. According to our bibliographical investigation, this is the first time in “written and registered” history that an identified, well-known person of sound mind and subject to studies from a scientific point of view, may be affirmed as “hearing” divine messages in Bolivia.

According to the person in question, these experiences started on September 12, 1993, by the principal of mystic communication referred to as “interior locution”. This is an interesting fact: the locutionist truly “listens” to a voice (they do not hallucinate) but it is as if the same would come from their own heart... They hear it clearly, but generally, they do not see whoever is speaking. But they can distinguish if it is a man or woman, and can determine the tones and the different nuances in the communication. The phenomenon creates extraordinary changes because it indicates the presence of “someone”. While studying the locutionist Jelena from Medjugorie, Dr. Lipinski determined that at the moment in which she had her locutions, the concentration of energy in the room varied, “being increased”.

In the case of the locutionist of Cochabamba, to whom Jesus calls Pious Catalina, she receives messages which she writes

down faithfully. How can one explain that this person, whose formation does not even include graduating from high school, could write eight books in less than four years, one of these titled "The Great Crusade of Love", which was written in two weeks in spite of its profound theological, pedagogic and spiritual sense? The Bible verses cited are abundant and all are correct. Her philosophical, psychological, theological propositions are indisputable. How can she write in the dark without making a mistake nor deviating from the correct notebook lines? How can she explain historical facts with such clarity that can only be found in historic archives of the time, as it happened with the origin of the Feast of the Rosary and of the Eucharistic Congresses? Or including making prophecies about events whose realization confirmed the truth of her statements?

But beyond these references, it is important to ponder that the material collected is so coherent and solid that it merits the title of "messages" is deserved because of the fruits that they achieve in those who read them. These include: repentance, desire of conversion, and assimilation of the words into their lives... The results are admirable. The reader wants to pray, grow closer to God, discover transcendence. He again applies himself to the relationship with his brothers, rediscovers his Church and the true values which it teaches. The theologians affirm to not having found any contradictions with the Sacred Scriptures and with the tradition and teachings of the Church. In summary, these words have a fundamental quality. They move, motivate, incite, invite to conversion, to a change of life... The results observed in these years are eloquent.

This marvel, nonetheless, is not an isolated Bolivian fact. It is integrated in a global spiritual phenomenon that compromises all countries. We live in a special age of grace. God has desired

to talk once again to mankind, reminding him that He exists, that He loves us. And today, He serves Himself of many means to whisper to His ungrateful children, fresh words of love that promise a New Spring, whose sweet perfume already approaches.

The Editors

## **Acknowledgements**

I request the company of the fellow reader in raising a prayer of thanksgiving for those whom God put in my Path to illuminate me with His Light, especially for the members of the “Center of Mary Queen of Peace” in the city of Cochabamba and for:

Rev Fr. Enrique Cordero,  
Rev. Fr. Francisco Villescás,  
Rev. Fr. Marcos Krupa,  
Rev Fr. Estanislao Sekowski,  
Rev. Fr. Richardo Campos,  
Mother Celina Ezquerro and  
Sister Rosa Ines Chica;

and to all my brothers and sisters in Jesus and Mary, with the hope that they feel the call to the faith. And in raising a prayer that each page will give them necessary strength to shake off the yoke of the enemy, pass through the Red Sea of the difficulties of daily life and enter into solitude, with the end of finding Jesus.

As Moses, we are bearers of the word of the Almighty. Together, holding on to the hand of the most Blessed Virgin, we shall obtain the banishment from our hearts of the attachment to worldly things, in order to give place to the celestial graces.

Catalina  
Cochabamba, September 29, 1994

### **Publisher's Note on Messages**

In the messages that follow, the words of Catalina appear in italics. Clarifying notes from the translators and editor appear in brackets: [sample]. In the few cases where Jesus' or Mary's words are of a parenthetical nature, the words will be in regular font within parenthesis: (sample).

## **The Messages**

### **I INVITE YOU TO TAKE REFUGE IN MY HEART**

**SM-1** (& 103)

11-Aug-94

Jesus

<sup>1)</sup> My child, come to Me; I invite you to take refuge in My heart... You need it. Put in its wound all your hope, since it is always ready to receive you. It is ready to help you in your needs and fill you with all its benefits.

<sup>2)</sup> In this infinite abyss of perfection, the Father wished to create the beginning, the center and the model of all the virtues because of you, for you. For in this moment your feet hesitate and you do not find a secure path for your walk.

<sup>3)</sup> Extract from it charity, obedience, patience, purity, sweetness and all the virtues, which you desire to attain. It waits for you every day as a fountain that yearns to satisfy your thirst... I want you to be enriched with the waters from this "Spring of Mercy" which continuously runs and never dries up.

**THE FIRST LOCUTION OF THE BLESSED MOTHER TO CATALINA:  
DO NOT FEAR**

**SM-2**

**12-Sep-93  
10:15 p.m.**

**The Blessed Mother**

*1) (I am painting a tablecloth for the first Encounter of the Queen of Peace Marian Center in the city, praying at the same time. At the end of the Rosary I think:*

*2) "I would like to give my mother a trip... to take her for a visit, to take her to Miami so that she can rest..."*

*3) All of a sudden I feel a voice in my interior:)*

*4) Do not worry; you are giving her the best trip of her life.*

*5) ("Why? Which trip...?" I answered, almost instinctively. )*

*6) You are drawing her near to Jesus, My daughter. (I once again hear.)*

*7) ("What is happening? My God...!" I whisper. Inside of me I feel my heart beating very strongly and I know that somehow that the voice in my mind is not mine. It is a feminine voice, but very much softer, sweet. It is not I. I stop painting and grab my chest; it seemed as if it was going to burst with the wild beating of my heart that I am having.*

*8) But I listen, or feel inside of my heart and my mind:)*

*9) Do not fear... We shall be together many days. You will go to the hospital but you will not be alone... My maternal love will accompany you always...*

*10) (Sweetly the wild beating of my heart passes and my work room gets filled with the fragrance of roses. A person who works with me, enters the room, notices the perfume as well as another person who expresses: "what an agreeable perfume!"*

*11) I do not want to think about what is happening to me, but I cannot avoid it either. What is happening, I say, is that I have been praying and listening to the messages from Fr. Gobbi and I have allowed myself to be influenced. I am the one who is speaking. It is better that*

*I pray my Rosary and I forget it... Why in heaven should I be going to the Hospital?...*

*12) I feel pretty tired and I sleep. I pretend to forget but it is not so. I begin to worry... what is happening to me?*

*13) Three days later, the 15<sup>th</sup> of September, my health deteriorates and I am interned immediately.*

*14) I ask that the person who had asked me to do the tablecloth be called, so as to indicate that she not worry, that I will have the tablecloth ready on time. But that I must stay a few days in the hospital.*

*15) On the 17<sup>th</sup> my friend arrives to visit. She brings with her the Image of the Queen of Peace and a copy of the book of Fr. Stefano Gobbi.*

*16) All the pains disappear. The IV does not matter as I embrace the little Virgin, happy for her visit. I do not want anything, only to stay with my treasure. I ask for a Bible, a notebook and a pen. I want to write about what is happening to me.)*

### **MY DAUGHTER, HERE I AM**

**SM-3**

**18-Sep-93  
9:10 p.m.**

**The Blessed Mother**

*1) (I am finishing praying my Rosary and my heart starts to beat wildly. I try to convince myself: "surely it is the effect of the IV and the medications". But I know it is not... I wait, almost without breathing and my chest feels that infinite sweetness, as if some kindness and relaxation invaded me.)*

*2) My daughter, here I am. Alone the two of us will remain a few days in union with My Son... We will pray together; you will see how many join with our prayers. What pleasure that they may permit us to be apart from everyone, is it not?... Let us start the Chaplet of the Divine Mercy...*

3) *(I sit up instantly. I look at the image, which was placed at night on the little table on my right. She is there, beautiful, sweet, humble and majestic.*

4) *I ask: In truth, is it really you, little Virgin?)*

5) *In humility before the Father, the Son and the Holy Spirit, I bless you... Your faith and the devotion that you spread for the medal (the Miraculous medal), has permitted that My Son allows that these conversations be frequent between us... For now, you will only act as you think advisable. Pray, for I am in you and what you do or say, will be fine. Moreover, this is only for you... For now, keep quiet.*

6) *(The room was inundated with the fragrance of flowers and when the nurses entered, they looked to see if I had not left a bouquet of flowers in the room or in the bathroom. I smiled at their astonished faces.*

7) *Blessed be to God, for that pneumonia, and blessed be His Holy Mother for giving me the gift of this grace!)*

20-Oct-93

6:00 p.m.

**THE 4TH LATIN AMERICAN CONFERENCE OF "THE CENTERS OF  
MARY QUEEN OF PEACE"**

8) *(At the conference I see clearly Fr. N preaching, a few meters from where I am. I contemplate a light that leaves his mouth while he speaks. At another opportunity, I see Fr. NN llamas surrounded by a light as if it were a mantle. And when I was in front of Fr. NNN, I heard the now known sweet and soft voice of the Mother who said to me:) "Seek him out; I have them [the priests] near you. And... go confess yourself to him, now."*

9) *(I took note of what happened, but it did not finish there. Since we wanted to hear Nancy Fowler's testimony, a few of us ladies, who were staying at another hotel, decided to remain. While we waited for dinner,*

*the visionary said that she was going to pray the Rosary in her room and if anyone wanted, we could join her there. In a few minutes, her bedroom was filled and we started the Rosary. While praying the fourth Mystery, I saw Nancy's face light up, radiant while looking up to where the Loving Mother was. We understood that she was having an apparition. I, like other people, detected the faint fragrance of wild roses. We were impressed, knowing that She was among us. Subsequently Nancy shared the message received and we departed full of joy.*

*10) During our return (to our hotel) my friend said, "I saw Fr. NN, as if he had an halo of light around him". I said that I had also seen it. "It was like the Virgin's mantle, was it not?"*

*11) "Yes," she responded.*

*12) "Have you also seen it?", she insisted. I affirmed and we started to pray, extremely excited.*

*13) We settled into a room at the Hotel next to another girl who came from Tarija. We commented on how lovely the day had been. Suddenly the girl from Tarija says, "Something very strange happened to me. I could not see the speakers from the other room, so looking at them via the television monitor, I saw that when Fr. NN was speaking - I do not know if it was an effect from the lights - but he had something covering him. It was not a normal light but white."*

*14) The other friend and I looked at each other, confirming our experience. This night, certainly, no one could sleep because we were so full of emotions.)*

## LET NOTHING REMOVE YOU FROM THIS PATH

**SM-4**

23-Oct-93  
10:40 p.m.

The Blessed Mother

*1) (I was praying thanking God for the beautiful conference which we had and that day ended with an extraordinary manifestation of the sun, while we were at the Coliseum.)*

*2) Yes, everything was beautiful; many more people saw the sun spinning.*

*3) (I once again felt the warm voice saying,) When there occurred the small incident with the vehicle, during the message in the firmament, when you saw the face of My Son in the Chalice... Yes, you did see it, in each moment I was with you.*

*4) Do not let anything remove you, not even one step from this path. You will have difficulties, insults, reproaches, but the light of the truth will shine. Without blinding, one by one will convert; you are to simply pray... Offer each moment, good or bad to Jesus... for now... only that.*

*5) (Full of joy I tell her, I love you Little Virgin, my little Mother!...)*

*6) I, too, love you much...*

### THE FIRST LOCUTION OF JESUS TO CATALINA: PRAY THE OUR FATHER

**SM-5**

20-Nov-93  
9:30 p.m.

Jesus

*1) (I finished praying and I feel a strong but sweet pain in my chest, as if something was breaking inside of me and it rises toward my throat. I experience an emotion and I spontaneously start to cry; I feel a beautiful presence. I have the impression that it is the Mother...*

- 2) *I hear, "Do not reject one another" ... I confirm that it is not the Most blessed Mother and I become afraid. It is a voice of a man.*
- 3) *My God! I exclaimed, asking, who is it?)*
- 4) *"Do not be afraid... Pray the Our Father; I will accompany you."*
- 5) *(I pray, or better said, we pray, for I feel the pauses, someone prays with me...*
- 6) *Again I ask, "What do you want from me?")*
- 7) *"That you love Me; that you prepare for the arrival of many messages, that you may change your life and be an example... I cause that all should be equally welcomed without rejecting he who seems disagreeable... Only I know him... Patience; take My example and the serenity of My Mother... I have already given it to you."*
- 8) *("Lord, do not let go of my hand, I am much afraid.")*
- 9) *"You were not afraid before. How can you be afraid at My side? Peace, beloved daughter... peace..."*
- 10) *(The soft, sweet, patient pain diminishes. My face is awash with tears. I praise Jesus and pronounce the words of the Mother, "With the greatest of humility, here is the servant of Jesus, do with me according to Your Word.")*

## PEACE AND LIGHT OF THE DYING

**SM-6**

**22-Nov-93**

**Jesus**

- 1) *(I was praying for the soul of my grandmother who had died a year and a half ago and whom I loved as if my own mother. I asked about what she had felt when leaving.)*
- 2) *At the moment when she was going to leave her body, she felt inundated by the peace of the light that impregnates the body and the soul of the dying. It is then that, with the humility that she lived, she felt a serene resignation and awareness*

without fear nor any anxiety - only peace. She knew that the dreadful moment with which death is painted, was not true... She is now near Me and now near you also... Do you not perceive an aroma? ...

<sup>3)</sup> *(The unmistakable and beloved scent that she had!*

<sup>4)</sup> *I thanked My Lord that He had permitted me to know that this saintly soul, is already near the angels that praise God.)*

### **LITTLE DAUGHTER, I CAME TO GIVE YOU A HUG**

**SM-7**

25-Nov-93  
11:00 p.m.

The Blessed Mother

<sup>1)</sup> Little daughter, I came to give you a hug. Did you doubt that your Mother would come to hug you?

<sup>2)</sup> *(I feel like I am about to faint - the best birthday in my life!)*

<sup>3)</sup> Offer your supplications this evening so that all those whom you love, will happily gather together in the Glory of the Blessed Trinity. Always remember that in all necessity and anguish, you can have recourse to My Loving Heart, assured to obtain all that you need, with the same faith. Remember that it is not the habit [the clothing] that makes the religious, but rather the virtue practiced.

<sup>4)</sup> When you were born, I chose you... but everything has its hour in the work of God...

### **LOVE OF MY SORROWS**

**SM-8**

25-Nov-93

Jesus

<sup>1)</sup> Your hour has arrived daughter, love of My sorrows. How much suffering, chastising yourself, making mistakes, falling, not believing...! It was necessary that you should suffer much in order to know this joy that today you experience... Cry little

one, wash your soul and heal My wounds with your tears...! So much love poured out for none who deserved it, and I anxious for a little bit of love from all My children...! Never again shall you feel alone nor without love... In each second of your life, I am with you...

*2) (I thank Jesus, and also for the friends that He has given me.)*

*3) Sweetly have I been gathering them because all of you and your children will be important in My Second Coming.*

*4) (I ask, "How is this so Lord, since my children are so far away from all of this?")*

*5) Did not My Mother just say it, a moment ago? Mine is the time... teach them to pray... Your new life will convert them. I bless you, little daughter. Start your marvelous trip with much love and patience... Now go rest. Happy Birthday... I bless you.*

*6) (Note: after more than 20 years of taking sleeping pills, since that moment, I no longer required them.)*

## HOW SHREWD IS SATAN

**SM-9**

28-Dec-93

Jesus

9:30 p.m.

*1) (I was thinking about a young person and his situation, when suddenly I heard:)*

*2) The world absorbs. There is no tendency more human than wanting to be, to live and accomplish what one has always been in origin and will never stop being... It is the tendency of aspiring to live far away from the exile of the desert full of false mirages, in order to arrive to the paradise of My immense love. He is intelligent and sensible, but like all youth, he aspires to control everything... How shrewd is Satan...! Pray; pray for him... He already has a place in My plan. Many will be converted by him... I too love you...!*

## KNOW THE BIBLE

**SM-10**

1-Jan-94  
10:15 p.m.

The Blessed Mother

<sup>1)</sup> You must give example with your lives! You ask how you can evangelize if you do not know the Bible... My daughter, so beloved! Pray; pray so much more. In this way you will break the ice of this world of hate, and you will be the light of the sun that melts many hearts hardened with coldness and indifference. In this way you will be able to serve Jesus. At first all of you will be a celestial dawn under the mantle that covers the purity of My body. With time all of you will grow in love, in charity, in humility and in the horror for present-day life. You will be the mirror of love which will be reflected on the world and transform it into a new and beautiful garden.

<sup>2)</sup> Have the assurance that for the terrible days, I have prepared for you the secure refuge of My heart.

## CONVERSION OF HEART

**SM-11**

1-Jan-94  
10:30 p.m.

The Blessed Mother

<sup>1)</sup> Conversion of heart, not of the lips but of the spirit. Time is of the essence and the enemy sets a trap for all My children... especially the ones consecrated to Our Stainless Hearts. Unite yourselves, My children, in prayer. I do not ask you for the four or six hours which My little children from Medjugorje pray. Pray two hours at the feet of My Son, imploring pardon and protection for your families... The signs, observe the signs... Pray at least two hours daily for those who do not. You are already seeing the signs that are in the Holy Book.

2) An example: I protect you and will give shelter to all of yours. Pray for your children and for those who have very recently lost their parents. Pray for the souls in Purgatory, because when they finish their purification, they will pray for you...

3) (*Visit me! ... I ask her.*)

4) Speak out, all of you; do not keep silent. Confess among yourselves for the Glory of My Son, because the testimony which you will give, with the example of your lives, will create other saints.

### IT PLEASES ME WHEN YOU ARE HUMBLE

SM-12

1-Jan-94  
10:40 p.m.

Jesus

1) Your love... your love for My Mother, the Virgin of the Sun as you call Her, She protects you under Her mantle. Her prayers for all of you, are like diadems that surround My infinite space. Continual prayer and your proper lives touch My loving heart. All of you must moderate your dispositions and be more patient with your loved ones. All of you please Me when you are humble.

2) Remain united in the fraternity of My light as My new Apostles... without hurting nor offending anyone. (*We are gathered together with the prayer group and He suggested that we count how many we were. We did so, verifying that we were twelve.*)

3) Those who can see, may they see; those who know how to think, may they think, and those who as yet cannot come to understand, may they say "amen" ... I bless all of you.

4) (*Making reference to a person that I know:*) Tell (X) that I accompany and provide for her and I take pleasure in her love."

5) Help each other; live along with each other, loving each other and loving Me.

6) (*I become aware that I need direction. I ask which priest should I seek. Jesus tells me:*) The chosen one will come to you; do not despair. Pray as you do; meditate more; trust as always, and plead much for your country. It will be safe when those who govern her bend their knee before He who is over them. As My apostles, you will witness cures and signs; do not be incredulous... Peace... Love... Spiritual Communion with the Father, the Son and the Spirit of God.

### BE SIMPLE

**SM-13**

29-Jan-94  
11:45 a.m.

The Blessed Mother

1) (*We went to pray at the chapel of the Corazonistas [the Church of the Heart of Mary] and I heard:*) “My daughter, search My gaze and then tell them how much I love them. Wisdom comes from simplicity and My Son consoles the simple and loving hearts, who know how to give of themselves without reserving anything for themselves. Sanctify the name of My Son, always in every moment. Pray with the heart, calmly thinking about what you say. Do not be childish.

### ... AND WITH YOUR SPIRIT

**SM-14**

29-Jan-94  
7:00 p.m.

Jesus

1) (*During the Holy Mass*)

2) (*He explains:*) When the priest says “The Lord be with you”, all of you will put your left hand over your heart and with the right hand pointing toward him, will respond “AND WITH

YOUR SPIRIT". Every time that you shall do this, I will guide you. In this way, the Spirit of God will unite to the celebrant in the unity of the Holy Spirit and all of you will transmit the force of My Light which will go towards his heart.

2-Feb-94

5:30 p.m.

### PRAYER

*3) (After many years I really received Holy Communion for the first time, just as the Body of our Lord should be received. I pray:*

*4) "Lord, receive me with pardon, because it is the most important Communion of my life. Permit, my God, that my soul be like the Sacred womb of Your Mother, a place in which you can inhabit and feel the love of this small daughter of yours, who only desires to grow in her spiritual life so as to never hurt you again. Help me!... this is the first step of all the long path that is left and which I so wish to follow in search of finding your incomparable and blessed love. My God, accept these minutes of humility and infinite joy while I receive you so that when my bad character and my intolerance assaults me, you may lower my head, as I do now, with the most profound love. Thank you Lord... bless my brothers and specially the Father. Do not let go of my hand, my Jesus. I am like a child that is learning to walk. I love you...!"*

*5) Some time passes, maybe two or three hours) [until the next message].*

### YOUR RETURN MAKES MY HEART SMILE

SM-15

2-Feb-94

Jesus

2 or 3 hours later

*1) Little daughter: today a choir of angels has received My two little daughters, who are full of faith, love and grace... If all*

should draw near to receive Me in this way, how good it would be for Me!

2) Your return makes My Heart smile. It is like the balsam on a wound. Like your spouse, I have received you both with open arms, and a piece of Heaven has opened to receive the Prodigal Son. Two white doves arrived at the foot of their God with the soul purer than ever.

3) Pray much; do not tire of speaking. Did I get tired of calling you? A soul is worth more than all of the beauty of creation, because it is part of Me... Pray much and help all those whom you can... I too, love you. So much more since I have elected you so that while you humble yourself, you exalt yourself and My glory will be greater.

## CONVERSION

**SM-16**

2-Feb-94  
The Same Night

The Blessed Mother

1) My little daughter, you can tell NN that they have a very special place in the midst of the saints, near My Son and next to My Immaculate Heart. They have been engraved with the fire of love, at the foot of the Sacred Altar. Tell them that they have known how to immolate themselves, while being guides and lovers of sinners, the poor, the sick and the needy. The abundance of My grace descends toward their souls.

2) Once again unite together in two hours of prayer... afterward talk together... and confide in each other.

3) After all you have seen and heard, you ask for a message?... My poor children, can you not assimilate that I accompany you and manifest Myself in each Rosary; you are earning a caress from Me with each Hail Mary.

4) If you only knew what lays before your gates. Do not be anxious; more signs are coming... Only God knows the day and the hour... Wait for the Shepherd. Water and food, you already have... candles, crucifixes on the door frames at the entrance of your homes, wind up clocks, lamps with blessed oil at the foot of the Cross, Holy Water... Daily consecrations, small or large sacrifices, but made from the heart. I give you My blessing; I am not separate from you. Read page 298 from the book of My Messages [*refers to the book of Fr. Stefano Gobbi*].

5) Wolves dressed as sheep are in all the prayer groups, because the enemy is desperate at seeing his end coming soon...

6) One of you grief-stricken? Seek comfort among yourselves through Communion, which is living water that penetrates your aching hearts with that sweet anguish that My Son marks His new Apostles. Before the eyes of others, be as crystal-clear droplets of rain gilded by the sun of My most Loving Heart.

7) When you become angry with your children and spur them on with two-face expressions... you do not think of Me. Do you think that I would have spoken to My Son in such a way?... Start by being daughters and know how to be mothers in the love and blessing that Jesus gave you. Offer Me your patience next week, and likewise, each time you get together. Make an offering each week. How much you will grow with that small weekly intention! All of you, close your eyes and feel My maternal embrace...

## ALL OF YOU ARE COMPLETELY MINE

SM-17

4-Feb-94  
8:00 p.m.

Jesus

1) All the minutes of your lives belong to Me and should be sanctified.

2) May the sick live in the love and the hope of My help. I Myself am your nourishment, the food of the sick and the needy.

3) They suffer and I suffer in them. Thank you for your generosity. Help each other in whatever you can. Since in the measure that you give love, I will multiply a hundredfold My love and My blessings to each one of you.

4) You will see healings in the midst of your sufferings. Offer Me everything through My beloved Mother, your soul and body, your mind and endeavors, and it will be given... Everything has its time; look for it in the Sacred Book... No one will be lost if they come to Me.

5) Just as the willow kisses the bank of the river, My wounds are gently kissed by your prayers.

6) You should read them what you write, because it is not your intelligence which speaks but rather My voice through you.

7) (*I ask, "why me, my Lord...?"*)

8) You ask Me, why?... once more I repeat, I came to save sinners.

9) What merit would it have, if in these times, a virtuous person should speak for Me? It is as if a rich man would offer a plate of soup... nothing new. But that same plate in the hands of a beggar, would be a miracle of love worthy of thanks.

<sup>10)</sup> I am very sad, little daughter; do not read again those papers that unintentionally can take hold of and torture your minds. That is its underlying purpose (in reference to certain satanic leaflets distributed in the streets)...

<sup>11)</sup> *(I love you, my Lord...)*

<sup>12)</sup> Love Me more, always and painfully more.

## THE ENEMY

**SM-18**

4-Feb-94

The Blessed Mother

<sup>1)</sup> Go and order small crucifixes for all the members of your families. Have them blessed and light candles. My little daughter, I only want to protect you from the enemy. Unintentionally you are pleasing him; those papers should not enter your homes... When you mention him, only say "the enemy".

<sup>2)</sup> *(On the day when my beloved daughter had them in her hands, she cut her finger.)*

<sup>3)</sup> Do you not know how to see the signs?

<sup>4)</sup> The commemoration of My appearance in Lourdes draws near... Offer your Communion for all those who cannot or do not want to take Communion. Humility and patience console My Son, offsetting the burden of the proud and impatient. How much love [is needed], children! Protect yourselves. I keep you under My protection. Give thanks to My Son for so many graces that He allows to be poured over you.

Note: Paragraphs 4 & 5 above were nearly the same as SM-22 Paragraphs 1-2 & 4 in the original Spanish text and may have been inadvertently transcribed and duplicated during the publication process.

## I PROTECT YOU

SM-19

6-Feb-94  
12:00 a.m.

Jesus

1) Go forth more calmly; do not become nervous. Do you not see, that is what the enemy wants? Confusion, nerves, to terrorize you in this manner... I protect you and the angels will not allow any harm.

2) You knew the way would be hard and you accepted it. Cover yourself with love and strength. My truthfulness and that of My Mother are one with yours. Time will tell.

3) Tell the person who had a mental question that: St. Thomas received an answer which tormented his spirit for the rest of his days. That person should pray intensely and ardently.

4) *(Who is it, Lord?)*

5) Tell it only to the [whole] group... what are you afraid of? ... Is it that perhaps the sower does not recognize the moment that the harvest is ready?

6) The wise will understand what is the human language and what is divine... The example of your life, of your love to others, will be the best language... Do not suffer, little daughter... Do you think that something or someone could hurt you under My protection?

### **The day of the blessing of the Statue of Christ of the Concordance:**

Note: the very large mountaintop statue overlooking the City of Cochabamba, Bolivia

8) Thank them for the blessing of the statue... My Mother and I, together with the soul of who conceive it, will be with you. Do

not fear; I will not allow that a place consecrated to Me, be desecrated.

<sup>9)</sup> Iniquities were already done in that place, but once consecrated, I will not permit it.

### PRAISE AND PRAY TO THE FATHER

SM-20

7-Feb-94  
10:50 p.m.

The Blessed Mother

<sup>1)</sup> Little daughter, set aside for a moment your activities, so that you can speak with your Mother. How much you have suffered without reason...! Do you not see that if out of 12 people, one believes, this is already a triumph won over the enemy...?

<sup>2)</sup> You accomplished [what you were supposed to do], you advised them as to what to do, your things are to be prepared and you are to stop insisting. Meanwhile be patient this week. Let each one make their own decisions.

<sup>3)</sup> Doubts there are and you will have them always. Do not other children doubt Me?

<sup>4)</sup> There will come a day very soon in which all of you will be witnesses to something out of the ordinary... Then the light will become entirely transparent and translucent, and only then will all of you speak the same language.

<sup>5)</sup> You ask: the salt? Well, it is a way of Biblical purification. On Friday, take salt and while praying throw it all around the monument [the hilltop statue of Christ].

<sup>6)</sup> *[Thinking on that which is said about those who are converted last:]* I know, little daughter, what they say of you, not only are you a fanatic, but they will also say that you are crazy... My

Son was also slandered as the King of the insane and He forgave them. How much more should you forgive?

7) Do not miss Mass again, if you know that you will find Us there. Then, in planning your day, is it more important having your house all in order or your soul strong and courageous?

8) If all of you do much for Me, as you did today, imagine how much more I shall do for you.

9) The same supreme power as that of My Son has been given to Me, although in a different way. When He wishes to do something, He does it. I, when I want to do something, I ask Him. And He, who was the best Son in the world, in Heaven has the same authority; He denies Me nothing.

10) Your sorrow is the sentiment of powerlessness against the absurdity of the trivial, of not having the gift of wisdom of the word, so as to be able to argue that which only faith can answer. Thank you, My daughter, for suffering with Me the offenses which are propagated against the Faith, charity, virtues and the church consecrated by My Son to Me... Soon, very soon, your expression, a word of yours, your life example will be sufficient to bring them near My loving Heart. Praise and pray to the Father. Ask the Holy Spirit for light and give your love to Jesus. These are three of the best meritorious practices which the most learned of men on earth would like to possess. He will only see the light. He is already seeing the light which is starting to dazzle him.

11) Remember your conversion... That dilemma of soul, mind and body, was it not a sublime torture in order to arrive at the lightning flash of the ray which tore apart your darkness?... Wish fervently for others to have that instant.

# I FORGIVE THE FOOLISHNESS OF MY CHILDREN WHO PLAY AT BEING GODS

SM-21

8-Feb-94  
5:30 p.m.

Jesus

<sup>1)</sup> I am much more than the cells that make up your body because I sustain it. I am the physical energy, human and Divine: VITAL, I hold with My love, that matter which you call body and that has life because I give it to each cell and to each organ that the cells make up. I who am that at each moment the one I AM, in each hour I am denied, insulted, ridiculed and unappreciated... I forgive... I even forgive the foolishness of My children who play at being gods and do not know how little is left before we see each other face to face... Why would you not forgive?

<sup>2)</sup> The man who gives to the birds something to eat, in truth gives something to the Father to eat... because all that exists is a visible manifestation of the invisible Father... I came to teach you that you are one with Me as I am with the Father. Why do you not learn to be one with your children and with those who are abandoned?

## PRAYER

10-Feb-94  
10:05 a.m.

Jesus

<sup>3)</sup> *(During a visit to the Most Holy Lord.)*

<sup>4)</sup> *(Prayer dictated by Jesus for the blessing of the [statue of] Christ of the Concordia in Cochabamba:)*

<sup>5)</sup> The Spirit of God the Father, who becomes incarnate by the Holy Spirit descending to the Son and filling Him with Glory,

be praised in this statue, the one who in His loving hands will protect these people. So that through it will be born many vocations, conversions, and blessings in pursuit of the plan of the most blessed Virgin.

6) May this work, inspired by God, conceived and executed by men, serve to glorify the Holy Trinity in the Lamb who immolated His life for the salvation of the world. May the precious Blood of Christ protect this place, from this day forward blessed, so that no malignant spirit may come near.

7) Let us pray that God, who is Father, Son and Holy Spirit, bless and protect this place, from which will come the conversion of the continent.

## HUMILITY AND PATIENCE

**SM-22**

10-Feb-94

The Blessed Mother

1) The commemoration of My appearance in Lourdes draws near... Offer your communion for all those who cannot receive Holy Communion and who desire it.

2) Humility and patience console My Son, offsetting the burden of the proud and impatient. How much love [is needed], children! Protect yourselves. I have you under My care.

3) In the following days, there will be other signs, soon...

4) Give thanks to My Son, for so much grace that He allows to be poured over you...

5) Pray over the congress (*of the Divine Mercy*).

6) (*I ask: "who, Mother"?*)

7) My favored sons. None can do it with more graces than they. Peace permits that you love each other and offer that love to My Son.

8) Read pg 685 of the book of My Message (*Fr. Gobbi*) and Psalm 105. Smile while you say goodbye to Me.

Note: Paragraphs 1-2 & 4 above were nearly the same as SM-18 Paragraphs 4 & 5 in the original Spanish text and may have been inadvertently transcribed and duplicated during the publication process..

### I AM HERE

**SM-23**

11-Feb-94  
4:20 p.m.

The Blessed Mother

<sup>1)</sup> (*During the Chaplet of the Divine Mercy:*)

<sup>2)</sup> Is it by chance, My children, that only on Good Friday you should join in My Solitude? Wherever you may find yourselves next Monday or Tuesday, you may accompany Me with the three Rosaries, for the Lord's pardon of those who only consider the hustle and bustle and sin without seeing the opprobrium that they cause My Son.

<sup>3)</sup> Talk with XX. I bless you. I am here present today praying with you.

### I CRADLE YOU ON MY LAP

**SM-24**

12-Feb-94  
10:15 p.m.

Jesus

<sup>1)</sup> Even if you should try to avoid the circle of My love, with an inescapable pursuit I would block you, because I want to make you visible transparencies of My Being.

<sup>2)</sup> I cradle you on My lap, so that you will always believe, even though you deny everything, even though everything should incite you to rebel.

<sup>3)</sup> I will encourage you when relapses come. Then, just abandon yourselves to Me. Feel the gentle warmth of My

Mothers mantle that caresses you with its breeze and its scent. Unite yourselves; aware that is the first step in which to you should take in order to follow My way. Cleanse your hearts of all sin, of all impurity, egoism, envy... In that moment I will arrive and, though you do not see Me, set free your arms and feel My spirit which will do no more than fill you with strength, life, love and confidence.

4) If ten times you fall, ten thousand times will We be near you in this way.

5) Then seated or reclined, comfortable, begin your prayers or simply a dialogue with Me. Tell Me in detail whatever makes you sad or tortures you... with the Rosary in your hands, even though your minds are blank, I will enter the depths of your hearts. You will feel My presence through the love that will be penetrating you... Try to experience this for the first time together as a group. Later it will be easier. After gratitude and praise, it is the abandonment that consoles your Father the most.

### OFFER THE ROSARY

**SM-25**

12-Feb-94  
(Carnival) 9:00 p.m.

The Blessed  
Mother

1) *(During the Rosary:)*

2) Tell N & N, how much My heart appreciates this small sacrifice of staying to pray with you. We are praying together.

3) Offer a Rosary today for the forgiveness of the continent, especially Brazil, the USA. Very soon they will suffer a great punishment... Pray to My Son pleading with Him for all those people who today offend My purity.

4) (All of you read pg. 430, "I Am the Mother of Consolation", year 1982, book of Fr. Gobbi.)

**That same night, much later:**

5) Console NN and pray much for her. She is purifying herself because I have chosen her. Send her help soon... You know that when I choose a soul, the enemy tries to interfere so that the soul may be lost... She will take conversion to her family and peace will enter into their homes. Let matters which are Mine, take their course.

### THE TIME OF THE HARVEST DRAWS NEAR: FAST - ABSTAIN

**SM-26**

16-Feb-94  
11:15 p.m.

Jesus

- 1) You have started your fasting, My daughter.
- 2) How sweet these days have been for My lips, which have kissed your forehead while you rested, as sweet as the early honey, as the mature fig.
- 3) You cannot understand how much consolation I have felt amidst so much bitterness that I receive from My other children, no less loved and no less awaited. How much simplicity and at the same time, how much grandeur from each one of your prayers there was, because they rose with the heart through the lips.
- 4) And these days of lust and unrestraint you have sacrificed in order to accompany us a few hours.
- 5) My little ones, because you are good children, this your Lord and God, as you call Me in the Eucharist, thanks you with the humility of a human being... Even if only half of the Christians would have accompanied you, the other half would have been saved.

6) The time of the harvest draws near... But do not fear. I will be your defense at the birth of the dawn and at the arrival of sunset.

7) Keep Me company this Lent, because it will be marked by fire and blood of the Lamb... When with the Father and My Holy Mother at the summit of the hill and at the feet of that image that took on life, we witness that all have received the gifts of My Spirit, which you will discover as you continue to pray.

8) Discuss this with NN. I could never say that My death was in vain... if to save one soul I should have had to suffer all that torment, My death was justified. Take My example and you will save souls!

9) Further hardships... Children, I love you; for love My Father delivered Me to the world... Each sorrow of yours saves many souls; offer them for My sorrows.

10) Gather again; reread the messages and do what they tell you.

11) A new earthquake, more signs... prepare your things; talk with your children.

12) Prepare the great feast, taking care of all the details...

13) Read Revelations concerning the New Jerusalem. You saw something in the dream.

14) All of you must meditate; how are you so astute to think of other things? Tell NN that his love is My love, that he may look to tomorrow. Yesterday was forgotten on the day he came closer to Me... I take care of you. Do not neglect your health.

15) Let us start this new passion which is much more sorrowful given that perhaps it will not be revived.

16) The young girls should participate in this... these [meditations] are so important for the youth. Some will call others. Prudence, obedience and patience...

## **BEING THE AXIS OF THE UNIVERSE, I MARGINALIZED MYSELF**

**SM-27**

**18-Feb-94  
3:30 p.m.**

**Jesus**

1) *(Thinking with sorrow of the children, He tells me that much of that is due to a friendship badly understood with them because we tolerate and acknowledge everything, but we do not educate their spirit.)*

2) If one day you loved Me amidst the light with which I transfigured your life, today love Me under the protection of the shadow of My Cross.

3) Experience the profoundness of things and, in that continuous effort, live to unite humans to the silence of My mystery. Talk to them about Me; explain to them that from the stellar heights of the Divinity, I came down to touch the bottom. Being the axis of the Universe, I made Myself peripheral, marginalized, imprisoned by them, for them because of all of you...

### **WHEN RECEIVING COMMUNION:**

4) **At the moment of going to receive Communion, you will repeat, "My Mother, help me to receive Communion as Jesus desires" ...** The invoking of My Mother is the entrance door to Paradise; the same as each pulse in your veins is sign of life.

### **THE ROSARY:**

5) Each decade of the Holy Rosary that you repeat, the angels gather and place as an offering at the feet of My Holy Mother...

6) Ask for the grace of keeping serene when others insult, scorn, abandon or ridicule you.

7) *(I express: I do not care Lord.)*

8) I know that it does not matter to you and I appreciate it because you unite yourself with Me...

9) I know that you are tired... Imagine how more tired I am. You try to draw two souls close to Me. I yearn for millions of souls for whom I have given My Body and Blood. I have given much of My Divinity in order to become Man and suffer as such, the unimaginable.

10) *(Lord, allow me to rest my head on your chest a few minutes.)*

11) You could not bear to feel the pain that comes forth from it. My love and My bitterness would burn you.

12) *(What can we do to console you, My God?)*

### **PRAY THE CREED:**

13) During all this Lent, receive Communion. If it is possible, every day gather together in church and after Communion, pray three Creeds:

- **For sinners, who resist converting;**
- **For the Christian Churches, for their unity;**
- **For the souls in Purgatory.**

14) You have lost much time so that other sons and daughters can unite with you in these Communions and prayers.

### **EXPOSITION OF THE EUCHARIST:**

15) **You will talk with the Bishop: one day a week My Eucharist should be exposed in each church. Thus in this way My children can visit Me in different places.**

16) Why are you all, so hard-headed and hard-hearted?... Satan... does he not aide himself with hours of TV? The exposition of My Body takes away his power over the world...

### SEARCH FOR THE ANSWER IN MY LOVING HEART

SM-28

18-Feb-94  
6:30 p.m.

The Blessed Mother

1) Search for the answer in My loving Heart. Here you will not suffer sorrows or disappointments. The enemy is in the habit of fighting My loving heart in the souls nearest and most dear to all of you, so as to drive them to discouragement and to dampen their apostolic fire. Do not give him the pleasure! **I want you to silently have expressions of charity and help whoever finds himself in some type of need.**

2) I place Myself next to you to help you... your guardian Angel also accompanies you. Do not become discouraged; pray... You are losing your motivation with the interference of the time, fear and fatigue that you have... And that hurts Me because I do not want to see you far away from My Heart and even less from My Son...

3) Organize your time; delegate responsibilities; rest more and go to the doctor...

4) It is enough that you say to Me a few words with your mind and heart. But when you have a few extra minutes, come closer to Jesus... He loves you and He needs you much more than I...

5) Tell My beloved son (*she speaks of a priest*) that I am with him always. All of you, do not leave him alone.

6) You may take Me (*referring to the image of the Queen of Peace*) to the chapel of the Home (*of elderly persons*) of the Good Shepherd...

7) (*Perpetual Help?, I ask.*)

8) Yes, I wish that My image should be there for two days with My elderly children.... **Help that Home; take them something of the little that you have; share with those children who suffer much poverty.**

## LEAVE YOUR HEALTH IN MY HANDS

**SM-29**

21-Feb-94  
6:30 p.m.

Jesus

1) Now we are alone... Leave your health in My hands... in this heart that is an incandescent oven of love, so that it penetrates through each fiber of your life.

### **BLESS YOUR FOOD:**

2) You must pray at meal times. Thank the Father for the food that you will receive. It does not matter that they will not repeat it... the drop of water carves the rock and without noticing it; one day they will do it. Should God not be the strength, bread, lamp and the master beam in your homes?

### **MAKE A DESERT (EXPERIENCE) OF PRAYER:**

3) You should select in advance a day during Lent to go live a desert experience in the countryside.

4) (*Could it be XX? - I mention a certain place.*)

5) It could, but it is preferable that all of you be apart, dispersed, so as to be in complete solitude. In the last hour you will gather together to pray.

6) You will each take something frugal to eat, since this desert experience should have a penitential character. It could be fruits and much liquid; all of you will know... But that desert

experience is necessary, since those intense hours will be dedicated to prayer in silence, solitude and penance.

7) All of you will take notebooks to write down what your hearts indicate. You will have moments of rest, of not doing anything, only to rest and relax.

8) Later you will read, think, meditate... You will dialogue with Me.

9) Prepare yourselves by reading:

Exodus Chap. 19	1 Kings 19: 3-15
Luke 3: 23	Matthew 14: 13
Sirach 2: 1-7	Hosea 2: 16, 25
John 6: 15	John 20: 17
Mark 10: 17	Galatians 2: 20
Exodus 33: 7-23	
Psalms: 16; 25; 36; 42; 51; 56; 88; 90; 96; 104; 118; 119; 139; 143	

10) Hidden amid the greenery, under the sun while it shines tenuously, I will be walking among you. You will feel so deeply My presence that it will hurt you... It is time to break the chains, for the dawn of liberation is arriving.

11) I will transform you into luminous words, capable of igniting the world... I will change you into arrows of fire which are capable of piercing through the hardest ice... I will make you irradiate radiate love...!

### **MEET IN SIX HOURS:**

12) You will come in the morning before sunrise and you will meet together six hours later to pray in community.

## **PRAY THE 15 MYSTERIES OF THE HOLY ROSARY:**

<sup>13)</sup> There you will pray the 15 Mysteries of the Holy Rosary, meditating on My life. In the six hours, you have time to meditate, and rest, but all alone, with Me and My Mother.

<sup>14)</sup> You will try to:

- Enter into My interior, to witness and revive what I live in My relationship with My Mother and participate of that profound love.
- Revive the sentiments of admiration that I feel for the Father and repeat with Me: Holy be Thy Name.
- Revive My submission of offering by saying: **Let it not be as I desire but as You desire.**

## **HOURS OF SILENCE:**

<sup>15)</sup> These are hours of silence with the world which I ask of you. Remember that communication is more profound when nothing is said, and that silence never is as eloquent as when nothing is communicated.

<sup>16)</sup> The fruit will be your understanding that to pour yourselves out, you must be filled first.

<sup>17)</sup> You will learn from My Mother, who is identified with Me in the absolute Mystery of silence and of music, time and space. You will learn the value of Her “FIAT...”, that today, made marvelous by the grace of God, has become a precious jewel of redemption for humanity and the key that opens the doors of the eternal glory.

## HOW DO YOU WANT TO TEACH YOUR CHILDREN IF YOU DO NOT GIVE THE EXAMPLE?

SM-30

23-Feb-94  
10:10 p.m.

Jesus

1) You should speak with XX. Five days of the Eucharist have been lost because of not making decisions! When you make a request, do I close My ears or leave it for later?... You decided to accept these messages in order to guide all of you who have obeyed for a time in a very few things and then everything gets confused...

2) After those six hours, all of you will find that your hearts are cleaner, your cups ready to spill over. You will find yourselves in front of a door that will give you accesses to a more spiritual existence that although it escapes the mind of man, it is directed quickly to the heart of your Father.

3) This is the last message that you will give out to be known and only this part. Why speak to those who listen, get emotional and then turn the page? [Note: also see SM 32 ¶7-8]

4) When will you learn to love that which your God created in you?... Receive communion, pray, continue forward, obey and starting from this message, do not insist. Pray for everyone.

5) *(Lord, they love You.)*

6) I know; moreover, love is obedience. How do they want to teach their children if they do not give example? *(There was profound pain in that beloved appearance.)*

## PLEASE OBEY

SM-31

23-Feb-94

The Blessed Mother

1) Please obey, My children. Prepare yourselves for these hours of trial... Trust Me without discouragement.

2) At seeing you so united, so full of love for one another in a spiritual communion with Me and with My Son, fills My heart with happiness. Because this is the way I want you, like little children holding hands sharing laughter and sufferings, desperate to grow in your faith and in surrendering yourselves to Our hearts.

3) Order your actions; time is of the essence and for every 100 persons that come two days to Adoration of the Blessed Sacrament, another 1,000 souls lose their way in 10 seconds between abortions, crimes, suicides and satanic rituals. Help Us save them!

4) NN is going through hard times. Take Holy Oil to his father and pray so that the Lord will pour down His Mercy over him... Tell him to offer to exchange his pride for humility. In Our eyes, Kings and commoners end in dust, the only difference is that the dust of the poor smells as incense, as myrrh... to the poverty of Jesus [as] man, and comes to the hands of My Son-God as dust of gold.

5) *(I gave my thanks because that morning, when looking at the video of Fr. Kike, a person sitting close to me started to sob in the moment in which Fr. Kike sang the prayer of "Heal me, Lord Jesus".)*

6) *(The Blessed Mother told me:)* That son, is also Mine, before being there for all of you... I told you that before returning he would see the light... I have received his tears mixing them with Mine. Peace will lead him from now on and he will

understand that it is being near Us that he will reach his goals on earth... He already has a beautiful and full destiny, directed by My hand...

**7) All of you must baptize the children... They must be born to God with Baptism. Observe the children who are not baptized; it may seem like small bad spirits are molesting them constantly... It is the lack of the primary grace.**

8) That person who is close to you, will have a very strong encounter in the House of God... Pray for her, because that day her conversion will be absolute and will make her meditate greatly... (*Speaking of another beloved person of mine:*) She is already under My mantle and will continue to grow in faith... wait and trust.

### CONSOLE MY SUFFERING

**SM-32**

24-Feb-94

Jesus

11:15 p.m.

1) My beloved small flock, how much you have consoled My sufferings, with your prayers, loving company and small sacrifices.

2) Do not get tired if I ask you for more, since you are doing a lot of good on behalf of your families and brothers, all who live away from My word and the laws of My Father. Do not despair if apparently hard trials come; know that some are imposed to purify you and others, undoubtedly, are chicaneries from the evil one on anticipating that the dirty battle is lost with you. I am present each time that you gather. Therefore, when you direct yourselves to Me, do it knowing that I do not listen to you from Heaven, but rather that I come down from Heaven to the place where you are. Each ray of light that springs forth from Me, goes about encircling you as the string upon the

distaff [of the spinning wheel] and I take possession of each one of your beloved hearts.

3) Do not fear today's readings marked for your encounter in the "desert". Did I not tell you that I would be by your side so that we can be together during these hours? Underline the readings and allow the Spirit to take possession of your minds.

### **INVOKE THE HOLY SPIRIT:**

4) At the start of your meetings, invoke the Holy Spirit. Say the prayer of abandonment to the Father and feel My presence. Each time the messages will become clearer for you, since in My Mother's plan all of you will be supporting pieces.

### **MORE PRAYER IS NEEDED:**

5) More, much more prayer is needed. With or without the mysteries, if you are physically occupied, you may repeat ejaculations, words, thinking of the Holy Trinity or the Blessed Virgin. But may you be a constant prayer and a lasting surrender.

6) [Now referring to Catalina:] Do not worry; I will allow your generosity toward other beings. Do not let concern take away a precious time of meditation... Listen to Our Hearts that speak with yours and, full of joy, transmit the messages.

7) *(Lord, the ones from the prayer group are so sad because You said that I should not transmit Your messages for some time.)*

8) I am the time, who marks the hour. I... have seen their sadness and I, God, have felt moved by the thirst of My love... All is at peace; all is well. I am so close to you that through you they can feel Me.

9) We are one because they should know that drops of My Blood fell in the wombs of their mothers when they were

conceived. There My beloved Mother, named them and patiently formed their souls for the precise moment of drawing them near to Me.

<sup>10)</sup> *(I love you, Jesus!)*

<sup>11)</sup> Repeat this as many times as you can and love will grow in you.

## I SUFFERED POVERTY AND PERSECUTION

**SM-33**

25-Feb-94

The Blessed Mother

9:35 p.m.

<sup>1)</sup> Concentrate, daughter; why are you distracted? *(I was thinking about my friends who are absent)*. They are at prayer and you also, even though all of you are not together.

<sup>2)</sup> *Forgive me, Mother, it hurts me not to be in front of the Tabernacle.*

<sup>3)</sup> He is in your heart; only take Him out of there and into your mind and be alive in Him. *(A divine moment, thank you, Mother, thank you, Lord, and praise be Your Holy Body.)*

<sup>4)</sup> *(While praying for someone who was leaving the country:)*

<sup>5)</sup> I suffered poverty, exile and persecution. All those who entrust themselves to Me when leaving their country and under the protection of God, praising His name, are My protégée; be confident. You must depart from being like the exteriorly devout, who do not increase their virtues or as the self-interestedly devout who turn to Me to ask for worldly goods or to escape material harm, or the hypocrites who demonstrate that they honor Me because the rest do so or appear to do so, but not because they feel in their hearts a true love and appreciation.

<sup>6)</sup> Do not forget that I am the all-powerful Supplicant, by special gift of the Father. And I will always intercede and protect those who in truth love and imitate Me, those who give

themselves without reserve to My Son, just as I gave Myself to the Will of the Father.

7) You will make a schedule that may allow devoting yourself more to your family and your obligations towards your brothers. You will be less tense.

8) The message of the 25th (*of Medjugorje*) read it over and over again. Compare it to these messages... You should reread these messages... Why are they not penetrating deeply into your hearts and minds?... I said it before, when you come together, pray.

9) It is preferable that you meet early in the evening on Fridays in order to have more time and share your things if it is necessary.

10) (*Thank you Mother for the messages of this afternoon...*)

11) That is why I recommend, that you pray for each other. So that the virtues of the first ones, guide the second ones and that the love of the second ones inflame the hearts of the first ones. A day should come in which the whole group will think alike, that your minds communicate through the union with the wisdom of My Son and My infinite love.

12) I told you that you would know of something unusual. Read: "When the union begins among the Christian Churches..."

13) Pray much; this is the first step. Your prayers can accomplish a great deal. The power of prayer is so great that miracles reside therein. What parents will be able to deny anything their children request of them with love...?

14) The Rosary... not only repeat it... meditate on each word and pray the Rosary to Jesus...

## FOR THE PRIESTS

**SM-34**

28-Feb-94  
2:15 a.m.

The Blessed Mother

1) Leave the world and return to the day of your vows. Be Christ preaching the Gospel, far from comforts, pleasures and honors. Do not be proud by saying whom I should talk to and whom I should not.

2) Lead the slowpokes with humility and reparation to the Tabernacle. Make vigils in your parishes; pray, pray much in order to help Me to detain the arm of the Lord. You are in time to lessen the rigor of the chastisement. Do prayer chains to constantly raise prayers to the Father.

## OPEN YOUR HEARTS

**SM-35**

The Blessed Mother

1) Beloved children, from all over the world, open your hearts and allow Us to enter. Only in this way will a great change be produced in you that will save you.

2) I have journeyed the entire world asking for conversions and I have not been heard... My foot already treads upon the serpent's head; My heel will crush him when the world and man are purified... Know that the hour is near and if you succumb, it will be because you have wanted it so.

3) All who have dishonored their bodies, which is the dwelling place of the Holy Spirit, will see their bones burnt if they do not return to God.

4) Each father will be responsible for a part of the perdition of his children. The prayers of the family are an extraordinary reparation force. Do not be fooled: The only Messiah, will

come from Heaven with His legions of Angels after the days of anguish, to gather His elect on earth.

5) The upheavals of all kinds have started. There is pain, anguish, social problems in the countries, with earthquakes, hurricanes, epidemics and hunger. All that the chosen few prophesied is being fulfilled. Be converted, children... Help Me save all of humanity!

## THE HOUR DRAWS NEAR

**SM-36**

28-Feb-94  
2:15 a.m.

The Blessed Mother

1) The hour is near because the flock is ready to disperse. Strange signs for humanity will come to warn humanity that the measure is full.

2) So many prophets have announced it but no human being can imagine what is to come..

3) The fire will boil in the oceans and its vapors will raise foam that will flood many countries.

4) I said that it would come soon; I announced it 20 years ago and here I am leaving messages in one place and another. The day of the triumph of love draws near. How great is the battle, and greater will be the triumph.

5) Those who seek a universal country only have as their sole purpose to eliminate the Church of Jesus...

6) May your today be not one of dread, but rather of preparation for that painful crucifixion. Jesus has made springs of grace for your brothers to drink of these fountains of Living Waters... the Sacraments. Do not fail to take advantage of those fountains...

7) Love God with your heart, with your mind and with your senses. From now on pray the Rosary with your families.

8) Do not be afraid; you are under the protection of My maternal and loving heart.

9) Great things are being prepared for you that will be part of the new seed. Blessed are those who suffer for those who offend Me.

10) Pray much that you will not be confused even by your loved ones. Ask your families to go to confession.

### WHAT A BEAUTIFUL PRAYER OF PRAISE

**SM-37**

2-Mar-94

The Blessed Mother

7:20 a.m.

1) What a beautiful prayer of Praise to the Father!...

2) Good day to you and your brothers, beloved daughter... Do not torture your mind. If to each event that occurs you allow sadness to overcome you, your emotional stability will be in danger. (*I suffer because knowing what is going to happen, I can do nothing.*)

3) Pray! You do not know how much your prayers are helping. If you pray as you should and do penance, it does not matter how much... A *Hail Mary* said with your heart and all your being, has more power than ten Rosaries repeated by those who recite their prayers in a merely routine fashion.

4) Offer your Communion for the conversion of the world. Each bead of the Rosary said with love, each Communion in which you entrust to My Son the conversion of sinners, saves a soul. Do you understand why I ask you for prayers?

5) Thank you children, give them My blessings, the blessings of the Father, the Son and the Holy Spirit. Tomorrow at 5 (p.m.) wait for Me in prayer.

## LENT

**SM-38**

3-Mar-94

The Blessed Mother

1) Later on you will be with people. This message is very important; you must have it reach the greatest number of people. Say that this Lent is very special. There are 40 days in which, like My Son in the Desert, humanity is being tempted by thousands of malicious spirits at their head is the evil one. Because of this, I implore all My children that they give themselves totally to Our Hearts in order to be able to protect themselves.

### FASTING:

2) In the pure Eucharist, you will find the light to pray for humanity. In fasting you will have the nourishment to strengthen your faith and in Confession, the pardon of your faults. Something which could seem a triviality, maybe, could condemn you. Please do not commit sacrileges while receiving Communion without making a Confession, of [one's] life at least once, and then [confessing] periodically.

3) There is no time to loose, understand that your eternal life is at stake. Please, change your life; ask the Spirit of God that He illuminate your understanding.

4) Ask the Father that He pardon you as you forgive your enemies from your hearts. Ask Jesus that He ignite your hearts with flames of love. Do not permit that you become frigid because you refuse to open your door to the Good Shepherd.

Jesus is before you, in the doorway of your souls. Will you be capable of not receiving Him?

### **THREE CREEDS:**

<sup>5)</sup> My children, pray for all humanity. Pray three [Apostle] Creeds together with your family. (*She asked this before: One for the conversion of the world, another for the union of the Christian Churches and the other for the souls of Purgatory.*) The families who pray these three Creeds will obtain the protection of Divine Mercy at the hour of their death.

### **VISIT THE SICK:**

<sup>6)</sup> Go to the hospitals and have all those who are dying pray three Creeds and one Hail Mary. If they refuse, put a scapular, a medal or a Rosary on them. Do not delay, My children. Help Me in this battle of light and darkness.

<sup>7)</sup> Ask the Father that He accelerate the coming of the Son to shorten the time of purification. Fill yourselves with the three gifts that are necessary for a child of God: Faith, Hope and Charity.

## **I POUR OUT MY SPIRIT**

**SM-39**

**3-Mar-94**

**Jesus**

<sup>1)</sup> My daughter, love of My sorrows, a piercing wound goes through this Heart to bathe you in its light. How much love is in your gaze, in your visit, in your surrender. You have consoled Me so much that today I desire to console you... Every child of the light will receive the Spirit of living truth with love in their heart. Do you realize that I am not going to leave your loved ones without help, without guidance and in desolation?

2) Even though My Gospel never leaves without peace in the believing soul, it will only be one with Me when it proves to be desirous of doing the will of the Father with all of its heart.

3) Remember that the path of eternal life is an incessant progression in grace, truth and glory.

4) I have designed your lives, one by one, so that it will serve as preparation for the truth that is to come. I pour out My Spirit over all flesh, [yet] not all see themselves clean, illuminated. But you, those who receive It, will see that this Spirit transforms in each one of you into a pool of water, springing toward eternal life. Grow; do not allow your hearts to be troubled by the incredulity of others.

5) Talk with them; My Spirit will illuminate you. Moreover, when you see that they attack you, be silent; pray silently and separate yourselves from those who doubt. You will see how few believed in Me and we will be even more united. The more that they attack you, the closer you come to My Heart. Submerge yourself in it as I submerge Myself in the Father.

#### COMMUNION:

6) **Do you know what a communion is? Compare it to a small bird that takes shelter under the maternal wing. In this way, I enter you through the Eucharist, but at the moment in which I feel your love, the transfiguration arrives, and if any eye could see, it would observe that small creature grow until it is surrounded by light and is pressed into My heart in which it turned into a white dove, tender and pleading for protection and nourishment... If you would understand it this way, you would not stop receiving Me, even for a single day.**

7) What I tell you is for everyone. I love all of you the same... Prepare yourselves and continue to pray together, little fish in

this pool of pure water. Your love comforts My Spirit and it exalts in all that your eyes contemplate, in what your sense perceive.

<sup>8)</sup> Love My Mother, who is the jewel case in which is found all the treasures of virtue and hope. Holding on to Her hand, you will cross the bridge of the abyss, which the enemy has prepared for humanity. It is She [who is] the Ark of Salvation in the terrible moment which precedes the purification. I will be with you soon; purify yourselves each day. How I love your purity... Put oil on NN, recalling My wounds.

<sup>9)</sup> The light remains with you and with your brothers, hope.

### I AM LOVE INCARNATE

**SM-40**

4-Mar-94  
9:10 p.m.

Jesus

<sup>1)</sup> *(Before the Most Holy Tabernacle:)*

<sup>2)</sup> You will say that I am Love Incarnate inside the box of wood (*He indicates the Tabernacle*) and that, when your bones are also in a coffin of wood, your souls will be in Me because you will be part of Myself as I am of the Father.

<sup>3)</sup> Even though the Gospel of the Kingdom of My Father brings great peace to the soul of the believer, it will not bring peace to the world as long as mankind does not feel the thirst to believe in My teachings with all of their hearts, accepting the Will of the Father as their principal purpose of life.

<sup>4)</sup> I give to each one of you much more than you are capable of receiving.

<sup>5)</sup> Thank you for surrendering yourselves, beloved children, tender buds of nards that begin to flower for the garden of eternity.

## I DESIRE TO VISIT THE HOUSE OF MY ELDERLY CHILDREN

SM-41

5-Mar-94  
5:10 p.m.

The Blessed  
Mother

<sup>1)</sup> Dear little daughter, My request of taking the image here (to the home for the elderly) has seemed strange to you. It is a place that has material and spiritual difficulties...

<sup>2)</sup> From the point of view of the nuns, I wish that My presence, in those familiar surroundings, will make them understand that they must receive each hour of their apostleship with love and respect for life. They will understand when they realize how many abundant tears have been shed by all of you, before that image.

<sup>3)</sup> On the other hand, I want to raise the sense of hope in the elderly. I will lovingly contemplate each defenseless individual in this nursing a home who hungers for affection...

<sup>4)</sup> Do not doubt I was daughter of an almost elderly, holy woman... How should I not pour abundant graces over these helpless creatures, who not only suffer nutritional privations, but also lack the basic needs for any human being? Love... I ask of you, when you have a choice between a shelter for children and a home for the elderly, take My image to the elderly. And if you have to choose between a large parish and a humble one, have no doubt that it would please Me more to be with the humble...

<sup>5)</sup> On Monday you will see with what love they receive the Mother of the marginalized. I must soften and ignite hearts; they do Me so much good... They love Me so much that they can see with eyes of the soul when I am pleased...

<sup>6)</sup> Today I want to ask all of you for something special: that you participate with your families, in a Mass during a holiday. It can

be in the church dedicated to My Image of the Assumption or in My Chapel (*She expresses Her preference*) with your husbands, children, grandchildren, parents, and siblings. I will reveal to all of you something very important for the conversion of your loved ones... You can prepare for it in advance... Sunday the 13th, does it not seem a nice date to you as some social event?... Have you not been skillful in inventing something, when you wished to be with your friends?

7) It is a small game among us. Think of something nice. Something will come to mind to NN. Amidst so much pain, is it not good to have a bit of intimacy?... My daughter likes them (*She talks of the one who receives the messages*). I too wish to please her... Her love is so sweet!

8) You will suffer grief for a friend who does not believe completely. Entrust her to the Lord that she get better.

### LITTLE CHILDREN ,YOU ARE GROWING

**SM-42**

**6-Mar-94**

**The Blessed Mother**

1) (*Dearest Mother, I feel that you are happy.*)

2) I am happy!

3) How can I not be, if you have taken Me to a place where I wanted to go and once again, you have obeyed?

4) Little children, you are growing in obedience, faith, charity and love. Now I will reveal something to you. You are not only twelve, as were the Apostles... also as the twelve stars that surround My head... the crown of My royalty. Read pages 870, 388 and 288... these are for all of you – this way you will not grow tired by writing (*the citations corresponding to Father Gobbi's book*).

5) I cradle you in My arms, beneath My mantle, where you flutter around as swallows. How much rest I find among you; how I like to see you gather together!

6) Soon they will call you; you must prepare yourself. May all of you be in prayer on the day that you are called. I will take you by the hand!

## PRAY MUCH

**SM-43**

7-Mar-94  
11:10 a.m.

The Blessed  
Mother

1) You have no idea how important is this “Conference of the Divine Mercy” because only this miraculous Mercy will be able to say the world, which is so gravely sick today.

2) That is why I, so zealously take My request to earth. In all of you, I have found sincere love and generous response in persevering prayer.

3) In each home where My image is venerated, My maternal presence is manifested. Some receive it, feel it, and others do not. But My heart over flows with joy at seeing them together in fraternal union of love and Christian life.

4) Do not suffer for NN, I have told you. Near Us is where he will find what he seeks... He will see the light. He is already seeing it subconsciously but he does not want to admit it... what he has not attained being far from the Church, he is getting in giant steps by means of your prayers. There is a terrible fight between his guardian angel and the enemy who tries to turn aside his path. Do not insist when you see that he resists. Talk with him. What heart resists a plea to be loved? With great humility ask that he begin each morning with the Our Father, a

Hail Mary and a prayer to his guardian angel... Wait for the fruits...

5) Please thank My daughters because they have saved in a few short hours nine souls. *(They had gone to the hospitals to help the dying pray and found after the message that there had been nine who were worse off.)*

6) Pray much, I protect you, I will not permit that you have problems.

### LIVE MY WILL

**SM-44**

9-Mar-94

Jesus

9:20 p.m.

1) You will save this message till Friday... My longing to save you is the baptism of blood which washes you, Blood shed from My passion and death, Blood which signed an alliance between the Father and yourselves.

2) Poor little daughter, I use you as spokesperson of My Love and My Mercy, so that you can take to your brothers and sisters the confidence of the Father in His small children. All the things which I have manifested to you, will become as a dawn for all of you and will be as if returning light to a person who lost his vision... In this way I have been preparing you, through years of patient witnessing in pain, so that the brightness of this light will not disturb you, which I know that today this is more necessary for you than life itself.

3) In as far as your brothers and sisters, the first thing that they felt was love, which is the element that transforms one's nature to culminate in good. Today they are in the second stage, which is the yearning to know My Will. Later they will arrive at the culminating moment of accepting the Divine Will

within them. The moment that they reach the holiness of Living in My Will, they will be living Hosts, Temples of love, paradigms of Charity, of Freedom in their God and for their God.

4) To understand this, they must look from their conscience, which is superior to their minds and their senses, in not finding itself conditioned but with the truth of love, the abandonment and the unconditional acceptance of the Will of their Father.

5) They have received a message in which it is indicated how they should practice this principal of corporal and mental abandonment, so as to feel the presence of the most Holy Trinity... Ah, children, so closed are the eyes and ears that show them the path that will take them to the door in which you find yourself, they are unable of taking the first step!... Let them not ask! Reread, meditate and see the light!

6) There is no time to lose; come to Me whole heartedly... Easter draws near and it will be full of light. But the Passion must come first and surely must find you prepared because another persons' suffering will be so great and intense that it will hurt your hearts, your cheeks will be marked with furrows and your eyelids will bleed.

7) Everything is urgent; that is why I want to prepare all of you, to protect you under the mantle of My beloved Mother.

8) (*I asked, "What shall mine, say"?*)

9) Love Me more, much more in each instant and the secret that we have, keep it quiet for now...

## CONFESS YOUR INDISCRETIONS

**SM-45**

10-Mar-94  
9:50 p.m.

Jesus

*1) (Comment: This day Our Lord made an observation about the lack of discretion with which the messages have been handled, the lack of care and attention and, moreover, the absence of commitment on the part of some. I notice that the messages are given by the Lord with a passion that I had not yet understood. This makes me suggest that they must be treated with much more respect and veneration.)*

### GOD'S LOVE

**SM-46**

13-Mar-94  
10:10 a.m.

The Blessed  
Mother

*1) (First day of the Divine Mercy Conference:)*

*2) My children, there does not exist anything that is able to resist the force of the immense and compassionate of God's love. It is by virtue of this, that each time the interventions of your beloved Mother will be more miraculous since I take into My plan each one of you who today are gathered together in this place which is dedicated to My Son and to Myself.*

*3) The Holy Spirit, which the Father and the Son will give you in abundance because of your prayers, will transform you into burning flames for God's pardon of your homes. In this manner be examples in today's society by carrying out the destiny prepared for each one. I plead with you that you open your hearts and you consecrate your hearts to Ours in faithful abandonment... Through the means of confession, the Eucharist, Charity and Love is how you find the way of peace.*

4) It is to you who doubt and have unbelieving hearts that I make this fervent call. As the Mother of Jesus, I have the power of promising to protect those who pray the Rosary daily, offering it to the Father for the sorrowful wounds of My Son.

5) That cluster of prayers will fill all the spiritual and material necessities that you could have today... Moreover, they [prayers] will be transported to the gate of Paradise from earthly life, taken by My hand in the company of the choirs of angels and your patron Saints.

6) The love for God and your fellowmen will go toward forming the crown of salvation by means of the rays of light of My Graces which you will pass through in order to make you agreeable to the Creator and to cure so many hurts and bleeding wounds that I see among you. Thank you for coming to this meeting of friends, of which will come many conversions. Peace be with all of you... I help bring torrents of love over you and, with the Lord's permission, I bless all of you in the name of the Father, the Son and the Spirit of God...

### MY HEART IS MERCIFUL

**SM-47**

14-Mar-94  
6:00 p.m.

The Blessed  
Mother

1) What a beautiful day we spent together!

2) My heart is merciful toward attending to the supplications that were made there and taking them to the Lord. My heart is full of gratitude because of your loving obedience and it will reward My little children. My heart is crystal clear light that has poured out abundantly over all who were present there in order to: protect them from the enemy; attract them to My Son; and enkindle them within the wounds of His hands, which are

opened to humanity and there wash their wounds caused by life.

3) My daughter, voice of My voice, do not fear. In My hands I receive your sufferings so as to have My Jesus pour out the river of His Mercy over you and through you to whom you may take His Love and His Word, even though it may seem small and simple in your mouth.

### **Reparation:**

4) Considering the rejection towards God, there is an infinite ability for reparation that begs renewal, "Father forgive them because they know not what they say, nor what they do, nor what they deny..." Unite yourself to Jesus in the Eucharist and pray for the world.

5) Wash also the feet of your loved ones, pouring balm over their wounds, taking upon yourself the weight of their sins.

6) I love you with My maternal heart for your great littleness and fragility. I lead you because it is your turn to take up the most important work among your brothers... Your strength is in weakness. With it you will win over the selfishness and indifference of many hearts.

7) Do not allow ingratitude to detain you, the lack of reciprocation to tire you, the lack of understanding to hinder you... Each day the angels of the Lord place themselves next to you to protect and comfort you... If you feel like crying, do so. Blessed are those who cry, for they will be consoled. Do you not console Me? How much more do I who leads you who are chosen by the wishes of My Son.

8) May what they say not leave a mark on you. Pretend that you are a little chicken, guarded and protected by angels who

will not allow anything to mistreat that beautiful and delicate plumage of faith that your God put over your existence.

### **Confidence:**

9) Trust in My maternal intervention when you lack strength, when you do not find the words. Think of the omnipotent pain that this, your Mother, had when She saw Her Son on the road to Calvary. And you tell Him also: I love you; I accompany you and accept the Will of the Father... Pray little daughter; pray much... singing, talking, in silence, and awake or sleeping... Early in the morning offer all your day for the conversion of one person, the salvation of one priest, for the soul in Purgatory and for the strengthening of your spirit in accordance with the Will of the Lord.

### **THE SUFFERING OF THE LORD**

**SM-48**

15-Mar-94  
4:40 p.m.

Jesus

1) I suffer your pain, little daughter; I know its nature... It is the pain that I feel, when thousands of My children, just as others, say that the signs are imagined.

2) Thousands that do not even come near to pronounce My name. Thousands that do not even greet Me once a day. Hundreds that curse Me, because of whatever banality did not go well for them. And so many others believe that what they possess comes from the marvel that they are.

3) (*"What should I tell them Lord, so that they can believe...?", I ask.*)

4) You will say: "It has been foretold of times of wars and persecutions to the Church of Christ on account of the apostasy, of the diffusion of atheism, practiced as well as in theory. If you

think you are so wise, read the prophet Isaiah and read the Book of Revelation. Decipher them; observe the signs and you decide to believe or not..." (*You should say only that.*) When the person is intelligent and/or gives themselves to the Holy Spirit for their reading, they will understand and verify the truth, that the return is near. Moreover, only the Father knows the hour and the day for the arrival of the Son of Man..."

5) I understand your sorrow, not because they may condemn themselves into eternal hell (because My Mercy, the love and intercession of My Mother and your prayers today preserve them from greater attacks from the adversary) but rather because of the place that they will have the day that you will be near us and that they reject on behalf of their youth, to that which are similar such as: pressures from you, bad priests, not enough time, bad experiences...

6) There is also the influence of the spirits of the other side, since if you should say "you should climb the highest mountain of the city and you will find a chest full of money," they would kiss your hand for giving them the information and thankfully they would run barefooted in search of the chest. And they would scratch the earth until they saw the chest appear, until their fingers bled... But having the Word of Salvation, they discard it and passing in front of the door of Glory, they do not bow their heads...

7) No one can nor should judge a man because others also could have acted badly or cheated many people. Because in truth, I tell you that if it were so, there would not be one human on earth who would merit the Mercy of the Almighty.

8) Neither is it true that many days are needed to prepare oneself for reconciliation. We know that all are pretexts but only I know the true causes that motivate them...

## **Prayer and Fasting:**

<sup>9)</sup> When you pray and make your fast, entrust them, one by one to the celestial spirits, which are luminous beings, who have through love: the well being, the purity, humility, the concurrence with the Will of the Father... In their battle they will continue to protect your family from each filthy spirit that today roams searching to please that despicable enemy of creation.

<sup>10)</sup> Ask My Mother that She protect you under Her fragrant mantle. Do not torture your mind which I need healthy and strong so that it be attentive to My voice...

<sup>11)</sup> Therefore, I desire you be with sacrifice, with surrender, with love for others... Your purity gladdens and consoles Me so much... When I contemplate souls this way, I feel as if lilies were blossoming in My Crown of Thorns.

<sup>12)</sup> Submerge yourself in My Heart. This burning wound bathes itself with light in order to receive you. You always please Me when you open your heart, full of love.

## **Ask the Holy Angels:**

<sup>13)</sup> At the start of your day of fasting, ask the angels and martyred saints that they assist you in purifying your day as you desire to do, but if you fail, do not torture yourself.

<sup>14)</sup> The day will come when it will not only be a perfect day but Holy.

<sup>15)</sup> Fortify your spirit; you will receive attacks from all of them (speaking of a specific context). Offer it up for their salvation because their fear lessens in the hours of anguish.

<sup>16)</sup> While you repeat the Sorrowful Mysteries, receive Me in your mind and in your heart, as the bleeding wound that you

see... And so, loves and pains will unite in the sweet torment of the enamored souls. If you are in love with My Greatness and Mercy, your smallness captivates Me and your abandonment is the best attraction for this your loving Christ.

## LOVE WITHOUT MERCY IS NOT LOVE

**SM-49**

18-Mar-94

5:00 p.m.

The Blessed  
Mother

<sup>1)</sup> Love that is not Mercy, is not love. Love that does not give of itself, is not love. Love that reserves for itself, is not love... My children, learn to love with the love that My Jesus gives you, with this sentiment that your Mother gives you, with sweetness and with generosity.

<sup>2)</sup> There I am in a flowered path, in front of the rosebushes, with My arms outstretched to grasp yours and take you to the dwelling place of the Lord... On this path, full of colorful butterflies, of birds chirping the most beautiful trills, accompanying the angelic choirs, amidst crystalline creeks bordered by the most beautiful flowers, your feet will run with the cherubs towards the encounter with God.

<sup>3)</sup> If you have enjoyed so much that Sunday of fellowship, imagine what awaits you in the place to which We want to take you!... What We ask of you is so little in exchange for so much that Jesus wants to give you...!

<sup>4)</sup> Please make haste in protecting your homes.

<sup>5)</sup> The darkness is not only in the obscurity that will come. The darkness is in the satanic sects, in the offenses against God, in the sacrileges that are committed in the Temples (parishes), in those who pervert minors, in those that nourish themselves from evil and from the spirit of darkness... The darkness is in

the pornography that eats the bread which many indigent beings could eat.

6) It is in the hours spent in theaters, dances and in front of the TV, without time to raise one prayer.

7) It is in alcohol, drugs and vices that always seem trivial...

8) My small image will come back to you; receive it with love. And when you once again bless it with Holy Oil, you will take it with you...

9) The diffusion of My faith is assured with all of you, and it removes strength from the enemy.

10) On the day of the Annunciation, you will understand what your true mission is. Tell My children that I love them, that I feel happy that many have recently visited My image.

11) In April, prepare a place for Me. If you receive rejection do not suffer... Three days and you will count more than one hundred souls given to My Immaculate Heart and the Mercy of Jesus.

## THE SACRED EUCHARIST: DO NOT ABANDON ME ON THE ALTARS

**SM-50**

**1-Apr-94**

**Jesus**

1) *(In a very special Chapel:)*

2) Love of My Sorrows! To each one of My children I give what is most important to each... Your most fervent wish was to see Me adored on all the altars. And you did all that was possible so that it would be so, as was in My last message... I have felt strongly your pain and your love in front of Me that night. Therefore, I wanted to give you a special gift... The dream [the gift] I covered with light from the Tabernacle which you

contemplated and there I wanted to prepare you for Thursday...

3) When I had you in front, leaning against the pillar and trying to move your head to see the celebration, My love wanted you to see the faces of those who were present the night prior to My Passion, sharing My table. The eleven and the face of My Mother were My gift to your faith. Why did you doubt, thinking that it was your sight that failed you?... Clearly I showed you the defined features of each face, exactly as they were...

4) Your new mission will be to draw a greater number of My children nearer to the table where they will receive from My hands, the bread and wine in the Sacred Eucharist. The Father wished it to be called as such where I present Myself pierced by love and tenderness, so that all of you can possess Me for an eternity, so that you receive Me with joy, hope and gratitude. As for Me, I want to enter into your dwellings, always giving the same joy, hope... Charity! Gifts in abundance.

5) For this, some must prepare to give testimony of what it represents in your life this becoming immersed, that surrendering to new “**springs**” each time when receiving My Body and Blood worthily...

6) He who receives the Bread of Life from the hands of a priest, receives it from My Hands in commemoration of Me. Therefore, in humility, in surrender!... Search for hands, faces, attitudes which call you toward reflection, toward meditation.

7) The Cross, My children, must be a sign of light and joy for you... through it I am in your spirits and the Father is in Mine.

8) After Lent do not abandon Me on the altars. We have talked about so many things, such beautiful discussions between your souls and this, your Father! How many wounds healed, Mine

as well as yours! How much love received and given in this small chapel, My sweet and small flock! There were few who were missing. Moreover I did not stop being near you while you ran about between chores and family obligations.

<sup>9)</sup> Today in a special way, I have come to your house, arm in arm with My Mother... the fragrance that you sensed (of roses) is the aroma with which My Holy Mother manifests Herself... The hug (to NN) is real, that is how She protects and loves her. Do not allow that all of you may deny a few minutes daily to Me... Wait for Me tomorrow at dusk.

### MESSAGES TO HIS PRIESTS

SM-51

2-Apr-94  
4:15 p.m.

Jesus

<sup>1)</sup> My sons, **Dignus est Agnus, qui occisus est, accipere virtutem, et divinitatem et sapientiam, et fortitudinem, et benedictionem;** Therefore it is to Me alone to whom belongs the power, the honor, the glory and the riches.

<sup>2)</sup> He who receives the bread of life (the Eucharist) from the hands of all of you, receives from My hands. Therefore take care that the bread be offered by hands clean of sin, apostasy, pride, corruption...

<sup>3)</sup> I ask you, I admonish you, I order you that you control your carelessness. Do you forget that you will have to give severe accounting for the souls that are confided in your care each day?

<sup>4)</sup> It is necessary that reflection be born of reason. Do you not realize that many of you are reducing the interior life of the souls, by your shortcomings in the way of feeding them?

5) I am in you to love, not to divide My members. Up until now My anger was less than My sorrow. Let not My love that I have for you, blind you! **Earlier I asked that expositions of the Eucharist be made! Today I remind you that you not only owe Me Holy Week.** Instruct about the places of My true presence, which should be more “respected and visited daily”.

6) Have you verified how many people have visited your parishes on Thursday? And are you so foolish to think it was because of the ornamentation... There is thirst and hunger for growing in the faith, and you ignore it because of your comfort.

7) It is true that theology is just and necessary for the Church. But if it and the faithful need you, how much more do you need Me... In the midst of materialism, do not forget to live My Word. My beloved spouse, the Church, must be Holy by the fruits of her sanctity.

8) Each soul received at its door, must be a mysteriously hidden cage wherein I hide Myself, and it is there where its delight and joy must reside at discovering Me in it.

9) Together you must be strong to combat those who hurt them. Be sufficiently humble to recognize yourselves in this message... You carry My indelible mark!

10) Remember what you learned in the seminaries, the unleashing of sins is a logical and natural consequence of the unrestraint in the most contemptible of instincts... Desecrations are being committed with the usurpations; you know what I am referring to...

11) Take what I give you; do not ask for more. What I send you, receive with confidence, for it is My Will... Be love for all, and may your ears be open doors for each mortal.

12) Do not boast of what is in your possession, because you have it today by My decision and not by rulers and tomorrow you could be missing the essentials.

13) Remove pride, arrogance, luxury, and comfortable work days of 6 hours.

14) I used to pray at night asking for light and protection... Today, in satanic rites those hours are taken advantage of against you. How blind have you become by your comforts...!

### **Vigils and Prayer Groups:**

15) Why do your vigils and prayer chains not annul the forces of evil...? With a half-hour of what would have been used for sleep, why do you not visit a hospital, taking peace to the dying?

**16) Why is the clergy, why is My Church divided in Bolivia and, moreover, in this city which should be Holy because of the quantity of religious that live here?... If you who form My Mystical Body do not live peace, how can you preach it?**

17) My sons, I have resurrected gloriously, because of and for you, who were to be the salvation of the world, carrying My Word by the example of your lives.

**18) Do not defraud Christ, your Brother, who in each altar is immolated in order to teach you the way of humility, charity, forgiveness and love.**

19) Repeat with the prophet: **Haec requies mea in secula seculorum, hic habitabo quoniam elegi eam...**

20) Be like the fishermen's net finely woven, strong enough to bear the weight which you must carry in that webbing, elaborated with love, thread by thread.

21) Peace be with you.

## I DESIRE A PURE GLANCE

SM-52

8-Apr-94  
9:35 p.m.

The Lord

*1) (At home, after the Mass:)*

2) You are, each of you, the infinite forms with which your God clothes Himself.

3) Life has forced you to leave your paternal home, your Paradise, your inner world with Me and in Me.

4) Come back to it. The doors are not closed and never were, because there was never any door.

5) Just a pure, innocent glance without any comparisons or judgments, without pressures or conditions can reflect Me.

6) Do you not wish to be My mirrors?

7) The Father who has created you to be who you are, wants you to live as who you are, because of what you are. Why do you seek Me outside of yourselves when I am inside of you? There is no one better than the Master inside of you, to teach you the wisdom and knowledge that you require.

8) In order to hear and to see inside yourselves, you must silence what is outside of you including your minds. Everything is in Me. Why do you go begging for what you already possess? Why should you seek water when you have the fountain in Me? Why do you seek direction when I am the Way?

9) Do not be astonished to see that you do not recover your health in a day. For every medicine to heal, time is needed. Simply put your faith in the graces that you have received today and then, desire lovingly to heal.

10) Flock of My sorrows, My sheep, I have heard your bleatings. Am I not the One who gave His last drop of Blood and Water to save you, who listens to you today?

### PRAYER TO THE FATHER

Saturday, 9-Apr-94  
5:20 p.m.

The Blessed  
Mother

11) *“Father, You have made a gift of Your Only Begotten Son to me today. I possess Him inside of me like a gift that You have made to me, and as He is a something good that belongs to me, I return Him to You and as a victim, I offer everything I owe to You to pay for His wounds. Oh, Father, this is my holocaust. This is my peaceful Host to obtain from You all the graces that I need for my salvation and perfection. United to this Divine Victim, I offer myself to you with it. I offer You Your love in reparation for the sins of the entire world.”*

12) *“Not only do I offer you this victim for my sake, but for the whole Church in Heaven in honor of all the Saints and Angels.”*

13) *“For the whole Church on earth, so that you will consider it appropriate to lead it by your Divine Spirit, to fill it with light, love and strength, by preserving it from all danger and temptation, and it will multiply through the human death and Divine Mercy of Jesus. Amen.”*

### I HAVE COME IN THE EUCHARIST TO FREE ALL OF YOU

**SM-53**

Saturday, 9-Apr-94

The Lord

1) *(During the Congress of Mercy:)*

2) Here I am, My children. I have come to break your chains and free you from any earthly tyranny.

3) The price for this rescue is to place you before the Holy Altar to offer you to My Father and that you may enjoy the happy freedom that comes from knowing that you are a child freed from dust, redeemed without greater cost than faith and love.

4) Cry out with the Prophet: **Redeem me, and have mercy on me.**

## TO PRIESTS AND RELIGIOUS

**SM-54**

Same date

The Lord

1) Through the intercession of My Holy Mother, you are saved, My children, and I tell you that this freedom is worthy of the greatest aspiration, since it is worth a million times more than the power of all humanity.

2) I grant it to you and I will keep it for you while you submit yourselves to the sweet yoke of the Gospel... the Church, My spouse.

3) With My chaste love, I unite this Divine Heart to all of you.

## YOU MOVE AWAY AT THE SLIGHTEST OBSTACLE

**SM-55**

The Lord

1) The love that I will give you in the Eucharist, urges you to consecrate yourselves to all the affections of My Heart.

2) Consider the infinite dignity of the One who honors you by desiring that you be His instruments.

3) Feel yourselves urged on by that love, by the wonders that I am obliged to work so as to make Myself present in that mystery.

4) You move away at the slightest obstacle when you come to Me, while I work an infinite number of miracles for the purpose

of reaching you, consoling you, and helping you, in order to lead you to the port of salvation.

5) And if now you are going to see Me upon the Altar, it is only in order for Me to stretch out My hand to you, to grant you everything you ask for. I will plunge into your weaknesses so as to raise you through My profound acts of humility, to the height of grandeur.

6) Ask like the Corinthians: **Caritas Christi urget nos** [May the Charity of Christ urge us on], and I will say to you like to the paralytic: **Dimituntur tibi peccata tua** [Your sins are forgiven you].

### RETURN TO MY MERCIFUL LOVE

**SM-56**

Sunday, 10-Apr-'94 11:20  
a.m.

The Lord

1) Praise the Most Holy Trinity, My beloved children because **Regnabit super vos hodie Salvator mundi.**

2) To you, I open My heart which is thankful for your return to My Merciful Love. I give thanks to you for having said like the Apostle: **Regi meo, honor et imperium sempiternum.**

3) (*"Why do you speak to me in Latin, Lord?" I ask.*)

4) Look at Me in the Eucharist. Are you still afraid? (*I look; I give thanks; I praise and I bless My Lord.*)

### AM I NOT ALWAYS WITH YOU?

**SM-57**

17-Apr-94  
9:25 p.m.

The Blessed  
Mother

1) My little daughter, the Lord and I understand your love, your devotion, and your effort. When are they going to understand that their parents love them so much that they

never leave them without help? My son, (referring to Fr. Kike), is correct in saying that you will begin your day with a prayer of Praise, of surrender. You will perform a short exorcism by recalling to mind your entire household and those who live in it. Do the same with every household or place that you are going to enter. (May your brothers and sisters do the same...)

2) Your fellowship is important (...) but sometimes there are states of mind and circumstances that hinder or simply reject things because they might seem unimportant, and they succeed in twisting priorities. Nevertheless, you and he are in My plans and everything will be made clear the moment the Lord gives His consent.

3) As for the Marian pilgrimage to Europe, now pay attention: you will tell your friends that they should depart calmly and confidently, since over there, in every place dedicated to Me, I will receive them with open arms (as you saw in your dream), filling them with graces that they will bring to their families and to all of you.

4) Lourdes... Lourdes... All the water they can carry, and then they will give a drop in a spoon or in a glass of water to those afflicted in mind, body and soul.

5) Do not exert pressure on your children. There is another way, another path. I will inspire you... you will spend a night in vigil at your home. It can be Saturday until three in the morning.

6) *(I make the comment: It will be beautiful to be in the presence of Your lovely statue.)*

7) Am I not always with you? I desire to go to that place because there will be healings... you will have to concentrate a great deal. On the 27th of May, I desire to be present at the

celebration of a Holy Eucharist where ALL THE ORPHAN CHILDREN OF THE CITY will be present.

### MAKE CIRCLES OF PRAYER

SM-58

Sunday, 17-Apr-94. 11:20  
p.m.

The Lord

- 1) All of you, read the book of the prophet Ezekiel: 40-43.
- 2) I wish to make something clear. In this city, chosen by Me, there are more than one hundred churches and sects which, while being Christian, are attacking the Catholic Church in addition to the Satanists, the spiritualist centers, the centers of fraud and fortune-telling... They are circles which surround Catholic churches. It is necessary to make circles of prayer.
- 3) The circle from where Divine Mercy will radiate, goes in the following direction: behind San Pedro and towards Urqupiña from East to West, and from North to South, the South protected up to Angostura, and circling Villa Loreto and México up to Quillacollo, returning through the Seminary and Casa Maurer as far as Cruce Taquiña, Santa Mónica, Santa Ana, and returning through Recoleta and Muyurina approximately, up to San Pedro again. Read the *Press* [name of a publication] again and read Ezekiel. Sometimes, My little flock, you are like little lambs.
- 4) Glorify the Father and win back one soul each day. Do not tire of evangelizing with your lives, with continuous prayer...
- 5) In every age there have been prophets, seers and chosen ones. By the will of the Most Holy Trinity, you are one chosen to carry the word of My Mother, My Word to the people of God.

6) Little one, My sweet and sorrowful love, you were so anxious and embarrassed about approaching Me... Do you believe that I would permit you to receive My body if it were not My will?...

7) Blessed be Magdalena, who loved Me as you love Me... You felt warmth because at that moment the Priest united himself to you spiritually, and between his fingers and your tongue, the energy of the Spirit unfolded, in order to give you both a gift that will unite you in the future, although not as it really should be. Approach him. Help him.

8) Go and heal in the name of Jesus Resurrected, by My Blood and My Passion.

9) *(I ask Him: "Lord, please heal sick priests." {P.M.P.S.})*

10) They were in need of a rest. There was no other way for them to be at rest.

### PRAYER

11) *"Lord, God of the universe, Eternal Father, in obedience to You, I invoke the Holy Spirit in order that, through the most precious Blood of My Lord, Jesus Christ, this sick person will be healed in body, mind and soul, by bathing him in Your light of Divine Health and by removing from him every spirit of defeat. Amen."*

Note: In the post-Imprimatur Spanish version, the message MAN-59A (dated May 6, 1994) appeared in chronological order after MAN-66 and likewise in this translation.

## THANKS FOR THIS NIGHT OF VIGIL

**SM-59B**

23-Apr-94  
4:25 p.m.

The Blessed Mother

1) *(During the Vigil with the group:)*

2) My little children, little ones who are accompanying My hours with your love and your vigil for the world. You do not know how happy you have made Me during this night, with your prayers, sacrifices, pains, fatigue and fasting on the day before.

3) There are eight of you at this moment, but at the beginning, there were eleven of you, and the crown that was absent from My splendor, has been taken up tonight by My beloved Jesus, present among you.

4) Every hymn of yours was accompanied by the chorus of Angels who have watched over you during this night. The healings are beginning because that is what was decided. The Lord so disposed it and it was intended that I should be here now, just as in another place My daughters are also about to leave, My Church in Spain *(She is speaking about the sisters who went on a pilgrimage.)*

5) I love you, My children, and I love this sacrifice of yours. If you only know how much I appreciate it!

6) If you could only see with My eyes, you would see this room flooded with light... Do not be afraid... It is My Angels who look after the place... Thank you, little ones, for this night... If it was not too hard, repeat it next month. You have just saved many souls in Purgatory. You have just delivered to the Lord, those who are suffering and near death. You have just consoled My heart which is singly united with your hearts and the heart

of Jesus... If trials come up, do not fear. Pray; pray... Give thanks to My Son who is blessing you. Tomorrow, anoint with oil all those sick who come to you. You already know how to do this.

7) All of you, kneel down and receive the Blessing of the Most Holy Trinity... Sing with the early morning bird, sing to the Lord. There the smallest of My "unborn" will be. Kneel down now...

### LIVE IN FAITH

**SM-60**

25-Apr-94  
6:45 p.m.

The Blessed Mother

1) My little ones, you cannot imagine how much We appreciate your prayers, your affection, and your generosity, your turning away from your earthly life so as to dedicate one night and several hours of love to Us.

2) How We smile when We gaze on you... thank you, children...!

3) The text of the Bible is life itself because it is the Word of the Lord, transmitted by many voices, in many ways and on different occasions.

4) Do not forget, My children, that Jesus lived in simplicity. Living like that, there is no place for fear, violence, or anger because all of that is opposed to love. My Son was, is and will be love.

5) You must learn to live with faith, understanding, tolerance, and peace, and to achieve that, you will have to learn to live together and to accept and love one another.

## I DESIRE LOVE AND DEVOTION

**SM-61**

**2-Apr-94**

**The Blessed Mother**

1) *(Visit of the statue of the Queen of Peace to a neighborhood:)*

2) Now you know why I inspired you to carry Me to this place. You have understood. I am going to elaborate on it for you now.

3) In this place, which has been the enemy's space because upon these stones crimes, fornication, and rapes have been committed, and there have been gambling houses, rituals of occultism, and evil upon evil..., My presence was necessary in order to frighten Satan and to hold him back from more perverse acts.

4) You cannot imagine the suffering the family that lived here has had to endure. Only those who gave pleasure to him, lived relatively well.

5) When it comes to Our designs, there are no coincidences. I had to put order in the neighborhood where My little daughter lives, and if you only knew how much joy your Mother's heart felt at the priest's inspiring homily, and how the friends of the evil one howled at the moment of the Elevation! There are two things he cannot tolerate and from which he escapes: that of the Eucharist with My presence at it together with the love and devotion of Our children, and that of the acceptance of the Gospels through the life of which I spoke to you before.

6) The church will be built. Do not doubt it. I will guide you but you must hurry. You will receive help from those you least expect it. But already the Body of My Son was exposed in the open air... Do you see why it is so important for you to receive the Eucharist daily? At least in you, it is absolutely necessary.

7) You please Me greatly, little daughter, and I feel so happy with your love, with the love of each one of My children present here... I told you that all of you could count on more than one hundred souls delivered to Me, to Us. Even tomorrow we will succeed in surpassing that figure.

8) The sickness of (NN) which was clinically incurable, is now cured. (NN) will succeed in being cured of all ills and will be a live witness of the Power of Jesus over the sick.

9) I do not wish for arrogant crowds. I desire love and devotion. You have given it abundantly to Us. I wish to reach those who need Me... in this place, now, so many will be added that they will not fit into this house in the near future.

10) It will be those who are meant to be added, and not one more or one less.

11) There is so much you need to do for Us, little daughter! But you must not be frightened in the face of hardships. I am near you. I love you because you never ask anything for yourself, because your littleness makes you grow in Our eyes, because you are not a sinner in the guise of someone virtuous, and because when you love, you surrender everything. That is how Jesus formed you, and that is how We like you to be: a soul which is generous in divine and earthly matters. I am your mother and a mother always loves more and more each day. Do you not know this?... In spite of our children going away, in spite of the suffering they cause us, the sorrow from their indifference and failure to show respect, we love them more and more.

12) For that reason I have felt so happy with the daughterly love that you show for My statue, and by your praising the Lord.

13) Each time you kiss My medal, I place My cheek before your lips and I say: "Thank you, little one! Thank you My daughter!"

## WHY DO YOU NOT LISTEN TO ME?

SM-62

25-Apr-94  
10:20 p.m.

The Blessed  
Mother

1) Little daughter, the prayer of all of you today has been united to the prayer of My daughters in Lourdes, and with the prayer of My children in Medjugorje.

2) I experience My greatest happiness when all of you say "Yes". Offer yourselves. That is all I need in order to accomplish a great deal in and through you...

3) Allow Me to act in each one of you. The surrendering of yourselves, does not allow for being distracted by comforts or worldly life, when I require your prayers...

4) Why do you think, daughter, that all of you do not listen to Me? You are not lacking in virtues. You are lacking in total surrender, sacrifice, belief, faith and a burning desire for silence in order to hear Me. You do not realize that when you were calling each other and it seemed that you were synchronized in thinking of speaking to each other, it is not because you have control of your minds, but because you are beginning to listen to Me. You will observe this further.

5) Tell (NN) that I appreciate her sacrifice. It is not necessary for Me to speak to her when she has a son who is My chosen one and who will be the cause for the conversion of many. Truly, many of you should learn from each other. She was always so devoted to Us and to charity towards the needy, that every time she breathes, she should feel Me in her pulse.

6) In My name, thank all those who visit Me and pray the Rosary. How many signs there are for inviting them to walk along the path of faith. They should know that lack of faith paralyzes them, takes away their breath and enthusiasm and

that helps My adversary. On the other hand, those who meekly follow the path indicated by Me, are forming a luminous and radiant crown of love and joy.

7) How much joy there is when you hurriedly pass in front of Me and utter affectionate words to Me and glance at Me with so much affection. When you feel sorry to leave and go to work, I caress your forehead with a kiss. Yes, I am near you and every one of My children. Why do you not learn to look with the eyes of the soul?

### I CHOSE YOU

**SM-63**

26-Apr-94  
5:10 p.m.

The Lord

1) *(At the office, I was praying alone.)*

2) Love of My sorrows: This image of My Mother being before you, you should make the most of all the time that you possibly can. I know about the gossip. Do not pay the slightest attention to it. Did Nathaniel not say about Me, "Can anything good come from Galilee?"

3) You should live like people live and live in the moment like something new is happening for the first time, with the wonderful sensation of the surprise that each instant can reveal. Fear or hope in the future do not enter into reality.

4) I chose you and I will nourish you little by little. If these hearts were desolate and insatiable with thirst, they will become stretches of countryside dotted with flowers of love everywhere. The lamp of your conscience is the peace and happiness that are your very selves. Therefore, learn to be alone and in silence in order to be able to find yourselves, and therein, you will find Me...

5) All the love that you offer to My Mother, you are offering to Me, because We are two hearts entwined by a single feeling that We shed abundantly over you.

6) *(He speaks to me about my state of health and then concludes:) It [Catalina's offered love] is too much love not to give you pain; it is too much delight not to move My heart...*

7) *(I love you, Lord. I do not know what to do... I want only to give You thanks and I feel so small. I want to please You and I complain every day. I want to be an example of virtue and I am confused and disorganized. Forgive me, My Lord...)*

8) From next week on, you will allow time for yourself to go to daily Communion and you will feel better. It is enough consolation for Me that you tell Me you love Me and that you give yourself daily to Me. Tell the person who is coming in "Jesus says that He sends you this picture", and then hand one to her. She needs it.

### **MY REQUEST IS THAT A CHURCH BE BUILT IN THAT PLACE**

**SM-64**

**28-Apr-94**

**10:15 a.m.**

**The Blessed**

**Mother**

1) *(At prayer before the Image of the Immaculate Conception at home:)*

2) My little daughter, you will have to speak with Monsignor. You will go with NN and the Priest. You will take to him the papers that you have and you will say that just as in Croatia and in other places in the World, I ask that they help Me with their prayers to carry out My Plan, My request is that a Church be built in this place.

3) Enemies of the Church surround you, My daughter, and time presses on. Once the land is obtained, all of you will celebrate Holy Mass and you will bless the place, putting up a cross with a brief inscription on it. You will see how soon that Church will

be built. It will be for the greater glory of the Lord, to protect all these places and for you to be converted into instruments actively doing the will of My Son. The more parishes there are, the more souls will be consecrated to the Lord.

<sup>4)</sup> It is the will of the Lord. I alone choose and continue forming My little consecrated ones, who like all of you, dedicate themselves to Our hearts.

<sup>5)</sup> Pray, little children. Pray a great deal more. You do not know how much your prayers help. Without them, everything that is happening would be a great deal more difficult.

### PRAY FOR YOUR COUNTRY

**SM-65**

The Blessed Mother

<sup>1)</sup> **Pray for your Country. Why do you not pay attention?... My Son asked that during Lent there should be the exposition of the Blessed Sacrament, and no one was willing to listen to the message, thinking that no harm would be done. Oh, children! All because of too much bother and too little faith!**

<sup>2)</sup> Errors and injustices are being committed. Today there are many "christs" and too many "Pilates."

<sup>3)</sup> We are pleased with all of you, My daughter...

<sup>4)</sup> You will prepare five Rosaries and you will place them soon in My hand. I will be telling you whom they are for. You will give one of them to the nun and you will tell her that every "Hail Mary" she recites on that Rosary, white like her soul, will be a little flower that I will bring to My lips. Pray for the Pope, and tomorrow you will know [why].

## THE WORLD IS LACKING IN FAITH

SM-66

3-May-94  
10:00 p.m.

The Lord

1) To have faith, My daughter, is to know that your trust in Me is capable of embracing everything, of accepting everything, in the complete certainty that I am close to you and that I hear your prayer even before you utter it. Know that My hand is not only tracing a sign of blessing but also of forgiveness. My hand full of love, is reaching out to grab yours so that My warmth may fill you. It is full of Mercy in order to give you the necessary strength.

2) That was what I loved most in you: that in your littleness as a person, and in your spiritual frailty, your faith grew so enormously that it brought a smile to My tender heart, obliging it, out of love, to deny almost nothing to you.

3) When all of you said, "Jesus gives me whatever I ask for as if He were stretching out His hand to me...", it was your faith that shattered walls, that made the waves of the sea rise, that moved mountains and that traversed infinite spaces in a matter of seconds...

4) It was your faith that moved this heart of Mine... How can I deny you anything?

5) If only half of all human beings uttered your prayer when they went out every day, how many of them would come back contented at the end of their work day. Teach, My daughter, teach that faith. The world is lacking in faith, lacking in belief in Our Mercies. Thank you for your love of My Mother. I also love you. Persevere and be a witness to faith.

Note: In the post-Imprimatur Spanish version, the next message MAN-59A (dated May 6, 1994) appeared in chronological order after MAN-66 and does likewise in this translation.

## MESSAGE TO PRIESTS

**SM-59A**

6-May-94  
4:45 p.m.

The Blessed Mother

**1) Priests, draw people to you. Do not push them outside of the Churches.**

**2) I am pleased that I begin to witness the fruits of your labor. Blessed are all of you who live these days when the Son of man will make you into instruments to prepare for His coming.**

**3) This life is an inheritance and bread of strong souls: a cross and not a place of delights... Allow Me to perform My work... you, simply be desirous of getting to know truth.**

**4) Each one of you has received a special grace. Accept it as your greatest inheritance, but go on to conquer new paths, courageously, decisively and in the spirit of triumph and victory.**

**5) Open those little hearts of yours in order give Me space in them every moment of your lives. Imbibe your suffering together with Me, and offer it... Do not be afraid. You do not offend Me.**

## YOU MUST NOT BECOME OBSESSED WITH MATTERS HAVING TO DO WITH THE DEVIL

SM-67

6-May-94  
4:45 p.m.

The Blessed Mother

<sup>1)</sup> How My Heart is pleased with your persistence and zeal. *(She advises me not to go out and She suggests to me: "Stay at home praying.")*

<sup>2)</sup> *(She asks me to speak with a person who is being negatively influenced towards a change of religion which is parting her from ours, the authentic religion.)*

<sup>3)</sup> You must not become obsessed with matters having to do with the devil, because you are pleasing him when you talk about him, and you might attract him to yourselves. Please, little children, get rid of that obsession and do not judge others so lightly.

<sup>4)</sup> All are children of God and He, in His infinite Mercy, helps those who pray through Me. You only need to be charitable and pray for those who are, or whom you think are in danger of falling into evil.

<sup>5)</sup> *(I pray for a novice who injured herself.)*

<sup>6)</sup> You must not worry.

<sup>7)</sup> I am the Most Blessed Virgin Mary, your Immaculate Conception; do not be afraid. Those who suffer physical pain have a better comprehension of and greater love in the caring of the sick. She is a special child and you will soon see that.

## CHARITY TOWARDS YOUR NEIGHBOR

**SM-68**

9-May-94  
9:15 p.m.

The Blessed  
Mother

*1) (I am praying and I feel the presence of Mary.)*

*2) Little daughter, you must speak with your brothers and sisters. They will have to pray for NN. He does not know that he is doing harm and causing fear. Learn more about the work of God's creation; praise His grandeur and do not be so concerned about the attacks of the enemy. You are protected by Me and in the meantime, pray the Rosary with Me. You have nothing to fear. He may become frightened, but he will not approach a soul consecrated to the hearts of Jesus and Me. The person about whom there has been talk, is dedicated to God. She is like most young girls today, but do not be afraid... For the moment, think of the fact that a person who rejects a statue that you gaze upon with affection, alleging that she does not like statues, cannot possibly have anything good to teach you.*

Note: The quote for the title of the above message actually appears in the next message for which the date and author of the message were not indicated in the Spanish text. Therefore, the next message is probably a continuation of the above message but was given a separate title and message number.

## FAST WITH LOVE

**SM-69**

*1) What good do fasting and long complicated prayers do you, if you do not put your love into it? [That is] charity, charity towards your neighbor, towards whoever needs understanding. Even among yourselves, do not be harsh to judge one another.*

2) Continue to abandon yourselves in the Lord. This [situation] may appear to be a failure but actually, it is not. It will serve to make each one of you assume responsibility. I am more saddened because many people who might like to receive a little message, who might be more deserving than all of you together, are not receiving that grace... Why are you not jumping for joy [over graces received]?

3) I test; I come closer; I request; I guide and if I do not encounter any response, I silence My pain... and I pray for all of you... Do not read this message until after the Mass that will be celebrated by Father NN, with only one hundred persons. Do not torture yourself over this; it is enough that you bear My word.

### PRAY FOR PEACE

**SM-70**

10-May-94  
9:20 p.m.

The Blessed  
Mother & Jesus

1) Little daughter, pray; all of you, pray for peace, for your inner peace... Pray for the peace of your homeland. Pray for the peace of the world. Pray that the peace of My Son may inundate you every hour of your existence. Pray that pain during moments of trial may be removed from you and your families. Pray for a heart that is renewed and bathed in serenity. **Pray that your tears may not dry. The gift of your tears of repentance is what cleanses you a little more each time; it is the sacrifice that is most pleasing to the Lord, since it is the beginning of the recognition that you are sinners, which goes without saying. However, weep with feeling, and may your tears not cause you shame.**

2) Ashamed is the one who is dry, as any dry tree that does not produce leaves or fruit and has no sap. Little children, allow that sap to renew life in you.

3) *(Later in the rosary, I pray during the Sorrowful Mysteries, begging the pardon of Jesus for all my sins. After the message from the Virgin, I think: Why did the Lord not rescue me before?)*

4) *(Jesus [now speaks and] answers me immediately.)*

5) And do you think you would have loved Me in the same way and with the same intensity as you love Me today? You had to dig dry, arid and cracked wells in order to possess this **"Spring of living waters"** from which you drink today desiring ever more for the thirst of your soul... *(I beg pardon because every day I commit the same sin of letting myself be carried away by intolerance when I think I am being attacked for my faith, and when instead, it might be because of my impatience.)*

6) Do you think that I, who cast from the temple those who were profaning My Father's house, that I am not going to forgive you?

7) *(Thank you, Lord, but the fact is that I become impatient over everything and over nothing.)*

8) There are too many pressures and the time is too short for you to aim, in the eyes of human beings, at being docile, pure and perfect at the same time. Rest. Abandon yourself in Me. Feel My presence, and make the most of it.

## FORM YOURSELVES IN THE CHASTITY OF MARRIAGE

**SM-71**

13-May-94  
12:54 p.m.

The Blessed Mother

<sup>1)</sup> (*I ask: why she is weeping?*)

<sup>2)</sup> Little daughter, My little daughter, if you could see with My eyes all the iniquity and the calamity that contaminates humanity... you too would weep a great deal.

<sup>3)</sup> (*For a religious sister*): I am pleased with your apostolate... please, all religious, may you be an intense attraction for the return of the whole Church to the Lord who lives in the Holy Eucharist.

<sup>4)</sup> (*To your families*): Form yourselves by constantly exercising chastity in marriage. Get control of your passions by means of continuous prayer. Carry My voice, My supplications everywhere. Unite yourselves to Me at this moment, which is so decisive for humanity. Tell them to have faith.

<sup>5)</sup> May you be the instruments of My peace. The Holy Trinity will be glorified through your love and your faith. I bless you, My children.

## THERE IS A GREAT DEAL OF OFFENSE

**SM-72**

The Lord

<sup>1)</sup> Come, follow Me to this house of seclusion and shame that is in need of My assistance, and that I want to go and help.

<sup>2)</sup> There are no children to whom I do not go and visit when they are in need and require Me, to whom I deny My Body and Blood to serve them as a remedy, whom I do not protect against the efforts of their enemies, serving for them as a shield at the

same time, whom I do not seek in order to lead them to My Kingdom.

3) You have seen the charity with which I gave My flesh to eat to that poor captive child, and to carry that sheep on My shoulders in order to attract it to My flock. I am pleased with your generosity.

4) It is the beginning of everything that will happen. Great is the arrogance of those who govern. There is a great deal of offense. There is no charity or forgiveness, or forgetting. They will see their Country dismembered, cut in parts and sold piecemeal. What motivates them? The urge for wealth, of power, of figments of the imagination, vanity. On your fast day, bring your bread to a poor person. Do not let it get hard in your house.

Note: The original Spanish text did not indicate the author of the next message. The context would indicate that the author is someone other than Jesus, most likely the Blessed Mother.

## LISTEN TO THE MASTER

**SM-73**

On the same day at  
5:40 p.m.

1) Meditate, My children, on the best Master who comes to teach you His doctrine. He is the Sovereign Lord of the universe in whom all the treasures of wisdom and science are enclosed. He is the origin of all the lights in Heaven and on earth where angels, men and all creatures are found. Those who do not take them from Him cannot but be in ignorance and error, and those who take them from Him are always in truth. This Divine Master teaches you with full power, making you wise by Himself alone, when He so wishes.

2) Consider how perfect His doctrine is, infinitely surpassing any other one by being heavenly and divine, by its nobility, by its certainty because it is infallible; by its extensiveness, because it comprises all things; by its necessity, because it cannot be cast aside or ignored.

3) Reflect on the need that you have for being instructed by this Master come down from Heaven, because you are like children who know not how to distinguish between right and left, and at times, like little animals without reason who know not what they do... The swallow knows the time to withdraw, yet you do not withdraw from the danger that threatens you... a wild animal halts when it sees the precipice in front of it, yet you throw yourselves into it.

4) Admire the goodness with which this Master comes to instruct you... Dedicate yourselves to Him unreservedly, free of fears, resentments and insults.

### PRAYER FOR AFTER COMMUNION

5) *“My Lord and Savior:*

6) *Grant me the grace to leave the foot of Your throne cleansed and purified by virtue of Your blood, and let me not tarnish myself again in the future, because if I sin again, I beg You, My God, for the special grace of having me die here at Your feet, for I prefer to die rather than to offend You. Like the father of the prodigal son, give me back the garments of innocence, and keep them for me afterwards, so that I may deserve to enter into Your heavenly Tabernacle. Amen.*

## MESSAGE TO A PRIEST

SM-74

25-May-94  
9:48 p.m.

The Blessed  
Mother

<sup>1)</sup> Dedicate to Me, all your sufferings that are precious when offered to Jesus. My messages throughout the world are nothing more than a shining path towards the encounter with faith, with the moral values of your Priesthood, and with your FIAT which when united to Mine, are elevated towards the Kingdom of God in the middle of a garden of flowers. Did I not guide your steps toward the Seminary at a precise moment in time?

<sup>2)</sup> Did your ordination not take place before a statue of Mine? Then why do you become paralyzed when faced with My word?... Because of that sort of thing, apostasy has won over a large portion of the Church, which is why I still continue to shed tears in several countries in the world. It is because of this lack of faith of My chosen ones, that the enemy goes on winning souls that are hard for Me to rescue. The fact is, that because of this self-sufficiency now the virtues of your vows have changed into materialistic ambitions.

<sup>3)</sup> You, the spiritual child, the sweet and gentle young man, are you also going to deny Me? Remember the window in your mother's room where I awaited you in the sunlight in order to smile on the person who would one day be yet another in My heavenly battalion... Come back and surrender yourself to My Immaculate Heart. Retrace your steps and become a child once again...

## SAVE SOULS FOR THE LORD

SM-75

27-May-94

The Blessed Mother

9:00 a.m.

Mothers' Day

<sup>1)</sup> My little daughters, I too wish to greet you on this day. I am very sad, but in the midst of this sadness, you are there with your prayers, your love and your devotion. Attract souls; save souls for the Lord and do not tire in the struggle. Time is already short. Procure medals; have them blessed and give many rosaries to all. Help Me save humanity and young people!

<sup>2)</sup> Offer vigils, fasting, and penance and become intoxicated with Our love. Become intoxicated with the Body and the Blood of My Son and the Holy and Divine Eucharist. Pray and sacrifice one hour of the sleep you now take, offering it in prayer for the conversion of the world, and for your homeland... Painful times await you. This new continent must be purified. There is a great deal of arrogance.

<sup>3)</sup> (*"Distressing times," says the Mother, and she sighs... I beg Her not to weep.*)

<sup>4)</sup> (*At the Mass with the orphan children:*)

<sup>5)</sup> Thank you for your effort. Entrust to the Lord all the petitions that you wish. The prayer "We entreat you, Lord," repeated by a pack of children in the park will echo with an army of angels. I bless you and I bless your families, in the name of the Father, and of the Son, and of the Holy Spirit.

<sup>6)</sup> (*She asks me to tell NN that the gift received through Her is the gift of charity to the sick. She says that she had to suffer in her body in order to learn how to value the pain experienced by the sick. She says*

*that medals should be distributed, and She continues to be concerned about having those who suffer pray.)*

7) You will perform the offertory prayer in the evening.

### TO EVANGELIZE

**SM-76**

28-May-94  
11:40 a.m.

The Blessed  
Mother

1) *(Mass with the orphan children:)*

2) What a beautiful spectacle before My eyes! They wish to please and they do please. All of you do your utmost so that everything will turn out well, and everything is fine...

3) Those children... when they have the Rosary nearby, they will naturally say "Ave Maria..." and that is enough... If there had been 800 of them, there would have been 8000 "Ave Marias"... Do not doubt any longer; do not wait any longer. Go out to the streets; win over those in the squares and knock on doors. Go out to the battle with prayers and armed with the weapons in your hands: THE HOLY ROSARY, a medal, a scapular, a cross...

4) Those who need to speak, will speak. Those who are dry cannot be fruitful. Those who denigrate receive denigration. All persons bear on their lips what their hearts feel, and therefore, you should not fear what they might say to you. Concern yourselves with pleasing the Lord, and with helping Me in this battle against time. Thank you, daughter, for all your love, your time, and for your faith... Tonight I will seek you, to pray together with you.

Wednesday, 1-Jun-94,

5) *(The eve of the feast of Corpus Christi:)*

6) *(I was praying to the Lord, through Padre Pio, because of his stigmas, because of his blood, and suddenly my mind took me to the foot of the cross of Jesus. I saw the nail that protruded from the feet of My Lord. From below [the cross] I saw it driven into His flesh while drops of blood were falling on me. I experienced such a beautiful ecstasy that I could only say to Him: "I love You, I love this Blood of Yours. Cleanse me, Jesus...")*

## FOLLOW JOHN

**SM-77**

**The Lord**

1) What a beautiful flock! What a collection of souls so filled with love! You will read this at the adoration of the Eucharist, not before. Learn to adore these words that are a repeat of My parables, since they are words of Eternal Life. Read them here, opposite My Eucharistic throne, in order to understand them with My light and My grace, to make them a reality in your works.

2) I want all of you experience the intimate familiarity that John had with Me, and like I said to My apostles, I say to you: This is My dwelling place where I want you to visit Me. It is because I delight in being with the children of human beings that I came to this Tabernacle.

3) If you feel like Peter did, I tell you that it is necessary that you pray in order to free yourselves from temptation, because otherwise, you will fall, and you will deny your faith in the days that are approaching. Allow Me to make you saints like Peter, who sacrificing himself, rejoiced at being whipped and put to death on a cross for love of Me. Pray, and humbly offer

your lives to Me for the purpose of living united to this Eucharist that loves you so much.

4) Contemplate Mary Magdalene weeping at My feet, repentance having drawn her outside of herself, while attempting to make amends to Me, without noticing anyone or anything. She leaves her tears at My feet, her honor and her perfume. She dedicates her life to Me. If you do likewise, I assure you that your sins will be forgiven you because you loved much. Not only will you attain forgiveness with respect to your fault but also you will attain from that moment on, the sorrow and passion reached by her. Ask Me for perfect contrition that will free you from Purgatory and make you trample on your passions with courage and perfect constancy. From this Tabernacle, I will unite you to My Most Holy Mother and to the innocents. Love Me a great deal. You will be as many or more than those who labored from the very first moment in the Holy Land, even though you have begun to serve Me belatedly.

5) From this Tabernacle, repeat like the leper: "Jesus, son of David, have mercy on me. If you will, you can make me clean." Reflect on his reverence, and imitating it, My children, pray before this body of Mine, and leave it up to My Divine Providence, to cure your needs. Cry out to My Heart, surrounded by flames, that you want Me to heal you, not on the surface but the in the depths of your being, in order that the filth of the earth will not degrade your soul. You believe that I do not hear your entreaties, but you are wrong... Do not try to impose on Me your objectives or your plans. My replies are mysterious. Learn to accept them...

6) From this prison of love, I say to you, like I said to the paralytic, Children, your sins are forgiven you. And so that you

will know that I have power, Children, stand up, take up your beds and walk... I want you to see in that paralysis, the lukewarmness of your souls, sometimes inactive when it comes to your holiness. Tear your bodies out of those beds; remove that inertia and weakness that numb your spiritual life, and walk with zeal behind Me, carrying your crosses behind this love that gushes forth in rays of light upon you, enkindling you...

<sup>7)</sup> Gaze at this Tabernacle open to you, at this body of Mine placed in front of the children of mankind, and think about how wicked you would be if you were more concerned with the body than with the soul. Speak like the Centurion when he reached Me in order to tell Me, "Lord, I am not worthy that you should come under my roof, but only say the word, and your servant will be healed"... Do not be arrogant and I will look upon you with humble charity in order to love you and forgive you. For Me to fill you with good things, trust; trust in My power and in My love, so that My repression so deeply felt, will not extend to you: "I have not seen such faith in all of Israel as that which is shown in this gentile"... Everything is possible, even making saints of you...

<sup>8)</sup> In front of you I tell you, it is not temptations that make you sinners, but your free consent. It is your will that kills your souls... Happy are those of you who stumbled upon Me and My Holy Mother on this path to Hell!... Remember those who were carrying the dead son of the widow of Naim and who stopped... I say to you just as I said to him, "Stand up!" I take you and I hand you to My Mother. Your conversion is Mine. Only I can give life to souls and I give it to you in abundance.

<sup>9)</sup> I sow and you are My seedbeds. See to it that the earth that I water with My blood may be worthy of that sacrifice. See to it

that those seeds of eternal life do not fall near the path and be eaten by the birds. Listen to the doctrine of the Father so that despicable souls do not make you forget them [the seeds]. See to it that they do not fall among stones and be seeds without roots that dry up in the sun. Conquer your inertia, your lack of strength, and overcome obstacles and hurdles in order to practice My Doctrine.

<sup>10)</sup> See to it that the good things of the earth do not rob you of the life of your souls by absorbing all your strength. Do not allow what is supernatural and divine to be unprotected and suffocated by the vegetation of luxury and love of earthly goods.

<sup>11)</sup> My little children, be like the good earth which must produce fruit not singly but threefold. Happy are you who accept My word with simplicity and love, and keep it. Happy are you who know the value of this moment of recollection. Happy are you who adore the living body of your Christ, because tomorrow this body will seat you at His right hand and will serve you food in the house of the Father. Abandon yourselves and accept My light that will accompany you to your homes and will remain in them. Accept the kiss of My Holy Mother who has placed it on your foreheads during this vigil.

<sup>12)</sup> *(At the moment that I asked for the healing of a certain person, the Lord asks for the "Heal me Lord Jesus" to be sung.)*

## WHAT INJUSTICE! BOLIVIANS, UNITE

SM-78

Thursday, 9-Jun-94  
9:10 p.m.

The Lord

<sup>1)</sup> My little children, what injustice! What an appetite for vengeance! The punishment is not directed to you. It is not for the children of light. It is due to the iniquities of the legion of darkness. **Pray and be reconciled. Bolivians, unite!**

<sup>2)</sup> This heart that you see encircled by a crown of thorns is more and more broken.

### CONSOLE MY HEART WITH YOUR AFFECTION

SM-79

The Blessed Mother

<sup>1)</sup> Thank you, daughters, for the intentions of the Holy Rosary. Console My heart with your affection. Little daughter, you will have a Mass said. It must be concelebrated: (*She mentions the names of those who ought to celebrate the Eucharist*). It will be a celebration in reparation for the offenses inflicted on the Heart of My Son, Jesus.

<sup>2)</sup> **Offer your fast tomorrow for Our intentions regarding your homeland.**

### YOUR SORROW IS MY SORROW

SM-80

13-Jun-94  
9:57 p.m.

The Lord

<sup>1)</sup> My little daughter, love of My sufferings; your sorrow is My sorrow; your disappointment is Mine. Yours is that of a friend while Mine is that of a son. Do not be upset; nothing should distress you. I have planned to obtain freedom, and thus, it had to be by the will of the Father. And by Our will, that message

reached its planned destination... Why do you doubt the outcome?

2) Designs and paths cannot always be understandable to all of you, but you must learn to say, "Your will be done"... What you did not count on was disobedience. The message arrived because that was how it had to be, in order to prove to you that My Mercy reaches and touches all.

3) I know which of My chosen ones are trustworthy to the point of risking their good name and reputation, just as My beloved son did... Oh, the attachment to what is vain, earthly and trivial...!

4) Once again I am wounded and hurt... now My witnesses do not acknowledge My words...

5) ...What a great day for you and for Me. Out of My Divine Side, pours a torrent of light which will serve to protect you and fill you with peace, love and wisdom..., pours your graces that I give you for your devotion, and which I give to My son for his courage and decisiveness... and pours My grandeur, the immense love that you give Me and which is united to My love and that of My Mother, who leads you by the hand.

6) You will only write this: **Viam veritatis elegi, benedicite Domino, omnia opera ejus...** [I chose the path of truth; bless the Lord for all His works.]

7) I love you, little daughter. I lead your steps... You must keep calm... The sun warms the entire universe with the heat from its rays. I warm all human beings from the center of your altars by the heat of My charity.

8) I am the heart of the Church: I enkindle all its members and I give life and movement to all My people who are holy and righteous, to illuminate them, embrace them and communicate My virtue to them. Thus, those mystical heavenly bodies send

Me their light again, and their fire through a love that is reciprocal and through perfect consecration of their entire being. You will read this message to the first one of your sisters who calls... Go and rest. I give you My blessing.

### FORM A COHESIVE GROUP

**SM-81**

15-Jun-94  
4:20 p.m.

The Lord

<sup>1)</sup> Learn each day to pray for each other. Pay attention. You need to form a cohesive group that meets together three or four hours a week. You will pray for two hours and the rest of the time you will share like good brothers and sisters. Try to have some husbands accompany their wives. Reread the Messages at the first meeting.

<sup>2)</sup> My true disciples must have the characteristic of following Me always. The people did not follow Me except at intervals: when there were miracles to witness, when they merely were hoping for food and for favors. However, My disciples followed Me both in My works and in consoling Me, on sea and on land, during storms and during calm.

<sup>3)</sup> Give thanks to My Holy Mother for all Her blessed intercessions in your favor. Because of Her and because of the love that I profess to you, We have wished to continue guiding you, practically by the hand, as you say.

<sup>4)</sup> Understand, little flock, the Mercy that encourages Me to lead you sure-footedly to conversion to Myself, so that what you lack in faith may be supplied by everything that My saints, who have approached the mystery of the Eucharist, had at their disposal, and even My own grandeur and perfection, with the same love that My Father gave all of you to Me.

5) Value the graces that you receive, not with the joy of people at witnessing miracles, but for the miracle itself that gives rise to your being My instruments, your having been formed into defenders of My voice and My will, by the powerful intercession My Mother. Peace be with you...

### PRAYER OF THE ONE IN PRISON

17-Jun-94  
11:30 p.m.

The Lord

6) *(To pray on the beads of the Holy Rosary:)*

7) Eternal Father, I have inside myself the Body and Blood of My Jesus, that you have given me in order to rescue me from slavery.

8) Grant me freedom, I beg you. Only for the sake of the wounds of Your beloved Son, allow me to be free.

9) And You, My Jesus, do not content Yourself with merely releasing me from the chains of my enemies, but chain me to Yourself, with the chains of Your charity, Your truth, Your Justice and Your Mercy. To You, I abandon myself, Most Holy Trinity.

10) *(On the "Hail Mary" beads, say:)* In the name of the living Jesus, may the chains that hold me captive be broken.

11) *(Instead of the "Gloria be" say:)* Blood of Christ, protect me.

## I AM BOUNDLESS MERCY; I AM INFINITE JUSTICE

**SM-82**

21-Jun-94  
11:47 a.m.

The Lord

- 1) I am boundless Mercy and I am infinite Justice.
- 2) Disorder, scandal, chaos... that is what will come, chaos, because that is the spirit of error, of discord between brothers and sisters, of corruption, and of ambitions.
- 3) Prepare your food and nourish yourselves with My body. Prepare your water and drink the chalice of My unfathomable love. Sate yourselves with it.
- 4) Distrust those who take possession of an equivocal doctrine, those who call themselves righteous.
- 5) The time has arrived for My pastors to courageously extirpate what is harming the Church. Support your Pastor. The cross that My Mystical Body carries is too heavy for Monsignor.
- 6) Are you sad? Why? Am I not with you? It there not in you all the love and joy of mutual love? Smile. Here I am. I will have lunch with you.

## YOU KISSED MY BODY AND I KISSED YOUR SOUL

**SM-83**

22-Jun-94  
8:30 p.m.

The Lord

- 1) *(In the evening, at a retreat house of a congregation, I see the crucified Jesus, and I approach to kiss His knee. I pray: Lord, how it must have hurt You, if this little bump hurt me so much!)*
- 2) *"It does not hurt Me any longer," answers the Lord.*
- 3) *("It does not hurt me either, Lord," I answer, and I remain gazing at Him in adoration.)*

<sup>4</sup>) (*Sister NN is repeatedly telling me that I can give a kiss to the statue that will be consecrated and afterwards placed in the chapel of the Blessed Sacrament. She tells me, "Thus, when He arrives, your kiss will be the first thing that He finds..." I do this with all my love: the first kiss on one arm, for myself, the second, on the other arm for my family, and the third kiss is for all my brothers and sisters of the Mary Queen of Peace Centers. Then, when the Priest places the Blessed Sacrament in the Tabernacle, Sister X looks at me out of the corner of her eye. With very great emotion I say to Him, "Thank you for allowing me to kiss you, My God!"*)

<sup>5</sup>) You kissed My body and I kissed your soul during Communion.

<sup>6</sup>) (*Let me stay with You, enclosed there, in order to give you millions of kisses every day.*)

<sup>7</sup>) (*Lord, they love You so much. Protect your children, Lord, the children of all of us women, but let her know how much you love her {I mention the name of a friend who is very close to God}. She adores You. ) And I... How can I not love her when I even sent her messages of love...! Oh, little flock, how much good your love does for this lonely Lord every day in the Tabernacle.*

<sup>8</sup>) I keep your kisses; may you go with My Spirit. Sister NN gave up for you that which she most loves. What is it that you most love now, that you can give to her?

<sup>9</sup>) (*Instinctively, I look at my little medal of Jesus, and without hesitating; I remove it and give it to her saying, "He wants me to give this to you." I am very moved at so much sweetness in Him, in My LOVE.*)

## PRAY

SM-84

26-Jun-94  
10:10 p.m.

The Blessed  
Mother

1) The Mercy of the Lord is so great that it allows Me to communicate with you this evening, to bring you comfort.

2) Do not weep, My little daughter. The seed is sowed adequately in the furrow. Allow it to germinate... The truth will come to light at the right moment. Raise your spirit and do not allow them to hold you back even though circumstances seem to be worsening. Do not be disheartened. There are very great graces reserved for you that will be poured through you to your sisters and brothers and then to many persons. The most important thing is accomplished. There will be a clinical document that will open doors so that Our voices will reach the world once again. We want Our graces to reach without exception, all those men and women who have twisted lives and hard hearts.

3) All of you have an important role in My plans. Train yourselves; prepare yourselves. Give Me your hearts, the buds of My loves and I will make them flower.

4) Do not allow disorder to take you all captive. That is what pleases the enemy. Satan is very astute and you must all unite. Tell NN to go on gathering witnesses to cures, documenting them well. Time is pressing. Attack by using television, for poison may be useful as an antidote. Help Me and you will see how I lead you. My work will triumph in spite of human interference. Smile, little daughter. Even if no one is speaking to you, I am close to you and I bless you.

## YOU WILL PRAY LIKE THIS

**SM-85**

29-Jun-94  
9:18 p.m.

The Lord

1) You will pray like this:

2) Father, Son and Holy Spirit, Most Holy Trinity, give us, we pray, the necessary disposition to receive the gifts that we need in order for us to bear the fruit that you desire. Purify us of our sins, and restrain our senses by removing from our minds every vain and earthly thought. Raise our hearts to You and fill them with light, so that during this meeting, they will be concerned only with the nobility of this devotion. Embrace us in Your love, and make us enter into the heavenly spirit where we seek to unite ourselves to such a Divine Trinity.

3) Allow Blessed Mary, ever Virgin, the Mother of Jesus and our Mother, to protect us under Her Immaculate mantle and Saint Michael the Archangel with his Heavenly Militia, to protect this area so that no spirit of evil or discord will seek to break the union of this consecrated group - from the bosom of our mothers - to You. Amen.

## MULTIPLY YOUR TALENTS

**SM-86**

Sunday, 4-Jul-94,

The Lord

1) *(During the Mass at Urkupiña:)*

2) My daughter, My love.

3) *(Love, My Lord, My love.)*

4) It is My desire that all persons should multiply the talents they received in the service of the Most Holy Trinity, of My Mother and of the Church. Make this happen, My daughter.

Today I spoke through many lips, and I have said to you: go out, fight and conquer hearts. Some will do so with words and other through different charisms. You must write. I will guide you, and your topic of inspiration will be some event that you witness in the midst of your environment, surrounding your daily life.

5) You are going to be inspired by the Holy Spirit; do not fear. Begin to put your thoughts in order, and the rest will come about. All of you all must attack using publicity. In your battle, you must gain ground in the midst of your enemy's terrain. May the light in you and through you, shine on My beloved children. You should plan. It is within your grasp. Do so, for time is pressing.

6) You must not be concerned by a piece of news reaches you. Be humble and silent... The truth will suddenly burst forth.

7) You will tell all My children that I love their effort and devotion. You will speak openly with all of them, and you will soon witness the fruits. I do not exclude My children, but I choose My disciples and I wish to protect them. It is easier for the roots of weeds to corrupt a handful of nards. Yes, there must be 5 or 6 of you who will be pure. Of what use would twenty heads be that think the same, if twenty hearts do not beat with equal intensity in the presence of love...

8) You should put in writing evidence of the vigil at your home... in two groups... you will see what goodness will be revealed to you. My peace in you...

## I AM YOUR SHEPHERD

SM-87

7-Jul-94  
2:00 p.m.

The Lord

<sup>1)</sup> This Lord knows how to reward when His servants labor to worship Him. I know how to pour out those consolations that make the soul rejoice, with unparalleled advantages. That is how I will reward all those who are pious and devout, who do their best to keep vigil in My presence, to take care of the Tabernacles, to obtain lights of love and company, and to win over new worshippers.

<sup>2)</sup> I have promised happiness to those who hear Me, because it is there [in the presence of the Blessed Sacrament] that they speak to Me and they hear My voice. Who would not gaze with a holy glance on this fortunate group so ennobled by their objective, so authorized by their Sovereign, and so enriched for the Church? **I am your shepherd and you are My sheep. Those who are closer to the shepherd always share more of My gifts and My concerns. Thus, it is necessary that the desire to enjoy Me should encircle all your desires, and place you in the situation where it is impossible to yearn for anything else but My love. Go out to teach the world that surrounds you. How little they know, My children; how little they know of the grandeur of the goodness that is offered to them on the altars and how much they lose by being separated from Communion.**

<sup>3)</sup> Who would not fly in search of an immense treasure if a person knew where to find it?... Who would not enthusiastically seek an exalted dignity, if a person believed it possible to obtain it?... Who would not hurry to the wedding banquet of a great

king where everything would be delightful and extremely magnificent, if a person were done the honor of being invited?

#### COMMUNION:

4) A treasure is being offered to all of you which creates riches in Heaven and on earth. Dignity which is infinitely superior to that of kings and emperors is being offered to you, because receiving Communion one single time gives you infinitely greater glory than all the scepters and all the crowns on earth would give. You are given the honor of being called to the wedding banquet of the King of Kings. I use the My utmost power to bestow a gift on My friends. Can it be that all this is not enough to inspire fervor in you, for an object so worthy of your request?

5) Oh, stupidity...! Oh, blindness!...

6) Even if it were necessary to purchase the happiness of receiving Communion just one single time, with the loss of all your worldly goods, with immense suffering and trials, with humiliation and infinite disgrace, and to go to the ends of the earth for it, the grace that you receive is so great that you ought to gladly subject yourselves to all of the above in order to obtain it. Yet it would be necessary to convince you that even at that price, its possession [the possession of Holy Communion] was not very costly.

7) This is the paradise on earth that I have established for the express purpose of making you enjoy during this life, beforehand, the pleasure of happiness at My side. In it [in Communion], is found the tree of life, the fruit of which makes all those who eat it, immortal.

## **DRINK FROM MY CHALICE:**

8) What insanity to cut yourselves off from this paradise by keeping away from Holy Mass and depriving yourselves of the fruit of life that alone has the power to deprive you of death.

9) Since you are unable to drink My chalice, a chalice of bitterness and suffering, at least drink the chalice of My love, which is offered to you at Holy Mass. If you do not find the strength within you to truly die for Me, then at least die mystically with Me by means of Communion: die to the world, to sin and to lust.

**10) To receive Communion is to ally and unite yourselves closely with Me. It is to enjoy the happiness of having Me for a father, for a friend, for a spouse, for a portion and for inheritance. It is to receive as a Gift, the merits of My death and of My blood, and to offer them to My Father for the remission of sins committed and for the price of the Kingdom of Heaven. It is to receive a pledge of the promise that has been made to you. It is to give yourselves in order to reach Me, the most powerful assistance that has ever been granted to human beings. That being so... can you live with indifference towards Communion, without renouncing the faith and Christianity?**

11) With what speed a torrent, increased by abundant rains rushes impetuously toward its element [the sea]!... With what swiftness a boat propelled by the wind, ploughs through the waves of the sea! With what strength a heavy rock dislodged from the top of a mountain rushes to the bottom of a valley! With what violence a fire locked in places underground, smashes its prison and rises to its sphere!

12) These are but feeble images of the haste with which you should make your way to the Sacrament of your altars, because

the zeal that you should have to unite yourselves to Me, ought to both exceed the swiftness with which natural bodies go to their center or element, as well as surpass them, and the end to which you aspire is superior because of its excellence.

<sup>13)</sup> I am the sun that causes the eternal day in the sky, and I am also the sun that creates the temporal day on earth.

<sup>14)</sup> I urge you to come to My table. I display the utmost desire for you to eat at it... I serve you a food that is divine, that includes everything most rare and exquisite in the world... Can you possibly refuse this without forcing Me, due to the injustice you do Me, to banish you from My eternal banquet, when you are even now at its very doors?

<sup>15)</sup> Enter in spirit into My Divine Heart in order to consider the depth of My love for you. Such love of Mine for you obliges Me to desire to unite Myself to you in a very intimate way...

### **THE CREED: MY CONTINUOUS PRAYER**

**SM-88**

11-Jul-94

9:10 p.m.

The Blessed  
Mother

<sup>1)</sup> My children, you are under the protection of My mantle and My Immaculate Heart. I only ask of you faith, prayers and daily communion. Pray, recite the Creed every morning and as often as you can, during the day.

<sup>2)</sup> I cannot say more to you. Agree amongst yourselves upon an hour to join Me in daily prayer.

<sup>3)</sup> Put images, rosaries, crucifixes that have been blessed in all your rooms. Your sorrowful and crucified testimony will be more and more anguishing, but it is necessary in order to help My children persevere in the faith and in fidelity. You are My work and you respond to a special intention of My Immaculate

Heart. Work on correcting the book... So many people will be converted by it...!

<sup>4)</sup> On the 28th of October, 1981, I sent a sign to Medjugorje which lasted for 10 minutes. It was a flame, and was one of the signs that foretold the great sign. Today each one of you is a sign for the conversion of many. Do not hesitate. There is no time to lose. Make sacrifices and offer them to the Lord right now.

### VISIT ME IN YOUR TABERNACLES

**SM-89**

Thursday, 13-Jul-94  
2:10 p.m.

The Lord

<sup>1)</sup> When you are before your altars, close your eyes and imagine My brilliance inside the Tabernacle. Your faith will find Me as luminous as I am in Heaven on My glorious throne. Know that My presence on your altars gives grace to all your works and it creates one eternal day for the whole universe because I never leave you.

<sup>2)</sup> The world has been illuminated by Me in the Mystery of the Incarnation, and in it [the Incarnation], I have taken up My residence through the Mystery of the Eucharist, which has been for you like the light that followed the first darkness. The former and the latter together make up the day of the present century.

<sup>3)</sup> The sun is the source of all light in the world of the senses; it lights up at the same time heaven and earth, communicating light to the heavenly and sub-lunar bodies. In this mystery of love, I provide the source of all the light of the spiritual world... Through the light that I shed on you, you have

knowledge of all things, for without it, you would live in eternal darkness.

4) The sun causes different species and plants and animals to be fruitful. I am fertility to your bodies and souls, to make them produce unending holy actions and living works. The life giving virtue that gives life to everything that you do, is enclosed in My body and in My blood, and I shed it on your hearts through Communion so that all your works will be living works.

## PRAYER AND ANSWER FROM THE LORD

17-Jul-94

8:30 a.m.

5) *(Before the Blessed Sacrament at the house of the Servants of Mary:)*

6) *I prostrate myself at Your feet, My Redeemer. I embrace them and kiss them millions of times to give you a tiny sign of my recognition. I most tenderly give thanks to You for Your infinite goodness in coming to save me. I offer and consecrate myself to You a thousand times, to be Your servant forever, and I confide to You that even if I should sacrifice yet another thousand times, my body, my soul, my life and everything to do with me, I could never worthily acknowledge all the good that You give me.*

7) *Break all the chains with which I have been fastened by my enemies: the chains of my passions, my bad habits, my bad character, those fits of anger I cannot master. With the all powerful strength of Your arm, break all my ties that cause harm to You.*

8) *My beloved, You who have instituted the Sacrament of the Eucharist, not only to proclaim Your final coming, but also to provide us with the help that we need to prepare for our hour. I arrive at the foot of Your altar to ask for all the graces and help that I need for a holy death.*

9) *Hide my soul in Your sacred wounds. Cleanse my soul of all the sins that have stained it during its life.*

10) *(Jesus, on the same day:)*

11) First, love Me... then feel charity for others.

12) First, abandon yourself to Me and then give love to others.

13) First, die for Me and then die to the world.

14) First, be filled with Me, and then be filled by Me in others.

## DO NOT MISTREAT MY MERCY

**SM-90**

18-Jul-94  
12:35 p.m.

The Lord

1) My children... I have waited a long time for you, for a special grace not granted to other people less guilty than you, and who have been thrown into the abyss. Why? Because you were in My plans, but the fact that I have waited for you, does not mean that I will do so in the future. Mistreat no more My generous Mercy. Do not oblige Me to withdraw My favors. Take care to make the most of the reconciliation that I have offered you... You do not know if it is the last one that I have allotted to you.

2) I have just broken your chains and freed you from the harsh captivity of the devil. Take good care not to return to the previous condition of slavery. Remember that the cruel tyrant from whose horrible hands you have been freed, has his yoke engraved on those who fall again under his power and he throws them headlong into new and more dreadful crimes, if he could subject them once more to his authority.

3) Each sin that I have had the goodness to forgive you, should be an urgent reason for impelling you to love Me with greater fervor, as I love you... with infinite fervor.

4) Keep in mind that divine justice does not wish to lose anything and it intends to pay for all that remains to be paid. At the present time, you can make satisfaction for large debts at little cost. So take advantage of the occasion and do not let a single moment of the day pass without employing it on something useful, for the expiation of your sins and those of the entire world... How many souls are in need your prayers...!

5) Put all your hope in the death and blood of this Savior of yours. Also, ardently beseech My Father to hear the petition I make to Him to forgive you, because you did not know what you were doing when you offended Him. Truly I declare to you that I tell Him even with the most tender and liveliest feelings, that I Myself assume the burden of and I take upon Myself every offense that the human beings whom I called My apostle, being much more than My slave, have committed against You and everything that remains to satisfy Your justice.

### DAILY PRAYER

**SM-91**

Tuesday, 19-Jul-94  
7:40 a.m.

The Blessed  
Mother

1) My children, as a reward for the love that you show Me, I am giving you this prayer for the already distressing period we are living through. You will be unable to go to the churches for many days, so pray in this way:

### PRAYER

2) *My God, I must prepare Your dwelling place in my heart every day, be it now for Communion or now to receive You spiritually in my soul. However, I ask that it should be You Yourself who takes charge of preparing it [Your dwelling place] because, how shall I,*

*miserable creature that I am, prepare it in a way that is worthy of You?*

*3) Lord, holiness is the adornment of Your house. Glory and magnificence shine everywhere in it. So I beseech you, fill my soul with holiness. Carry out great and magnificent things in it so that it will be become a dwelling place worthy of You.*

*4) Sun of justice, who must enter into me today, I beg You to prepare Your dwelling place in my heart. The sun prepares its throne in heaven, by its rays of light that shine before it enters it... In the same way, may You Yourself prepare Your throne in my soul before coming to it, scattering the darkness with the brilliance of Your rays.*

*5) Come, Holy Spirit, and make my heart ready to receive the Divine Jesus. Come and purify this heart. Come and sacrifice Yourself. Come and kindle in it the sacred fires of Your Divine Charity.*

*6) My Divine Jesus, in times gone by, You sent Your Holy Spirit to prepare Mary's womb to receive You in the Mystery of the Incarnation. I ask You today to send the same Spirit to make my heart ready to receive You in the Mystery of the Eucharist.*

*7) Adorable blood of my Jesus, purify me; cleanse me of all my filth so that I may worthily receive my Divine Redeemer.*

*8) I am drowning in this precious blood, and in it I cleanse and purify myself of all my sins. In it I leave all my stains and impurities so as not to become soiled again with them.*

*9) My Jesus, I offer You all Your merits and holiness, with those of Your Most Beloved Mother, and those of all the saints and angels. Receive them I beseech You, as a supplement for whatever is lacking in me to worthily approach this great mystery.*

*10) I humbly ask You, Lord, to make of me a "spring" of graces and of every kind of goodness.*

*11) My soul, prepare the paths for the Lord before He comes. Make straight what is crooked; make low what is high and make high what is low; cleanse what is impure, and sow them [the paths] with the flowers of every virtue.*

*12) I offer You, Lord, during this day, my thoughts, my actions, my desires, and my sufferings that they may serve me as a preparation to receive this great mystery. How happy I am to give a dwelling place to the God of the entire universe. My soul, expand your Heart to receive the abundance of graces and favors that your Divine Savior wants to fill you with today. He only asks for a heart that is a spacious heart capable of containing them. Cast all creatures from your heart so as to dispose it to receive His marvelous effusions...*

*13) Come, oh You who are the longing of my heart; come, oh You who are object of all my vows and desires; come oh You who are my glory, my treasure, my delight. Thank you for granting me the grace of satiating myself with Your Sacred Body and drinking Your precious Blood. Amen.*

### LEARN TO LIVE BY FAITH

**SM-92**

Wednesday, 20-Jul-94  
11:40 p.m.

The Blessed  
Mother

*1) My little daughter, little soul (I notice that the dear mother is very sad), soul consecrated to the Lord... gather the rosaries together for Friday and wait for Me during prayer... Now understand this: I will have to distance Myself from these conversations but I am not going to abandon you. You will have to begin to live by faith, and to walk under the protection of the whole legacy that we are leaving you... Smile, little daughter. You will all have to carry this message to all those who pray the Rosary. Do not weep, but write:*

*2) HAIL MARY...*

3) Hail to you, the spirit of God, little children of Mine. You should know that I shed My graces on those who recite the Holy Rosary... The peace of the Lord be with you all and My blessing together with the blessing of My Son Jesus, I place upon your souls, on your parents and the fruits of their hearts... of their wombs, consecrated to Jesus.

4) As the Mother of the Son of God, I unite My prayers in each "Hail Mary" for the forgiveness of your sins and those of your families. I plead and will plead for My children until the day when I will carry them tenderly before the presence of the Most Holy Trinity, who is and will be the glory, forever and ever. Thank you for helping Me at this hour, by your Rosaries and daily consecrations.

5) Little children of Mine, I will continue to fill you with abundant graces. Let nothing disturb you. I love you deeply... a great deal more than you can imagine... Be silent; offer all suffering to Jesus for the sake of love and gratitude... Hurry with the book which shall be called "SPRINGS OF MERCY".

### I AM ALWAYS WITH YOU

**SM-93**

Sunday, 24-Jul-94 3:35  
p.m.

The Lord

1) You ought to be moved by this love for miracles that obliges Me to perform in order to make Myself present in this mystery. You move away at the slightest hardship that you encounter when you come to Me, and I perform an infinite number of miracles unlike anything ever performed before for the purpose of moving towards you and towards all human beings to console them during this sad exile, to protect them against the great enemies that have sworn to their perdition, in order to

help them in their most urgent needs and to lead them through so many dangers to the gate of salvation.

2) If you have seen Me now on that altar, it was only in order to stretch out My hand to you in order to move you away from the deep abyss of miseries in which I see you submerged, in order to hear your petitions and sometimes grant you everything you desire and at other times, something [even] better.

3) I do not make fleeting visits to you all. I am not on earth –the unworthy place that it is– just for temporary periods of time. I live on it continuously so as to be always with you! I do not abandon you for a single moment. I come down from My throne in order to adapt Myself to your weakness. Because of My desires to carry you to the height of grandeur, I submerge Myself in the depths of humility.

## YOUR MISSION

**SM-94**

Tuesday, 26-Jul-94  
4:14 p.m.

The Lord

1) Because of the fervor that you profess for the Eucharist, your mission, My children, will be to bring to your brothers and sisters My message, after you consider the sacred excesses to which I go because of My love for you.

2) I am the lamb of God who out of love for mankind has placed Himself on your altars in a state of death... Join your voices with that immense crowd of blessed spirits that the beloved Disciple saw in his Apocalypse, so as to acknowledge Me.

3) The world no longer pays attention to Me during this Mystery. It is as though it places Me among the number of dead whom they have lost from memory, or... among the

number of things that never have existed, since it does not wish to acknowledge My real presence in this Sacrament.

4) You will be counted among My chosen ones like the countless multitude of the angels and the blessed who make your praises resound and proclaim your acknowledgement of My power, divinity, wisdom and all the perfections that I have been adorned with by the Father who engendered Me forever from the womb of His being and who transmits to Me in that engendering, all His marvelous perfection...

5) **Charitas Christi urget nos (The Charity of Christ impels us - Cor. 5:14).**

### FORGIVENESS OF SINS

**SM-95**

27-Jul-94  
1:10 p.m.

The Lord

1) Come, My little children, and at My feet, unload the heavy burden of your sins. Come and seek in Me the strength to reject the household enemy that you carry within you; that is the strength to reject your lustfulness, to repress the violence of your passions and to correct your bad habits.

2) Come and seek help in the bosom of My Mercy, to free you from the corruption of the last century, and to resist the evil influences that form in your hearts and minds the opinion, habit, bad example and advice of your so-called friends and the seductive attractions of the riches of pleasure and the grandeurs of the earth.

3) Come and take shelter in My arms to seek asylum from the furor of your unseen enemies who continuously surround you in order to lead you to perdition, whose power and cunning you could not resist. Contempt, persecution, injustice, disease

and a countless multitude of miseries that form a continuous chain of evils, do not allow you to rest. Yet I will put a stop to your violence, and I will give you strength to support you in such a way as to weave your crown.

<sup>4)</sup> Love of My sorrows, voice that will carry My voice to the world. I have chosen all of you for this cause through the mediation of My Mother who has come and prepared you for this moment... Work harder at it. You must show authority very skillfully. Help Me in time. Thousands of books will reach so many people.

### I HAVE OPENED THE GATES OF HEAVEN TO YOU

**SM-96**

28-Jul-94  
7:15 a.m.

The Lord

<sup>1)</sup> I have broken the seven seals through the light that I have shed on your intelligence in order to impress upon you the fear of sin.

<sup>2)</sup> I have opened the divine book, revealing the gates of Heaven and putting within your reach the possession of blessedness (Mt 5). That book was sealed with seven seals because the capital sins closed the gates of Heaven to you. I am extending to you, little children, the remission of your sins and the eternal possession of My Kingdom.

<sup>3)</sup> I am the strength of My Father: I do everything that I desire in Heaven and on earth without anyone being able to resist My will. I have the power and I transform both what is strong as well as what is weakest, the highest as well as the lowest, what exists and what does not exist... When I died in obedience to the command of My Father in order to make reparation for the offenses received by the sin of mankind, showing zeal for His

interests and reestablishing His glory... I received absolute power over all creatures, crowning Myself with honor and glory because I AM WHO AM.

4) I have opened for you the mysterious book of Providence, making you understand the secrets of His conduct concerning Our chosen ones. I have taught you that the misery and sorrow that We permit you to experience are for the purpose of purifying you from your sins, to preserve you from the corruption of this world, to lead you to virtue and so that the strength of My grace will triumph in the midst of your weaknesses.

5) I have opened for you the book of your own conscience. It is written interiorly and exteriorly through the sins that you commit and it is sealed with seven seals by the darkness that your passions and self love shed on your intelligence. They rob you of consciousness of your faults and therefore, they rob you of peace.

6) **My children... My little children! I have left you all the signs of My grandeur and the good things that I have brought you by My immolation. It is well worth your effort to bring My word to others.**

7) **Speak to them of this time of Mercy. Tell them that I have broken the seven seals, revealing the truth of the seven principal mysteries that have to do with what was preached by the Prophets: the Incarnation, My Passion, My Resurrection, My Ascension into Heaven, the mission of the Holy Spirit, religious vocations and My final coming.**

## I GIVE MYSELF TO YOU IN EVERYTHING

SM-97

28-Jul-94  
8:52 p.m.

The Lord

<sup>1)</sup> I give Myself to you in everything. I give you My Body, My Blood, My Divinity, My works, My merits, My Kingdom. Everything that I possess I put within your reach.

<sup>2)</sup> This love would not succeed in being satiated if I held back anything for Myself. How different is your love! For when You make Me the present of giving anything at all to your brothers and sisters, it is always little and generally useless to them and something they have no need of. And often you even regret having given it... In the Eucharist, My little children, I give Myself unendingly. I do not hold back for Myself even what is most precious to Me and what concerns Me most closely, which is My Glory and My own person. I give My gifts joyfully to all and without limit to anyone.

<sup>3)</sup> There is no person in existence, no matter how unfortunate or how sinful, to whom I do not give good things unendingly and everything that I possess, whenever that person comes to Me with love.

<sup>4)</sup> That love which through its generosity and strength has gone on being hurt through every century, by making Me suffer all the outrages and insults, all the humiliations and the indignities of which the impiety and the evil, the betrayal and the fury of mankind are capable. That love is an unseen veil to inspire Me to love you more to such an extent as to make Me pass over all pain for the sake of having the joy of being with you in body and soul when you take Communion in the state of grace...

5) Return, children, to the garden of your Father... I will not prune the branch and throw away the fruit. With infinite mercy I will make it grow to maturity in the warmth of My hands, and I will gild it with My gaze.

## CONVERSION

**SM-98**

29-Jul-94

The Lord

1:20 p.m.

1) Come, My child, what is holding you back? I am talking to you who write these lines, to you who read them... Is it perhaps some frivolous pleasure, some fleeting interest, some vain honor, some foolish commitment? But, for such petty things, must you resist a God who is calling you, and deprive yourself of the unparalleled riches that He wants to lavish upon you?

2) Come, because I am your only solution. After all, everywhere you find nothing but betrayal, unfaithfulness, weakness, harshness, grief and misery. I am the only friend in whom you can trust and in whom you will find help and comfort.

3) I neither seek nor desire anything but your best interests and your happiness. You have run thus far, fleeing from those who were breathing only damnation for you, from those who have seized and dishonored you, hurt you and put you in chains, from those who want to prepare eternal torment for you. Acknowledge your error and abandon them this very moment.

4) Come to Me, for I will free you from the yoke of the world that by its rules, its laws, its habits, its advice, its requests and its trade, the world that [alternately] burdens or attracts you, and thus tries to bind you in sin and takes you away from the course to Heaven. I will relieve you of your suffering and hardship that you encounter in fulfilling your obligations and

practicing virtue. I will clothe you in strength that will make you superior to everything. I will give you relief in the daily works of your present life... Come and place yourself in the bosom of My infinite charity like one of My sheep in accord with the Prophet: I will hold you in My arms and I will not allow anyone to snatch your soul from Me and I will take you to My heavenly fold.

## HARDEN NOT YOUR HEART

**SM-99**

31-Jul-94  
8:15 p.m.

The Lord

<sup>1)</sup> Harden not your heart, My child. May you no longer be as cold as marble and as hard as a diamond at this time of mankind's ingratitude. If the last man on earth had done a thousandth of what I do for you in the Mystery of the Eucharist, you could not help but love him...

<sup>2)</sup> Did I not grant you beautiful gifts when I gave you all the things of the world, placing you over the beasts of the earth, the birds in the air and the fish in the sea, even commanding My angels to serve you and accompany you everywhere?

<sup>3)</sup> Did I not give up enough for you when I came down from Heaven and clothed Myself in human nature in the mystery of the Incarnation? Did I not suffer enough for your salvation during the course of My life and death so as to stop humiliating Myself by the sacred excesses to which I descend upon the altars?

<sup>4)</sup> What should your hearts feel for Me who loves you so fervently, who gathers for you in My person all the perfections impossible to imagine, and who awaits you in an immense and eternal kingdom full of glory and happiness?

5) All I ask of you is love, My children... Love Me with all the strength and perfection that you possibly can. Convert all your members into hearts and convert those hearts into burning flames so that together with the angels and the blessed in Heaven, all the righteous of the earth and those who suffer may understand the infinite love that I show you in this mystery.

### LITTLE CHILDREN, RESPOND TO LOVE

**SM-100**

1-Aug-94  
5:45 p.m.

The Blessed  
Mother

*1) (While dreaming, I see the Blessed Virgin handing to me a yellow folder containing some papers, like draft pages of the book which I was worrying about. She smiles and says): I AM THE MOTHER OF THE DIVINE WORD... (I read the first page:)*

2) Little children, intensify your prayers and respond to the infinite love that Jesus shows you in His desire to save you.

3) Offer all your love at each Communion, especially together with the love of the angels - present at each Eucharist - together with the love of His Divine Heart, to that which the Father and the Holy Spirit have for Him, and that which He Himself feels towards Them in the adorable Trinity, the One [Love] of My Immaculate Heart, and... ask Him to shed His Mercy on mankind.

4) Beseech Him to cause sparks to fly from the sacred fire that consumes Him, so as to set you afire because just one spark is needed to scorch the whole universe... Sincerely present to Him your consecrated hearts so that He will place His marvelous favors in them.

5) Ask Him for a sensitive and burning heart in order to fulfill your obligations to perfectly acknowledge His love and His unparalleled sacrifice.

6) My little children, look at the situation the world is in... Help Me with your prayers and fasting.

### I AM ON YOUR ALTARS BUT YOU DO NOT RECOGNIZE ME

**SM-101**

5-Aug-94  
9:47 a.m.

The Lord

1) My children, I came to bring to earth the sacred fire of My love: to enkindle the hearts of mankind with My words, My examples and My sufferings. They could not recognize Me; they were unable to open their hands to receive the graces I came to give them. They could not open their arms to receive the blessings of the Father. They did not open their eyes to look at the Word Incarnate, or their ears to hear the Sacred Word.

2) At My first coming I wanted all creatures of the universe to transform themselves into a marvelous holocaust, by consuming themselves in the flames of charity and love for the glory of the Holy Name.

3) Today I return to you in a mystery which I enkindle through the very ardor of Myself, in order to scorch you like a devouring flame and consume you with the intensity of My charity... Here, I am love that burns continuously and that is never extinguished. I am hope that cannot be lost. I am the only wine that quenches thirst. I am the bread of eternal life, because I Am who AM.

4) On the altar (which is the same as the Mountain where Moses received the Word of the Father), in a shining cloud of fire, I await you like a burning forge from which there issues swirls of live embers that desire to burn you and consume you

until you find true happiness... Yet you still do not recognize Me... You refuse once again to embrace this Mystery... Again, you cover your eyes and ears.

<sup>5)</sup> Through one of My angels, you have been exhorted, little children, to purchase this love that he called “burning gold”... The price of it is simply Love; the price of it is to open your doors and say to Me: “Yes, I want to be forgiven. Yes, I want to hear Your Word. Yes, I want to abandon myself in the Father. Yes, I want to receive the Spirit of God...” Yes, to this immeasurable love...!

### ENJOY THE RESPLENDENCE OF THE EUCHARIST

**SM-102**

10-Aug-94  
10:30 p.m.

The Blessed  
Mother

<sup>1)</sup> My children, unite yourselves to Me to enter into the love, the respect, the praise and the glory that I render eternally to God.

<sup>2)</sup> At the moment when the body of Jesus is exposed in the Sacred Eucharist, give thanks to the glorious Sun which lights up the whole world and whose light is never eclipsed. Enjoy His resplendence.

<sup>3)</sup> Run to Him, children, to the Holy School where one is lucky enough to be taught by the holy Father, to learn the truths of salvation. It is there where all will receive the forgiveness of their sins. It is the ocean of all goodness from where there unceasingly issue brooks and rivers of grace. Ask Him to fill every space in your souls with His divine effusions.

<sup>4)</sup> Like Me, feel yourselves transported with love and recognition towards Him since He is the Ark of the Covenant that causes you the good fortune of entering into society with

God. And He is the one who permits this Mother of His to continuously extend to you unlimited favors from Heaven.

5) The Eucharist is Noah's Ark. Only in It can one hope for salvation and outside of It one has to perish. It is the blessing that receives in Its bosom not a small number of persons but all those who wish to enter. It is the chariot of fire that transports not only Elijah to Heaven but all those who unite themselves to him forsaking the cloak of all their earthly affections.

6) It is the treasure of the world which enriches both Angels and men, allowing them to take for themselves everything they want. It is the temple of the Lord which is always filled with His glory and where everyone has the absolute freedom to enter in order to adore His infinite majesty. It is the only Sacred Altar where God receives His offerings and where He commands us to bring all of our offerings.

7) It is the holocaust which is perfectly pleasing to His eyes, which sanctifies all those who are His, through union with Him, and which knows how to regard them highly by consuming them in the fire where He Himself is burning. He [Jesus] is the Universal Priest who presents to God all the offerings of mankind so that by going from His hand they will be pleasing to Him [God the Father].

8) Jesus-Eucharist is the advocate and mediator for the heavenly Father, who defends unceasingly your cause in His tribunal, and who reconciles you to Him. He is the book of life, where all the predestined are inscribed and where it is necessary to be in order to be saved. He is a paradise of delights where pure souls dwell and enjoy ineffable pleasures. He is a Heaven open to those who wish to enter into it and leave behind the creature in order to possess the Creator. He is

the Holy City where the Most Holy Trinity and all the saints have their dwelling place.

### I INVITE YOU TO TAKE REFUGE IN MY HEART

**SM-103** (& 1)

11-Aug-94  
6:19 a.m.

The Lord

<sup>1)</sup> My child, come to Me. I invite you to take refuge in My Heart... You have need of It. Place in Its wounds all your hope since It is always ready to receive you, to help you in your needs and to fill you with Its favors.

<sup>2)</sup> In this infinite abyss of perfection, the Father wished to create the beginning, the center and the model of every virtue for your sake, and intended for you, for this moment when your feet hesitate, not finding a safe path to walk on.

<sup>3)</sup> Take and extract from It [My Heart] charity, obedience, patience, purity, sweetness and all the virtues that you wish to attain. It awaits you every day like a fountain that desires to quench your thirst. I want it [the fountain] to be enriched by the waters of this Spring of Mercies that continuously flows and never becomes dry.

### HOLINESS

**SM-104**

12-Aug-94  
2:40 p.m.

The Blessed  
Mother

<sup>1)</sup> Little children, feel that you are rocked, spoiled, and caressed by your Heavenly Mother.

<sup>2)</sup> I want to mould you in the light of holiness in order to bring you close to the divine sun of the Heart of Jesus... You have been talked to a great deal about the sun, because the sun is the source of light and because you can recognize its rising and its

setting. Today I want to reveal to you that the Word of God is similar, and that you must live it, spread it and watch over it. You must enjoy it, warm your spirits with Its heat, and obtain relief from your fatigue in Its strength... Live It far from the hustle and bustle of the world; move away from those places where apostasy has found space, which are bleeding wounds for the Mystical Body of Jesus.

3) Spread devotion to the Holy Eucharist. Only when reconciliation in the adoration of Its Sacred Form has emerged from here will the Reign of the Lord come. Do not allow the doors to be closed, like on the night of His first coming, when My spouse and I were knocking [on doors] seeking shelter.] Today every closed door opens a new wound in My heart.

4) It has not been given to the rich, the powerful or the proud to penetrate the mysteries that We are revealing to you. There should be no doubts in this squadron that it is I Myself who have been molding you for the moment of entering the battle... The moment of great scourging has arrived, for there will have to be purification with fire, devastation, hunger and sickness.

5) It is the moment of your witness, your unity, your surrender. Please, banish egoism, sow peace and forgiveness. Do not do any harm to yourselves. What will you harvest? Open your hearts to hope and happiness.

6) With trust, go up to the place where darkness will be transformed into perpetual light, and return, shining in your apostolic action.

7) Raise your eyes and you will be illuminated by the virginal light of My purity and holiness. Now, go and be light for those of your brothers and sisters who still walk in darkness.

**GIVE EXAMPLE BY YOUR BEHAVIOR AND YOUR LIFE OF  
AUSTERITY**

**SM-105**

13-Aug-94  
10:48 a.m.

The Blessed  
Mother

*1) (After the visit of Jehovah's Witnesses:)*

2) Calm down. It is over now. You could see what we did. They will not return but the little thorn remained. Cheer up, little daughter. That passion, that fervor when you defended your faith is what is lacking in My children and in a large portion of mankind.

3) You should not feel badly. I will tell you each time what needs to be done. From today on, your actions are in accordance with My will. Consecrated to Us, you belong to Us and whatever you do will be Our work. Otherwise, how do you think you could lift that stone?

4) Give example by your behavior, by your life of austerity, by your restraint, your modesty and your humility. I will protect all of you. Everything is in obedience to a plan and not a single hair of your heads will be touched because I will not allow it.

5) I am pleased and I am glorified in those who love Me and are, by the example of Jesus, poor, humble, pure and charitable...

*6) (In connection with the image of the Queen of Peace and the prayer group:)*

7) Let My little daughters know that "I feel very happy here among you. It is not idolatry and so that it will not be, I take My place there." You should have a retreat the first Saturdays of the month: 12 hours which you will divide among yourselves, and you will pray the five decades of the Divine Mercy and the 15 Mysteries of the Holy Rosary.

8) The battle against My adversary has begun. Speak to your families. The Lord and I are with you. Each one of your lives is taking on a new meaning with Communion. You do not know how great is the gift of love that Jesus transmits to you in the Eucharist.

9) Amen to My Son, and remember that He is the living word of the Father...

Note: In the original Spanish text, the indicated date for the next message was the "Same Day" as the preceding message but the time indicated that it was given just after midnight so the actual day and date would have been Sunday, August 14<sup>th</sup>, which may have been the day the Church in Bolivia was celebrating in 1994 the Feast of the Assumption, which is normally celebrated on the 15<sup>th</sup>.

### MY ASSUMPTION

**SM-106**

Same Day  
12:40 a.m.

The Blessed  
Mother

1) Today when you celebrate the feast of My bodily Assumption, I want to reveal to you the joy of Heaven in the presence of this mystery.

2) When with enormous love, I formed the human nature of the Word, I accepted that I would hear and watch over the Word of the Father. At that time I was rewarded with the most marvelous crown, right then at that precise moment -since for God there is no time or space- while I was weaving words of lullaby for My child, the angels were weaving the clothing I would need to present Myself before the sacred throne of the Holy Trinity.

3) At this moment, the voices of the Angels break the great silence to invite you to share the second Annunciation. I have wished to reward you for your YES, which together with Mine, was offered

to the altar of the Lord. From here, close to Jesus, I love you and I follow you... Unite yourselves to Me in prayer asking Divine Mercy for the great miracle. With My faithfulness and your love and sacrifices, the Lord will shorten the period of trial... Ask for days of peace and serenity.

### **MULTIPLY THE CENACLES:**

<sup>4)</sup> Multiply the cenacles with prayer and do not lose heart. Bright times are near. Energetically proclaim My messages. Do not allow yourselves to be deceived by the roar of voices that confuse you; do not allow yourselves to be deceived by words of peace in your encounters with human beings, or by the harmful influence of the world.

<sup>5)</sup> Now, during the lack of faith and the rejection of God, when the thickest darkness covers life on earth, I ask you to invoke the Mother of the Divine Word, because at this final time, I also prepare for the coming of My Son. Not with My hands, like the first time when I prepared that mantle that would shelter that little body, but with our prayers, Mine and Yours, that achieved the success of the Word finding flesh in each one of your lives, through the Holy Eucharist.

<sup>6)</sup> Today, on the feast of the Assumption, I receive your homage of love with joy, and I come to invite you to prepare for the feast of the "Mother of the Divine Word", the day when My Immaculate Heart will triumph, achieving the victory of the Merciful Love of Jesus.

<sup>7)</sup> I bless you... Emanuel.

## SHRINE OF URKUPIÑA

SM-107

15-Aug-94  
3:45 p.m.

The Blessed  
Mother

*1) (At Cota - Urqupiña, the place where tradition says that the Virgin appeared to some little shepherds:)*

**2) My little children, I want to thank you for this day and for everything that you will have to do from now on in order to carry out this work. (The Marian Shrine of World Renewal)**

**3) In France, a medal showing the Immaculate Conception became known, and it has traveled through the world, helping Me to save millions of souls.**

**4) You will have moments of hardship but you must never feel alone. From now on, many angels who have descended to this place will accompany you. Be filled with joy because the Most Holy Trinity is gazing at you and is giving you Its blessing. Beseech the Holy Spirit to give you the gift of spiritual transformation. Stay on here and keep Me company for one more hour.**

### PRAYER TO THE HEART OF JESUS DICTATED BY THE BLESSED MOTHER

**5) Heart of Jesus, spring of love, grace, light and holiness, pour into my heart those gifts that You possess in abundance. Make it [my heart] become gentle like You, humble like You, simple, patient, obedient and diligent like You. Soften its hardness and stubbornness; restrain its impetuosity; rule its affections; give it a share in Your purity; pass on Your righteousness to it; kindle Your fervor in it; inspire it with Your courage; stamp on it all Your movements, and never allow it to follow anything else. It**

is up to You who are prime sovereign over every heart, to govern, dispose and lead mine.

<sup>6)</sup> You Yourself, come and occupy mine so as to convey life, heat and movement to my whole body. Come and enkindle it, and give it a little of Your Holiness and perfection, and thus I will no longer fear to fail in the love that I owe to God and to my neighbor, because I will possess within myself the source of all charity. I will no longer fear Hell, because I will carry inside myself the cause of heavenly happiness whose sweetness will begin to make me taste from this life in order to satiate myself fully and eternally in the other life. Amen.

### CONSECRATE YOURSELVES DAILY TO JESUS AND MARY

**SM-108**

17-Aug-94  
2:45 p.m.

The Blessed  
Mother

<sup>1)</sup> Little children, you should respond to the great gift that you have been granted. Do not seek to find out what place you have in My plan, but know that each one of you is irreplaceable in it. Do not allow yourselves to be held back by the unbelief in those who surround you. Be mirrors in which My image may be reflected.

<sup>2)</sup> There are moments when My adversary paralyzes you with distrust, when he sows doubts in your path. Pray; do not allow anything to disturb the joy of surrendering your hearts, of consecrating yourselves daily to Jesus and to Me. Your most powerful weapons are Communion, fasting and the Rosary.

<sup>3)</sup> Help Monsignor with your prayers and with the book which will give credibility and stability to the group. You must hurry. Get organized, continue making contacts and getting everything ready. The newspapers and the book: hurry, hurry.

Only X should know about it. The book will have to be a surprise. Please keep it in reserve. Thank you for your affectionate response.

### APPROACH THE SACRED MYSTERY

**SM-109**

19-Aug-94  
1:50 p.m.

The Blessed  
Mother

<sup>1)</sup> I am the Mother of the Eucharist. I am the one who pleads on behalf of My Children for the Mercy of the Lord.

<sup>2)</sup> Children of the world, all of you, approach the Sacred Mystery that Jesus has given you. Approach the place where all the saints have found their repose, their joy and their happiness.

<sup>3)</sup> Approach that admirable Vessel which is the most marvelous work of the Most High, where it seems that His power, His wisdom and His goodness have been exhausted.

<sup>4)</sup> Give thanks for His burning love for you, for the goodness that attracts you and for the continuous care that He takes about anything concerning you.

<sup>5)</sup> Humbly ask forgiveness of Him because He places His glory, not in punishing sins but in forgiving them. He is the pontiff who reconciles you to the Father. Little children, do not scorn that abundance of good things which is the Paradise created for you and which you undeniably possess like the gateway into the Sacred Host.

### PRAYER OF THE SICK PERSON

*<sup>6)</sup> Lord, You who from the highest heavens sees the enormity of my ills, and what should be their consequences, only You can free me of them. You have only to utter a single word to give me perfect health.*

7) You went everywhere seeking the sick and you healed their illnesses. You exhaled a virtue which gave health to those who approached You. Today, you give Your own blood to drink and Your own body to eat in order to heal all the sick of the world, and I think: What other doctor but You would sacrifice His own life to save the life of his patient?

8) Come, Jesus filled with charity, come to this poor sick person. Place Your hand over mine and with it, give life back to me. Neither Your Angels nor Your prophets nor Your disciples have been sent to heal me, but it is You Yourself who has come.

9) Look, Lord at the multitude and depth of the wounds that my enemies have inflicted on me. Look how prostrate I am all at once, from ambition, pride, impurity, anger, envy, gluttony and all the other spiritual illnesses put together. Look at the depth of corruption in my heart. How much hopefulness there is in my mind. How much confusion there is in my imagination. How much disorder there is in my appetite and how much freedom in my senses. I have every evil put together and I have them in abundance. Heal me, I beseech You, for the greater glory of Your holy name.

10) My Savior, in another era, the slightest touch of Your sacred hand or your clothing, Your slightest word healed every illness. How will you heal me today? Not only do you give me Your body and Your blood to give me life, but you insist on doing so. Divine Doctor, Your glory is my healing and it is enough for You to desire it, for it to happen in a moment. The most stubborn of illnesses are merely like soldiers awaiting orders from their general. Order, oh Lord, the whole troop of ills that distress me, to leave me, and at that moment, they will leave me. Only be willing to heal me and at that hour I will be healed.

11) I know that not only can I ask You to heal me but also to take care of me. I accept all the operations You judge to be necessary: open me up, cut me up, split me into pieces, tear pieces out of me, put iron

*and fire inside me... I place myself entirely in Your holy hands and I subject myself to everything. Give me any treatment You please. I am ready to follow it. Order me to deprive myself of whatever it may be, to do such and such a thing and I will do it without a single doubt because with faith, I am placing my life into Your hands and I cannot deceive You.*

*12) Lord Jesus, You are my doctor and my help. Stay in all my senses and my body and they will be healed of the various ills that afflict them.*

*13) What do you want me to give You, my beloved doctor, for having come to me and for the divine medicine that You have brought me today? What can I give You that will be worthy of only You, Yourself? I offer You Your own grandeur and perfection and above all the infinite charity that has moved You to come and heal me. I also completely surrender to You, myself and everything that belongs to me. I want to put to Your service, the health that You are giving me.*

*14) I promise You, heavenly doctor, that from now on I will avoid not only every sin but everything that has the appearance of it.*

*15) I will never forget this moment, this medicine that you also give my soul with Your sacred body and Your precious blood. I thank You with all my heart and I beseech all the Angels and saints to thank You for me.*

*16) A goodness such as Yours was required in order to make You come down from the heavens for the purpose of coming to heal me. So stay with me; do not forsake me for a moment. Be my guide; feed me with the eternal fruit of life so as to repair my weakened strength.*

*17) Into Your hands, Lord, I place my life, my illness and my strength. You have what you want from me, but do not let me lose my soul. If the health of the body is important, much more so is the health of my spirit and the latter belongs to You, Lord. Have pity on my soul.*

*18) My Jesus, be my doctor, my medicine and allow Your Blessed Mother to be my nurse, my companion, my refuge and my comfort. Amen.*

## WHERE IS THAT LIVING FAITH?

**SM-110**

20-Aug-94  
10:40 p.m.

The Lord

*1) My little children, it is for you that My Holy Mother was preparing the path, and it is to you that I, wounded and hopeful, address the question: How are you proceeding in your practice of piety? Is it with lukewarmness and certain dissolution of spirit? Where is that pure love that you ought to be embracing? Where is that fervor that ought to be guiding everything that concerns Me with ardent zeal?*

*2) Where is that living faith that fills the mind and heart with the truths of salvation? Where is that unwavering faith that does not hesitate to reach for help from Heaven even when it seems that there is nothing to hope for?*

*3) Where is that deep humility that tends to place itself under the feet of others? Where is that perfect obedience which does not fail to observe a single point of the law? Where is that continuous prayer that never loses Me from sight? Where is that contempt for the world that sees the dregs of material things? Where are those Christian virtues that you ought to be practicing?*

*4) I require of you a conversion that not only makes you avoid mortal sins but obliges you to guard against the slightest faults committed on purpose, a conversion that not only makes you avoid evil but one that stirs you to do good works and makes you enter into the practice of the most solid and perfect virtues.*

5) You are obliged to do all this in recompense for the incomparable love of My Mother and because of all the generous things I have bestowed on you. Do not allow the infinite number of graces you have been given to remain written down on a page without bearing fruit.

6) Value each word made especially for each one of you, for your group, for this mission that I have given you, almost like the one I gave My Apostles, to carry to the world "MY WORD", and to be the heralds of "MY MERCY."

7) How many saints there are who have lived a life of mortification while asking for a ray of My light to reveal the path to them, while you who possess the whole sun, continue to delay your conversion...!

### THE INGRATITUDE OF MANKIND

**SM-111**

22-Aug-94  
11:20 a.m.

The Lord

1) My little daughter, look at the extremes reached by the ingratitude of human beings, because even though they have cost Me so much and they have been told that I am the sovereign being of their lives. They have forgotten everything to the point of casting Me shamefully from their hearts and handing over My kingdoms to My cruelest enemies.

2) If human beings could only see the depths of their misery and the profundity of their nothingness, they would have no more vanity because it is based on nothing but untruth, and My truth would destroy it. I have granted them the grace of asking Me for a perfect conversion through the merits of My life, My blood and My death... They do not know how to find Me...

They neglect the bloodless sacrifice of My body and blood unceasingly offered on the altar.

## MY CHILDREN DO NOT DEFEND MY CAUSE

**SM-112**

22-Aug-94

The Lord

<sup>1)</sup> My children have forgotten to defend My cause. They have neglected the communion with the saints and the blessed in Heaven. They have neglected veneration and respect for My Mother; they are no longer certain of knowing if they are going along the correct path or not.

<sup>2)</sup> Even the members of My Church flatter themselves that they are walking the right course, yet they may be advancing along the paths of Hell with a thread of a life that they mistakenly enjoy... Their little love, their little acknowledgement, their little application to service and their little fervor when they approach the holy mysteries are causing them to be condemned.

<sup>3)</sup> My love for human beings reaches such a point that even if they are totally useless to Me and I am infinitely rich, powerful and joyful by Myself, I have wished to purchase the small kingdom of their hearts at the cost of life and blood. I have been whipped to pieces, crowned with thorns, spat upon, slapped and placed on an infamous cross, dying of grief and shame in order to save them from the hands of My enemies and establish My Kingdom in them.

<sup>4)</sup> Even today when My Mercy surpasses every limit, I come again to hand Myself to them in order to be their King and their Kingdom. Their King because I want to reign over them and their Kingdom because I want them to reign in Me and with Me and to enter into possession of all My grandeurs, My glory and My riches.

## OPEN YOUR HEARTS

**SM-113**

24-Aug-94  
9:45 a.m.

The Blessed  
Mother

<sup>1)</sup> Little children, open the doors of your hearts and let the King of glory enter. Let everything that is inside you acknowledge Him as sovereign. Hand Him the keys of your freedom, the power that He has given you over your souls and your bodies, over all your faculties, and over all the exterior things that you possess. Ask for everything to be subject to Him from now on and for nothing to be done without His Divine Will.

<sup>2)</sup> Receive Him with the greatest feelings possible of love, respect, joy, adoration, humility, sorrow for your sins, and desire to be possessed by Him. Offer to Him, in addition to this greeting, all the acclaim, all the honor, and all the respect with which the angels and the blessed received Him in Heaven the day of His triumphant Ascension, and all the glory and the magnificence with which the Father welcomed Him and placed Him at His right hand on a throne equal to His.

<sup>3)</sup> Ask Him to sow His divine doctrine in your hearts, like the best and most patient of Master's. Abandon yourselves to Him, My children.

## I AM THE SHEPHERD

**SM-114**

24-Aug-94  
10:12 a.m.

The Lord

<sup>1)</sup> I am the Shepherd who unhesitatingly gave Himself for the salvation of His flock. I am the Shepherd who comes to you to

keep you from going astray and being devoured by the wolves that set traps for you every moment.

2) I am your shepherd, My son. Today, I want to receive you as one of My sheep, to heal your wounds and give you food to eat which is infinitely delightful: My peace and My love.

3) If your soul is dying of hunger and weakness, I will restore your strength. I wish to purify your heart and your feelings so that you may enjoy the divine pasture that I want to give you and receive the effects that this produces in hearts that have surrendered to My Mercy.

4) If you have ungratefully disobeyed My voice of warning on many occasions, if you have scorned My caresses and threats on other occasions, if you have wounded and torn to pieces other sheep of My flock, if you have led many astray with you, if you have infected others by your example, if you have poisoned others by your malicious talk... I will no longer remember.

5) From the moment when I reach you in order to hinder you from perishing, as if My whole happiness consisted in possessing you, I will show you the extent of this love. It has been a long road [to travel in] running after a sheep that maliciously fled from meeting Me... I only ask you today to open your heart to Me so that I may rest in it after the fatigue I have experienced seeking you and possessing you, feeding you, comforting you and making you happy.

6) Look steadily at Me. Other shepherds grab the skin of their sheep to make them love and follow them. I grabbed your human nature. The former feed themselves with the milk of their sheep. I feed Mine with My own body and blood. They cover themselves with their very beautiful robes. I clothe those who are Mine with Myself. They kill their sheep and sell them for their own needs. I have allowed Myself to be sold in order

to save those who are Mine and I have handed Myself over to death in order to save their lives.

7) Let Me watch over you to protect you. I will give you grazing in juicy pastures; I will lead you to fountains of life. I will seek favorable shelters for you where you can rest from your work and take cover from the heat of summer and the rigors of winter. I will hold you in My arms, in My bosom.

8) If you are blind, I will give you sight. I will heal you when you are sick; I will take you where you cannot go. I will feed you if you are hungry; I will wait for you when you cannot follow Me. If you fall through weakness, I will strengthen you; if you are stubborn and disobedient, I will correct you. If you are on the verge of getting lost, I will guide you and I will defend you when wolves attack you. If you want to escape from Me, I will put you in chains with the sweet bonds of My love.

9) Your salvation has taken Me a long time. I have shed blood to save you and I have wept over your perdition a great deal of the time. Today I want to comfort Myself over your return... Come, My Son, I have come down from the holy mountain because I want to pasture you with the divine food that I have prepared, so that it will be your strength, your joy and your delight. I am at one and the same time your shepherd, your pasture and your life.

### PRAYER AT THE EUCHARIST

*10) Jesus of my soul, thank You for coming to visit me today. Do not leave me in the pitiable state You found me in. Make me know the effects of Your beloved and precious visit.*

*11) You have acknowledged and treated me today as Your child; Divine love, continue to be in me, I beseech you. Protect me, rule*

*me, lead me and consider my need to be in agreement with Your will.*

*12) Do not leave me to my own ways, for only You are my path. I cannot but be lost if You leave me my free will. Stay close to me to guide and lead me...*

*13) My love, I have promised to listen to Your voice and obey Your commandments. I am in this plan. Command what you wish me to do and I will do it on time with the help of Your Blessed Mother.*

*14) I will not listen to my flesh and blood. I will not listen to my self-love. I will only give ear to Your Divine Spirit... I do not want to give You the disappointment of losing me. I will be firm in the obedience that I owe You and I will not approach the depths of the abyss.*

*15) Forgive me if the coldness of my ingratitude dried the blood of Your wounds. From this day on, let the warmth of my love warm and make Your precious blood shine.*

### **PRAYER ASKING THE LORD TO GRANT US THE GIFT OF ACKNOWLEDGING OUR SINS**

*16) My Lord, eternal spring of light that probes the heart and what is most intimate in human beings and whom nothing is hidden from, I come to beseech You to illuminate my mind so that I may come to know the state of my conscience and the sins that I am guilty of before You.*

*17) Lord, let light be born in my mind so as to scatter the deep darkness within me. Let me see myself as I am in Your presence, so that by recognizing the enormity of my sins, I may accuse myself of them before the tribunal of Confession and obtain forgiveness. Let there shine on me a ray of that light that You will shed on my soul at the moment of its separation from my body, when I go and present myself before Your tribunal so that by acknowledging the*

*deformity of my sins, I may expiate them in the Sacrament of Penance.*

*18) Pour into my heart the feelings of a sincere and true contrition, so that I will weep for them and detest them in such a way as to deserve forgiveness. Do not allow me to deceive myself by a false act of penance that will not serve but to make me guiltier. I beseech you, Lord, put into my heart all the suffering that is necessary to derive fruit from this Sacrament.*

## I LOVE YOU AND WATCH OVER YOU

**SM-115**

25-Aug-94  
2:55 p.m.

The Blessed  
Mother

*1) My little children, how My maternal love thanks you for the affection that you bestow on Me. In these times, in the midst of the corruption that has harmed humanity, you are an oasis of hope.*

*2) Do not fear, little daughter. You will be in good hands; open your heart to My beloved daughter and place a rosary in her hand tonight when you pray. Tell her that I ask her not to separate from him.*

*3) All of you must hurry with the book, The Miracle of Divine Mercy that the world will receive from the Lord, will begin to spread. Understand that you are a small but valuable instrument for this grand finale. You cannot begin to know how many people and how many places those messages will reach. Do not allow time to get in the way of this project so carefully planned and which My Son has agreed to through Me.*

*4) Time is running out. Please postpone other things and put aside things of the moment. Help Me! The period of bloodshed for the Church is at the door and Our words must reach all My children by different sources.*

5) Very special graces have been given to you in abundance. Use them wisely.

6) Kneel down with Me in an attitude of reparation for the countless offenses committed against the Most Holy Trinity. I love you and I watch over you...

## SEEK MY GLORY

**SM-116**

26-Aug-94

The Lord

1) My daughter, My throne is a throne of fire and light, of justice and holiness. On it, I await you like the prodigal son, not only happy to receive you but preparing a banquet for you, to make you a gift of the ring of faith, the clothing of charity and the footwear of hope.

2) The only thing I ask of you is that in order to eat this food, you leave the husks for the pigs, and you give up the delights that are not of My Kingdom.

3) To be worthy to eat it, you must be a child of the Heavenly Father and follow an honest life. It was not prepared for the dogs or the slaves, that is, for the souls that live under the law of sin.

4) Therefore, clothe yourself in the spirit and virtues of the children of God before presenting yourself to receive Me...

5) You do not know how I love the tears that adorn your face. Love Me always, and remember that I exhaled My perfume so that you may breathe. Let Me rest on your bosom and pierce you with love and tenderness. Do you see how there was no reason to offend Me?

6) I want to repair the features of your face, to restore its original beauty, to heal its wounds, to give back its strength and

vigor, to remove from it every sign of ignominy and clothe it with the adornments appropriate to its birth.

<sup>7)</sup> In exchange, in everything you do, you will seek nothing but My glory and the fulfillment of My Will. You have Me like a Father; choose the path of the truth and the knowledge of salvation; lead a worthy life; labor at everything as I Myself would labor and repeat to Me with love the words: **Abba Father!**

### I COME TO CHANGE YOUR MISERIES INTO HAPPINESS

SM-117

28-Aug-94  
8:15 p.m.

The Lord

<sup>1)</sup> My children, do you not want to free yourselves from your misfortune? Can it be that you want to remain in that shameful state of slavery, in that cruel state of servitude? Do you not want to free yourselves from your heavy chains?

<sup>2)</sup> Here is the price of your ransom. I place it in your hands on the Sacred Altar for you to offer to My Father. Dust yourselves off; get up and break the chains around your neck. You have been sold for nothing and you will be redeemed without it costing you anything.

<sup>3)</sup> I come to change your miseries into happiness. I come to establish My Kingdom in your hearts. The bread of the Eucharist is the bread of intelligence, which fills those who worthily eat it with the light of wisdom. It is the true fruit of the tree of knowledge which will make you perfectly wise with the wisdom of the saints. Receive it ardently, desiring to be filled with its lights.

## WHY DO YOU NOT LEARN TO FORGIVE?

SM-118

29-Aug-94  
4:10 p.m.

The Lord

- 1) Why do you not learn to forgive?
- 2) Take your example from Me who never denied you forgiveness for having often abused My love and fallen back into sin. I absolved the woman who sinned when she arrived at My feet. I forgave the sins of the Publican when he humbled himself and I forgave the good thief when he acknowledged his sin.
- 3) I do not cast from My side sinners; I do not close the door of My Mercy on the wretched.
- 4) I offer Myself before you so that you will give unlimited forgiveness to those who offend you.
- 5) Do not deny yourselves all the joys of paradise because of not being able to forgive.
- 6) Do not condemn yourselves to an eternity of infernal torments because of your blindness and stupidity... Oh, hearts of stone, that after the bloodiest outrages you have committed against your God, you do regret the wickedness of your conduct...
- 7) Do you expect to gain Heaven by leading a life of rancor and vengeance? Do you not know that you will not be able to enter it without asking forgiveness for your sins as you forgive those who offend you? Do not be condemned by your foolishness.

## I HAVE FREED YOU FROM SIN

SM-119

30-Aug-94  
11:05 a.m.

The Lord

<sup>1)</sup> I have freed you from many conditions of slavery, My daughter, and mainly from sin. I have led you to silent interior repentance to bring about control over yourself. I have changed the current of rivers in order to plunge My charity into calm waters... I have made of you one link more in the plan of My love for humanity, and I have made your brothers into instruments of Merciful Salvation.

<sup>2)</sup> The most beautiful gift of all is seeing you united around Us. You should love each other even more and hold hands walking together so that in the world which is dominated by Satan, you will not allow yourselves to be seduced by his weapons. Pray every time you encounter hardship, because very harsh times await you, and yet you must not be distressed. My Mother will protect you.

<sup>3)</sup> Little children, spread balm on the open wounds that you see. Take Our words to those who walk in discouragement and periods of dryness. The instrument is in your hands...

<sup>4)</sup> How I value the intimacy of your life, love, adoration and reparation at the Eucharist... See Me in it, with the power of understanding, faith and will. May you be born each day with grace and holiness, to purity and to the hope of love; just as I rose from the dead to the right side of the Father, where I am pleased to extend My blessing to all those who participate in the making of the first book, the first drop from this "Spring."

## CONSECRATION TO JESUS

5) *My Jesus, victim of love, who consumes Yourself in the flames of charity, let me burn in Your volcano this day.*

6) *Lord, I promise You that everything that happens to me this day, I will accept with the same peacefulness and joy whether it is good or bad, because I will see the fulfillment of Your will and the glory that you derive from it. My pleasure will be to see shining in my actions, Your goodness and magnificence and I will stifle feelings of sadness and depression in order to rejoice in the satisfaction of Your justice.*

7) *I will employ my whole mind and will in advancing the few or many talents that You have placed in my hands. I will put all my comfort, my happiness, my success only into the fulfillment of Your will and I will have not other objective but to unite mine to It.*

8) *If I make these promises to you, My God, it is with the hope of Your help. Make of me an immortal flame that always rises towards the glory of the Father, to die of love for You and with You in an eternal furnace. Amen.*

## HOW MUCH SUFFERING THERE IS IN THIS COUNTRY

**SM-120**

**31-Aug-94  
6:30 p.m.**

**The Blessed  
Mother**

**1) Beloved little children, how much suffering there is in this country. Power is exalted like an idol and wealth is sought after as the supreme value.**

**2) Satan has entered your homeland in order to plunge it into mourning and suffering; to divide you, to sow in hearts coldness, dryness, vengeance and ambition.**

**3) This rebellion against the most frail, the most defenseless, is a rebellion against God. They are setting traps like wild animals for My most humble of children and the result will be hatred, rebellion and violence.**

4) **Please pray, little children. Today I ask you to pray much more so that your lives will be a permanent prayer. The moment has arrived when Our hearts must be glorified for the sake of humanity. Offer your Communion this week for Your homeland and for the Pope. Ask for the perfect fulfillment of the Divine Will of My Son.**

### PRAYER OF FORGIVENESS

5) *(At the meeting of "Choose":)*

6) *Forgive, Lord, not for the times when I may love but for the times when I neglected love.*

7) *Forgive, for not having come out in defense of the abused.*

8) *Forgive, for not offering love to an orphan in need of parents.*

9) *Forgive, for not having sat in a park –one hour each month– to listen to the complaints and thoughts of an old person.*

10) *Forgive, for speaking ill of people that I do not like.*

11) *Forgive, for not finding the child who needs my help.*

12) *Forgive, for never washing the feet of those who belong to me.*

13) *Forgive, for being unable to turn the other cheek when I was insulted.*

14) *Forgive, for being repelled by the wounds of an unknown person.*

15) *Forgive, for not being able to clean the nostrils of a child who is a beggar.*

16) *Forgive, for not knowing if servants in my house are suffering and have problems.*

17) *Forgive, for forgetting that every person is Christ living close to me.*

18) *Forgive, for wasting time seeking answers to my problems among human beings and not knowing that You are here to listen to me.*

19) *Forgive, for loving myself more than You to the point of not approaching the confessional.*

20) *Forgive, for forgetting that You are the Alpha and the Omega and that I will only be able to forgive myself on the day when You find me.*

21) *Forgive, for that weeping that does not allow me to abandon myself into Your beloved arms.*

22) *Forgive, Lord, for the years that I wasted without finding You. Thank you, Lord Jesus for forgiving me...*

### **BEGIN A NEW LIFE**

**SM-121**

2-Sep-94  
1:30 p.m.

The Lord

1) My children, you have an inheritance in your hands. Do not waste it.

2) Begin a new life. Train yourselves in the habit of never committing a mortal sin. Do not become lost in the commerce of the world or in any business deals that might harm your souls. Make time for prayer, reading and other spiritual exercises so that you fulfill your heavenly and earthly obligations without neglecting any of them.

### **I INVITE YOU TO MEDITATE**

**SM-122**

2-Sep-94  
1:30 p.m.

The Lord

1) Think about some offences that you may never have stopped to think about:

2) The offence of having thoughts of despairing of My Mercy, of not having accepted as submissively as you should have, the adversities that you have been tested with, and of having become upset and disturbed about them through your lack of faith and surrender.

3) Of not having been faithful in following inspirations from Me.

4) Of having arrived at the sacraments of Confession and Communion with little preparation and devotion, like a daily routine. Without stopping for a few minutes to spiritually enjoy a visit from Me.

5) Of not having the charity you ought to have towards your neighbor, of not having assisted or helped him or her when you were able to do so. What you do to your brothers and sisters, you do to Me.

6) You say that you want to see Me; you pray for a word from My mouth. Your brothers and sisters and all your fellow neighbors are there for you to see Me in them. You have a book in order to find the path towards Me... The seed was planted in good soil. I await its fruits.

7) I want you to be good, holy, free of every worldly stain while still living in the world. I want you to be examples of love and obedience to the Divine Will...

### YOU ASK FOR FORGIVENESS... WITHOUT BEING READY TO FORGIVE

**SM-123**

3-Sep-94  
7:30 p.m.

The Lord

1) *(At the retreat of the group "Choose"):*

2) I am near you praying the Our Father. Little children, how can you dare to recite the words "Forgive us our trespasses as we forgive those who trespass against us."? You repeat that prayer without thinking about it, without seeing that you are condemning yourselves when you ask for forgiveness that you are not prepared to give.

3) Examine this teaching thoroughly, this thought that you have just labored over... Dedicate one, two, or ten hours to it, on one or on several nights to reach an understanding of it. How I value the word "Forgiveness"! And how you should value it!

4) No one comes to Me if the Father does not call them, so how can you want Him to call you if you are closing the nearest door to intimacy with God?

### **INVOKE THE HOLY SPIRIT:**

5) Pray to Him... invoke the Holy Spirit to fill you with the invaluable grace of forgiveness.

6) Take as an example the humility of My Mother who knew nothing of pride or rancor... Humility is what crowns you at the foot of the altar...

### **PRAYER OF FASTING AND COMMUNION**

**SM-124**

6-Sep-94  
3:45 p.m.

The Blessed  
Mother

1) Little daughter, there will be many more attacks, but all of you should not worry. Prayer, fasting and Communion are the most powerful exorcism for you. My enemy can do nothing against the person who is in the state of grace.

2) Pray the Rosary and keep nearby in each room blessed crucifixes and rosaries. Periodically sprinkle all your rooms with holy water and above all, be certain that I am protecting you.

3) Ask your children to go to Communion.

7-Sep-94

### RENUNCIATION OF THE WORLD

*4) World, from this moment on, I die to you. I no longer have any thought, any desire, any affection through which I can be useful to you. Do not talk of your joys and pleasures; the dead have no feelings. Do not offer me your goods and your riches anymore; the dead are undeceived by them. Do not build up any hope I have of your glory and happiness any longer; the dead do not expect anything from you.*

*5) I no longer have any thoughts, wishes or inclinations except for My Savior, because I live only for Him. It is in God that I place all my joy and my comfort, all my good and my treasure, all my glory and my happiness.*

*6) I will not use the energy of my soul and the limbs of my body except to honor and serve Him. My mind will apply itself so as to consider His interests, which will blind anything else: all my faculties will be so busy working to serve Him that they will no longer have any strength to be concerned with anything else.*

### DO NOT ABANDON JESUS!

**SM-125**

8-Sep-94

The Blessed

11:20 a.m.

Mother

*1) Little children, please do not abandon Jesus for a vain honor, a frivolous pleasure, a trivial interest.*

*2) Many of you prefer the most trivial creature to the Lord and you would rather enjoy it for a moment than possess Him with all His riches for all eternity. Do not scorn His love, reopening His wounds. Do not snatch from Him the fruit of His blood, by depriving yourselves of all the advantages that He gained for you by shedding it for you on the cross.*

3) He reconciled you to the Father by His death. Do not bring on once again His indignation over your faults. He healed your wounds; do not open them again. He has put Heaven within your reach; do not sell the right that you acquired at the price of His life.

4) Allow yourselves to be led by Him, trusting in His divine will. Live the grace of your Baptism by giving up the seductions of the world... Thank you for remembering Me today in such an affectionate manner.

### PRAYER

**SM-126**

8-Sep-94  
1:40 p.m.

The Blessed  
Mother

1) Pray, My daughter. Pray with your heart and with your mind. May all your senses be a prayer. Do not allow yourself to be carried away by anger... That offends God.

2) *(I ask to see Her for a second to give Her a kiss for Her Birthday).*

3) You still cannot see Me, but I approach you to give you a kiss...

### EVERYTHING YOU DO, YOU WILL DO WITH ME

**SM-127**

Continuing on the  
same day

The Lord

1) I must leave you, My daughter, love of My sufferings, echo of My voice, chosen by Us to begin the great Miracle of the return to faith.

2) *(Do not leave me, Lord!)*

3) Until the moment when you will be able to see Me, do not doubt that I will reward you. I reward the love and endeavor of My children. Feel Me... You will need to receive Me daily in

order to feel Me in you. Everything you do, you will do with Me; you will feel Me inside of you. My Divine Will requests that of you. I do not want inappropriate words or gestures; I do not want offences against your neighbor; I do not want impatience; I do not want distraction in your spiritual life...

4) I need love, little daughter, all your love. I need you to be strong, decisive, trusting. Love My Mother. We are one in heart and mind... She led Me to you.

5) *(I am afraid that You will leave me.)*

6) You must not fear anything; nothing will happen to you. You are with the Holy Spirit, because that is what you ask for every day. I will stay within you, in your purity. You will be able to do everything in My name and through My wounds.

7) Fast and do penance for every one of them.

8) *(Lord, let me see You for a second.)*

9) Everything has its time. Wish for it... In what place do you think I should be? Which dwelling place to visit?

10) *(In a beautiful, pure place, worthy of God, My Lord...)*

11) Then prepare that place for Me, according to your love... My peace is with you.

## YOU WILL ALL NEED TO LIVE BY LOVE AND FAITH

**SM-128**

12-Sep-94  
7:50 p.m.

The Lord

1) The time has arrived when you all will need to live by prayer and faith. But you have the enormous advantage of the fact that I did not teach you like those who came before you, by means of My Patriarchs and Prophets, whom I made use of in order to speak to My people. I taught you Myself, without

thinking of whether you deserved this grace of not... Love moved Me to do so, only love.

2) I have sent My Mother to prepare you, because I want from you meek hearts to accept and understand the doctrine of this Master of yours. I require that you renounce your previous faults.

3) From now on, do not seek anywhere in your minds, wills, senses, limbs, thoughts, desires and actions. May you be as I am on the altar: a Host. Therefore, die and live at one and the same time. Die to all creatures and live for God.

4) Live and exist only for the Whole; be consumed in the flames of My love. Be filled with My Word. May you fly like lightning to everything that could contribute to the glory of the Most High. Take part in it without love, pleasure, fear, sorrow, complaints of nature, requests from friends, or persecutions by enemies having the power to hold you back.

5) The suffering and shame that you undergo because of Me, will be your delight. Live in such submission to My will, that if you love your bodies, your lives, your health and the good things I will have given you, it is not because your nature finds its pleasure, comfort and interest in that, but because I desire that you value them and because I have entrusted their care to you.

6) All your activities will be the same to you when they are laid down for you by My will, since it is My will that gives merit to them. My peace be in you.

## HOLY SPIRIT

**SM-129**

15-Sep-94  
1:40 p.m.

The Lord

<sup>1)</sup> When I unite My death and Resurrection with your baptism, they carry the germ of the Holy Spirit. You only need to ask for His gifts in order to be rid of your crutches and begin to walk along the path of virtue.

<sup>2)</sup> Only that intercessor can prevent you from falling into the abyss. All the efforts, cares and assistance from creatures are useless without the continuous chain of gifts with which He frees you from every danger and leads you to the gate of salvation.

<sup>3)</sup> Surrender your senses to the Divine Paraclete to make Himself present with His notable effects, with His light and inspiration. Then you will attain an immense power of love and dominion over your own nature, human and as such, vulnerable and weak, with a tendency to fall.

## MY HEART RUNS TO MEET YOU

**SM-130**

17-Sep-94  
7:50 p.m.

The Lord

<sup>1)</sup> My children, you only need to desire to meet Me, and My heart will run to meet you. In it, you will find refuge from the cruelties of human hearts. It accepts you while they reject you. It comforts you while they abandon you. It consoles you while they distress you.

<sup>2)</sup> In this Heart you will find in abundance, what you need to make up for all your losses. With My humility, you will make up for what you have lost through your pride. With obedience to Me, you will make up for what you have lost through your

rebellion. With My fervor, you will make up for what you have lost through your laziness.

3) With My virtues you will make up for what you have lost through your sins. This heart loves the Father for your sake; it gives thanks to Him; it honors Him; it satisfies Him for your sake, so as to compensate for your failures in all those obligations.

4) My heart watches over you when you sleep and it works when you rest... It is the shield that frees you from the heavenly chastisement that you have been asking for, the wall against the fury of your invisible enemies and the support for your weaknesses that constantly try to cause you death.

5) Embrace It, and desire to enclose yourselves in It. Ask My Mother to direct you towards My heart through Her Immaculate Heart and the latter will purify you in order to present you to God the Father...

### UPHOLD MY WORDS

**SM-131**

19-Sep-94  
8:45 p.m.

The Blessed  
Mother

1) Beloved little children, My heart rejoices when it confirms that in this past year, you have responded to the invitation to uphold My words and those of My beloved Son, to meditate on them and keep them jealously in your hearts. You have opened your minds and your souls to the voices of Heaven. You have grown in spirit and in love... The fruits of this beautiful tree of tenderness that I have been scattering like loving rain are now becoming visible through the conversions, the prayers of the children, the many people who have returned to the path of the

Lord, and through the Rosaries that are recited daily in your homeland.

2) At this time when the Mystery of the greatest wickedness is at the door, I want to console you by assuring you that the greatest Miracle of mercy is also present on earth among men and women. To the hand of all My beloved children gone astray.

3) Carry the messages everywhere in the world. It will be a cry of hope in the bloody times of purification.

4) I feel very consoled by all of you. Nevertheless, I advise you to polish your edges, to give up criticism, egotism, and attachment to worldly life... A great deal is still lacking in you, and I want to help you; I want to see you perfect, pure and transparent.

5) Take a few moments to reflect at night and to go over your little faults committed during the course of the day. Then ask the Holy Spirit to bathe you in His divine light; ask Jesus to infect your human personality with His perfection, and invoke My comfort and My help as many times as you need.

6) Satan is very clever. Do not let him into your group. Pray, fast, do penance and make small daily sacrifices... When you want to find Us, read the book that We leave you with love...

### CONSECRATION TO JESUS

7) *My Lord, after many consecrations that I have already made to You with my whole being, I come to make You another one at the foot of Your altars, stirred by the new fire in which my heart burns with all Your Being.*

8) *So My Jesus, I offer You, my soul, my life, my senses, my energy and everything that I am, as a perfect holocaust of love. Favorably accept, I beseech You, the victim that I present to You and comfort*

*me in the flames of Your burning charity. May that immense fire that burns in Your Divine Heart descend on me to entirely consume me, because I do not seek to offer You an ordinary sacrifice like the one that was offered in the Old Law, where the one who presented it shared the host with you and ate a portion while the other portion burned on Your alter. I propose to consecrate to You a perfect sacrifice where everything is entirely consumed to the glory of Your holy name without anything being left for me.*

## **MY BODY AND MY BLOOD ARE IN THE EUCHARIST**

**SM-132**

**23-Sep-94  
12:50 p.m.**

**The Lord**

<sup>1)</sup> My children, I have told you that My body and My blood are in the Eucharist. Believe in My word which is ineffable... There is My body, which was born in the most pure womb of the Blessed Virgin and which was nailed on the cross for the salvation of humankind, and the blood which issued from My side, from My wounds, the blood that is precious because every drop was a torrent of love. Believe that My Most Holy soul, My person and Divinity are the same, because they are united to My body and blood. Believe that the adorable persons of the Father and the Holy Spirit are also inseparable from My person.

<sup>2)</sup> Believe that My sacred body, while being alive, is united to My blood and that they are one another, under each one of the two species...

<sup>3)</sup> Finally, believe that at the moment when the Priest has uttered the sacred words, the substance of bread and wine has changed into the substance of My Body and Blood which is hidden under its appearances. And no matter how your eyes, your taste, your touch, your senses and your reason itself struggle against that miraculous change, convincing you that on

the altar there is nothing but bread and wine as before, put them [your senses etc.] aside, against the testimony of My word.

<sup>4)</sup> Do not try to understand anything in this Mystery of love. Embrace it as I give it to you, because My word will not pass away... Print this truth on your spirits: have a living and perfect faith in it and look with focused and sure eyes under the veil of the sacrament of the body that fills all of Heaven with the brilliance of its glory: that is the Mystery of faith.

## PRAYER OF ADORATION TO THE EUCHARISTIC JESUS

Sep-94

<sup>5)</sup> *Although I do not see on our altars any sign of Your grandeur, Oh God of majesty, whose infinite charity towards mankind has placed You on them [the altars] in the most profound state of annihilation imaginable, for the purpose of adapting Yourself to its [mankind's] weakness, could have endured the splendor of Your glory, nevertheless, I acknowledge You as my King and My God. I adore You as sovereign Lord of all things, as God of all nature and Creator of the universe. Make me pay You all the respect that I could never pay to any simple creature.*

<sup>6)</sup> *I surrender to You my whole being, my life, everything that I am, and everything that I possess and that I am certain to possess from Your generous hand. I am aware of your infinite grandeur and perfection, above every idea and expression.*

<sup>7)</sup> *I gaze upon this great universe, and everything it encompasses, which is as less than one atom in comparison with You. Unable as I am to find it in Myself to honor You in a way which is worthy of Your infinite majesty, I join all Your holy angels in Heaven and the righteous on earth and especially Your most holy humanity, subsisting in the Divine Word and the Most Holy Virgin Mary, Your*

*Mother, in order to honor You through them and with them, and to offer You all the honor and glory that they pay You and will pay You for all eternity.*

*8) I also unite myself to all the glory that You possess within Your Divine being. In it, I take the whole share that a weak creature can take, and I offer it to You in a spirit of adoration and homage.*

### **PRAYER OF HOPE**

*9) Inexhaustible Spring of goodness and mercy, no matter how great the multitude and the enormity of my sins may be, and how unworthy I may be of Your graces because of my faults, I hope, nevertheless, to obtain from You relief from my miseries and forgiveness of my sins.*

*10) Fortify yourself, my soul, in the hope that you will receive from your Divine Savior, all the help and advantages that you can possibly desire. Expect unending good things from the immense love that the Lord offers you, and prepare yourself to receive them through your unwavering hope, through your immense desire and by giving up everything that is worldly, and everything that is not close to the Lord.*

### **The Blessed Mother**

*1) From this day forward, My children, I will be with all of you and each one of you will feel My presence. Your love must grow and your need for the only thing that will have the power to reconcile you with the Lord: Communion. In My great plan of love about you, await the happiness of the new era. Jesus is the great conqueror. Have trust. You will see the triumph of My Immaculate Heart.*

## **APPENDIX A**

### **THE CHURCH DECREE COMMISSIONING THE APOSTOLATE OF THE NEW EVANGELIZATION**

*Translated from the original official document in Spanish:*

#### **ARCHDIOCESE OF COCHABAMBA**

Casilla 129-Telfs.: (042) 56562 (042) 56563

Fax (042) 50522-Cochabamba, Bolivia

#### **DECREE 1999/118**

#### **MONSGR. RENÉ FERNÁNDEZ APAZA ARCHBISHOP OF COCHABAMBA**

Considering that the founders of “the Apostolate of the New Evangelization” (A.N.E.) have applied with the following documentation for formation as a private catholic association.

That the goals and objectives of “the Apostolate of the New Evangelization” concur with the directives for the lay apostolate as per the Second Vatican Council and the Magisterium of the Catholic Church.

That according to the Code of Canon Law the rightful Church authority to form an association of a private nature for the faithful and to grant it legal solicitorship is the diocesan Bishop within its territory (c.312).

#### **WE DECREE**

Article 1. To approve the constitution of “the Apostolate of the New Evangelization” (A.N.E.) as a private Catholic association, with ecclesiastic legal solicitorship in accordance to the Code of

Canon Law (cc. 113-123, 298-329) and other standard appropriateness.

Article 2. To consider reviewed the statute of “the Apostolate of the New Evangelization,” attached to this decree.

We strongly urge the founders, directors, and members of the A.N.E. to faithfully comply with the goals of the association and to promote the New Evangelization under the guidance of the Church magisterial and its legitimate pastors.

Given by the Archbishop of Cochabamba on the first day of May, 1999.

[seal of Archdiocese]

/signed/

+ MONSGR. RENÉ FERNÁNDEZ APAZA  
ARCHBISHOP OF COCHABAMBA

BY ORDER OF THE ARCHBISHOP

/signed/

ENRIQUE JIMENEZ, CHANCELLOR

## **APPENDIX B**

### **WHAT IS THE ANE AND ITS MINISTRIES?**

**W**e are a lay apostolic movement who have listened to the call of the Lord, and we have decided to place ourselves at His service.

We try to carry the Good News of the Gospel to all our sisters and brothers, in order to contribute to establishing the Kingdom of God among men and women.

Committed to Jesus Christ and the Catholic Church, we respond to the call of John Paul, II as he insistently declared in his three most often repeated phrases during the course of his pontificate:

“Be saints”; “This is the time for the laity”; and “Let us promote the New Evangelization of the world”. We assume responsibility for working with energy and creativity on the New Evangelization, by attempting to utilize effective strategies and methods to call to conversion men and women of our times.

#### **Our Goals**

To spread among men and women the living presence of our Lord Jesus Christ and to help them to live their faith in accordance with the Gospel, united to Mary in prayer.

To establish small church communities “Little Houses of Prayer” where we are formed in prayer and knowledge of the Gospel, within the lines set out by the Magisterium of the Church, attempting to give witness to a life that is consistent with the teachings of Jesus.

To promote the spiritual and human growth of those who join the Apostolate, motivating the sacramental life of each one of them and facilitating the study of Sacred Scriptures, documents of the Church, lives of Saints and ANE's own bibliographical material.

Members of ANE have the duty to evangelize each other, and to evangelize and assist and help those most in need, which is nothing more than "evangelizing" through their witness and example.

### **Our Ministries**

"Come, you who are blessed by my Father. Inherit the Kingdom prepared for you from the foundation of the world. For I was hungry and you gave Me food, I was thirsty and you gave Me drink, a stranger and you welcomed Me, naked and you clothed Me, ill and you cared for Me, in prison and you visited Me... Amen, I say to you, whatever you did for one of these least brothers of Mine, you did for Me." (Mt 25, 34-35. 40)

Among those Ministries, the following are the most outstanding:

**Caring for the Sick:** Spiritually assisting the sick and their family members, especially in hospitals and other health centers: a) Helping those sisters and brothers who go before us, to have a "good death", through prayer and frequent receiving of the Sacraments; b) Consoling and strengthening in God, family members of the sick; c) Encouraging those who are temporarily sick to offer their suffering to the Lord and to draw near Him by using whatever circumstance they are living through.

**Support for the Church:** Seeking the resources to be able to work together with people who need material help: Parishes, nuns and priests, seminaries, marginal families and in general, those with scant resources.

**Ministry of Communication:** Producing the messages of evangelization intended for wide distribution, whether through radio, television, videos, daily papers, our magazine, the Internet, audio tapes and CD's.

**Catechesis:** Planning, coordinating and supervising catechetical formation of those working for ANE as well as the contents of the Catechism during the carrying out of evangelization.

**Penitential Work:** Accompanying those sisters and brothers who have suffered the misfortune of temporarily losing their freedom by inviting them to experience liberation of soul through the Lord, by reminding them that there is a reality which is different from that harsh environment that surrounds them and that our true hope must be placed in God. In the Prison at Mérida, our Apostolate is in charge of the section of those suffering from AIDS.

**ANE Pro-Life:** Unceasingly working to spread campaigns for the defense of life and responsible fatherhood, and against abortion, euthanasia and cloning.

**ANE Homes:** "Centers of Assistance from the Apostolate of New Evangelization". Helping in a direct way those most in need through meals and clothing for people, medical dispensaries, catechesis and evangelization programs, rehabilitation programs, literacy planning, delivery of provisions and counseling services.

**Small Houses of Prayer:** Coordinating the work for the orderly development of the structure of ANE and promoting the link between the different groups which make up our Apostolate.

## Apostolate of the New Evangelization

### APPENDIX C

#### NOTE FROM THE ANE

The books of “The Great Crusade” make up a collection of volumes, which are already more than 15 in number [in Spanish], and its teachings convey the spirituality of the Apostolate of the New Evangelization (ANE), which is based on Sacred Scripture and the Catechism of the Catholic Church.

The ANE is a Catholic lay movement, which arises in response to the insistent call of John Paul II to all the baptized, to commit themselves to the task of promoting the Good News, that Christ has died and risen again in order to save us from sin.

As Catholics that we are, we fully abide by the Magisterium of the Catholic Church, which states the following in regards to the matter of private revelations:

**Canon 66:** “The Christian economy, therefore, since it is the new and definitive Covenant, will never pass away; and no new public revelation is to be expected before the glorious manifestation of our Lord Jesus Christ. (Vatican Council II, Dogmatic Constitution ‘*Dei Verbum*’ 3 AAS 58)

Yet even if Revelation is already complete, it has not been made completely explicit; it remains for Christian faith

gradually to grasp its full significance over the course of the centuries.”

**Canon 67:** “Throughout the ages, there have been so-called “private” revelations, some of which have been recognized by the authority of the Church. They do not belong, however, to the deposit of faith. It is not their role to improve or complete Christ's definitive Revelation, but to help live more fully by it in a certain period of history.

Guided by the Magisterium of the Church, the *sensus fidelium* knows how to discern and welcome in these revelations whatever constitutes an authentic call of Christ or his saints to the Church.

Christian faith cannot accept ‘revelations’ that claim to surpass or correct the Revelation of which Christ is the fulfillment, as is the case in certain non-Christian religions and also in certain recent sects which base themselves on such ‘revelations’.”

*Catechism of the Catholic Church*  
*Canons 66 & 67*

You will notice on the inside page of our books the stamp or “IMPRIMATUR” granted by the Bishops of the Catholic Church, of the Latin and Chaldean Rites. Some have been translated into more than eight languages and have been recommended by several bishops who judge that the reading of them will facilitate spiritual growth among faithful Catholics.

The first books of the “Great Crusade” series were not printed with “offset” but were distributed by photocopies taken directly from the first original transcriptions.

With the passage of time, certain persons –clearly with the best of intentions– collaborated in “a second transcription and

formatting of the texts” to photocopy them, given the fact that “the copies of the copies” turned out to be illegible in some cases. Unfortunately, in the process, there were so many spelling and typographical errors committed, that the meaning of the texts was altered and many problems were created.

Precisely for that reason, the Apostolate of New Evangelization, at the suggestion of some priests and bishops, took the decision to request that readers should not make any further transcriptions of these texts, for any reason or under any circumstance, without the strict surveillance and the due authorization of our Director General.

## **Apostolate of the New Evangelization**

### **APPENDIX D**

#### **HELP THE ANE TO HELP**

**A**ll these books constitute a true gift from God for people who desire to grow spiritually, and it is for that reason that the sale price barely covers the cost of their printing and distribution.

However, as disciples of Christ, the Apostolate of New Evangelization, among other activities, is developing a wide range of spiritual and corporal works of mercy to the needy in seven charitable locations which distribute food and clothing to the people, and hundreds of places supplied with basic foodstuffs from the family basket, by promoting evangelization and catechesis in distant villages, and by providing spiritual and material support to our brothers and sisters in any number of jails and hospitals (mainly in Latin America).

All this work can only be carried out through the generosity of people who responding to the Voice of the Lord, are

supporting those who are most in need and are donating their time, their efforts and their material resources for the purpose of this charity.

If you, the reader of this book find within yourself the desire to help us in the building of the Kingdom, please get in contact with us through the addresses and telephone numbers at the end of this Appendix. The harvest is great, but the workers will always be few.

Likewise, if you wish to contribute monetarily to the development of this Work, you can do so by making your tax deductible donation check payable to: “**ANE-USA**”. and mailed to: Love & Mercy Publications, P.O. Box 1160, Hampstead, NC 28443, USA. Donations can be sent along with book and video orders but they must be made with separate checks with the book and video order check made payable to: **Love and Mercy Publications**. Donations will then be transferred to the ANE International Headquarters.

In the name of the Lord, we thank you in advance for any help you can offer us, and we entreat Him who is generous and provident, to reward you one hundredfold.

May God bless you,

**APPENDIX E**

**LOVE AND MERCY PUBLICATIONS BOOKS & VIDEOS**

**L**ove and Mercy Publications is part of a non-profit (IRS 501c approved), religious, educational organization dedicated to the dissemination of books, videos and other religious materials concerning the great Love and Mercy of God. As part of its mission, this organization distributes with permission the books containing messages dictated by Jesus and the Virgin Mary to Catalina (Katya) Rivas as well as other related materials. The contents of these have been reviewed by Catholic Church authorities and found to be consistent with the faith and teachings of the Church. Further information on this can be found at the beginning of each book.

The books are available in the original Spanish, in English and some other languages at no cost on the Internet at: **[www.LoveAndMercy.org](http://www.LoveAndMercy.org)** . Also, they are available to order as printed books from Love and Mercy Publications as follows:

### **Books on the Eucharist**

**The Holy Mass:** A profound teaching and testimony with a 2004 Imprimatur on the Holy Mass containing visions at the Mass and messages dictated by the Virgin Mary and Jesus to Catalina that can deepen one's spiritual experience at the Divine Liturgy. This is the most widely read of Catalina's books.

**Holy Hour:** A beautiful devotion with a 1998 Imprimatur to read and pray before the Blessed Sacrament that was dictated by the Virgin Mary to Catalina and includes traditional prayers and verses from the Bible. A reader can see and experience the great love that the Mother of God has for this most blessed of Sacraments.

**In Adoration:** A very special meditation with a 2007 Imprimatur about our faith and the Eucharist. It is a testimony of sublime teachings by Jesus and Mary on the love in the Eucharist and the Mercy of the Lord and contains 12 extraordinary promises from Our Lord for those who visit Him frequently in the Blessed Sacrament.

### **Books on the Passion**

**The Passion:** Reflections on the mystery of Jesus' suffering and the value that it has on Redemption as dictated by Jesus, God the Father and the Virgin Mary to Catalina. This is truly a profound account of the Passion of the Christ with a 1998 Imprimatur that will deeply touch and change hearts, increasing one's love for Jesus.

**The Stations of the Cross:** The meditations on the Passion of the Christ in this booklet were almost all extracted from "The Passion" (see above) and the remainder was from the Bible. The meditations are organized to follow the traditional Stations of the Cross and will provide the reader with a very moving

spiritual experience of walking with Jesus and hearing Him describe and explain His Passion as it transpired.

**From Sinai to Calvary:** Profound visions and teachings that were dictated by Jesus to Catalina concerning His seven last words during His Passion that were given to Catalina in December 2003-January 2004 time period. Completed in 2004 with an Imprimatur.

**I Have Given My Life for You:** A compilation of messages with a 2009 Imprimatur, that were given by Jesus to Catalina during the Lents of 2005, 2006, 2007, 2008 and 2009. Their beautiful content is a new call of the Lord to each reader, to unite to Him in the dramatic moments in which He prepared to surrender His Life for the salvation of humanity.

### **Books on other Themes**

**Divine Providence:** A profound teaching on death and reconciliation including visions and messages dictated by Jesus to Catalina as well as her personal account coinciding with and concerning the deaths of her mother and brother within days of each other in June 2003. This book has a formal recommendation of the Archbishop Emeritus of Cochabamba. This book can give much hope and comfort to all people, for all experience during life the death of loved ones and all will ultimately experience death and a birth to eternal life. A reader of the book can also gain a deeper understanding of the Sacraments of Reconciliation and the Anointing of the Sick.

**My Broken Christ Walks over the Waters:** Catalina's testimony with a 2005 Imprimatur on the written work of Fr. Ramón Cué, SJ, "My Broken Christ" which profoundly touched her. Catalina seeks not to draw attention to herself but rather to Jesus and thus, she has shared little of her personal story in the past. But in

her recent books, this one especially, we begin to perceive the essence of Catalina's soul and the depth of her spirituality and love of Jesus and His Mother

**The Visible Face of an Invisible God:** A testimony with a 2005 Imprimatur that speaks to us about the importance of living our Christianity consciously and of deepening our conversion. It invites us to rediscover the commitment that we, being baptized, have acquired, so that we can assume this responsibility with the befitting seriousness.

**Praying the Rosary:** At the beginning of "The Holy Mass", Catalina referred to the Lord and the Virgin Mary providing instructions to her on how to pray the Rosary. These messages having been dictated in the Formational Books (see below), all of which had received a 1998 Imprimatur. This booklet is a compilation by Love and Mercy Publications of a number of these messages.

### **Set of 7 Books of Formational Teachings**

These are the initial books of teachings dictated by Jesus and Mary to Catalina from 1993 to 1998, all with a 1998 Imprimatur. A person cannot seriously read and study the full set of these formational teachings of Jesus and Mary without finding one's faith, hope and love for God and neighbor profoundly strengthened and deepened. It is strongly recommended that the books be read in chronological order which is: **Springs of Mercy, Ark of the New Covenant, The Passion** (*same book as described above*), **The Great Crusade of Love, The Door to Heaven, The Great Crusade of Mercy** and **The Great Crusade of Salvation.**

Catalina continues to receive messages. Please visit [www.LoveAndMercy.org](http://www.LoveAndMercy.org) to check on current availability of the books of Catalina.

### **Other Recommended Book & Videos**

**Related Book - "Reason to Believe":** A statue weeps and bleeds in the same city that Catalina Rivas writes profound teachings she says are dictated by Christ. Elsewhere, a communion host (bread) changes to living flesh. Are these claims true? What does Science have to say? This is a fascinating journey of Australian lawyer, Ron Tesoriero, in pursuit of answers. On the way he invites a well-known and highly respected journalist Mike Willesee to join him. What they discover will confront the mind and heart of every reader.

#### **DVD-Video - A Plea to Humanity**

This video documents recent remarkable supernatural events in Bolivia. The video was produced by the Australian attorney and documentary producer, Ron Tesoriero. The video also includes footage from the 2-hour, prime-time, FOX TV broadcast, "*Signs from God - Science Tests Faith*," on the bleeding statue of Christ and on Catalina's messages.

#### **DVD-Video - The Eucharist - In Communion with Me**

This documentary is an educational and evangelical instrument to acquaint people with this most important Sacrament. It also deals briefly with certain Eucharistic miracles approved by the Catholic Church. These are powerful reminders of the true presence of Jesus Christ in the Eucharist. This documentary was produced by Michael Willesee and Ron Tesoriero.

## NEW DVD JUST RELEASED

### SCIENCE TESTS FAITH

*~ Following the Trail of the Blood of Christ ~*

**Hear the Story unfold as Science finds: Blood & Flesh, Human DNA, Heart Muscle and White Blood Cells, all in a Bleeding Consecrated Host as the Truth of the Eucharist is revealed by Science!** Yet science cannot produce a detailed DNA profile from not only the Host but also from a bleeding statue of Christ. These intriguing and very extraordinary scientific findings are presented in detail in this DVD by compelling and thought provoking witnesses to their faith, Ron Tesoriero, attorney and documentary producer, and Mike Willesse, senior Australian TV Investigative Journalist, who build a powerful fact-based case for belief in the Eucharist. The DVD includes their September 2009 USA presentation and exclusive interview covering the scientific results of these Catholic Church commissioned investigations into a bleeding statue of Christ and a recent Eucharistic miracle. The DNA and forensic studies present a strong testimony for a renewed love and belief in the true presence of Jesus in this Most Holy Sacrament.

**Also on this DVD are PDF files of Catalina's books in both regular and large print versions.** Just insert the DVD into a computer DVD drive and open the "Book\_Menu" file on the DVD to select and read/print the books for free.
